JOURNAL OF THE HOUSE

VETO SESSION

Second Regular Session, 101st GENERAL ASSEMBLY

SECOND DAY, WEDNESDAY, SEPTEMBER 21, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Let us have grace, whereby we may serve God acceptably with reverence and godly fear. (Hebrews 12:28)

Almighty God, our heavenly guide, we pause on this House floor to pray, lifting our hearts to You, asking for a fresh vision of Your presence, seeking guidance for this hour and strength for our tasks.

Increase our desire for clear thinking and honest discussion. Decrease in us any inclination for pretense. Increase in our efforts to rise above the lesser emotions, to choose the noble rather than the common, to live in the light and to serve You with all our power and might.

Bless our state with Your favor. Keep it free, and in its freedom, enable it to foster in the hearts of all citizens a true love of charity, with liberty and justice for all.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the first day was approved as printed by the following vote:

FIRST DAY, WEDNESDAY, SEPTEMBER 14, 2022

Speaker Vescovo in the Chair.

LETTER OF RESIGNATION

July 1, 2022

Dear Mr. Speaker,

This letter serves to submit my resignation to the Missouri House of Representatives.

It has truly been an honor to serve the citizens of the 140th District. They are some of the finest people I have ever met. To be a part of the process that helped bring positive change to our community and to assist with many of the personal struggles of my constituents is something I will forever treasure.

For many years, it has been my humble honor to have served the Lord by bringing medical care to thousands of forgotten citizens in SW Missouri: the homeless, our Veterans, the impoverished and uninsured. Care that helped alleviate the unspeakable pain many people lived in, helping to save lives from uncontrolled chronic diseases, healing wounds and saving limbs from amputation. The most rewarding work I have ever done.

I am also very honored to have been involved in helping support the Assistant Physicians, a program I hope will eventually be implemented nationwide. Countless amazing individuals that sacrificed years of their lives to become a doctor were left in devastation because of our severe residency shortage. This tragedy left them stranded with no

ability to practice but were still required to pay back hundreds of thousands of dollars in student loans. Missouri was a trailblazer with this phenomenal healthcare solution. I pray that the value of this program will one day be welcomed and appreciated. These valuable doctors are a resource that we cannot afford to lose.

Kind Regards,

/s/ Tricia Derges

MESSAGES FROM THE GOVERNOR

July 1, 2022

TO THE SECRETARY OF STATE
OF THE STATE OF MISSOURI
101st GENERAL ASSEMBLY
SECOND REGULAR SESSION

Herewith I return to you **Senate Substitute for House Bill No. 1667**, entitled:

AN ACT

To amend chapter 196, RSMo, by adding thereto one new section relating to kratom products, with penalty provisions.

I disapprove of Senate Substitute for House Bill 1667. My reasons for disapproval are as follows:

I disapprove of this bill for several reasons. First, this bill defines a “kratom product” as “a food product or dietary ingredient[.]” The United States Food and Drug Administration (FDA) has provided that kratom is not a legally marketed food, drug, or dietary supplement. Under the Federal Food, Drug, and Cosmetic Act, the FDA may seize food, drugs, or dietary substances that contain kratom as being adulterated or misbranded. *See generally* 21 U.S.C. §§ 301–399i. By defining “kratom product” as a “food product or dietary ingredient,” Missouri would violate federal law. Where federal law has been violated in other states, the FDA has seized the kratom products. U.S. FOOD AND DRUG ADMIN., *FDA and Kratom* (Apr. 27, 2022), <https://www.fda.gov/news-events/public-health-focus/fda-and-kratom>; U.S. FOOD AND DRUG ADMIN., *Fed Announces Seizure of Adulterated Dietary Supplements Containing Kratom* (Oct. 29, 2021), <https://fda.gov/news-events/press-announcements/fda-announces-seizure-adulterated-dietary-supplements-containing-kratom>.

In addition to being in conflict with federal law, state law already provides protections for proper labeling and packaging under the Missouri Merchandising Practices Act. *See* RSMo § 407.020; *e.g.*, *Kelly v. Cape Cod Potato Chip Co.*, 81 F. Supp. 3d 754, 760–62 (W.D. Mo. 2015) (examining labeling and packaging requirements under the Missouri Merchandising Practices Act). Missouri law already protects against the perceived issues this bill appears to attempt to address without the need for additional regulatory actions.

Further, the FDA has held that there are no FDA-approved uses for kratom, and the agency has received numerous concerning reports about the safety of kratom. According to the FDA, kratom “affects the same opioid brain receptors as morphine[.]” *FDA and Kratom, supra*. Kratom is widely considered an inherently unsafe product due to its psychoactive compounds and risk of exposing users to addiction, abuse, and dependence. The FDA has concerns about the safety of the drug, and has warned consumers against the use of kratom by issuing a public health advisory. *Id.*; U.S. FOOD AND DRUG ADMIN., *Statement from FDA Commissioners Scott Gottlieb, M.D., on the Agency’s Scientific Evidence on the Presence of Opioid Compounds in Kratom, Underscoring its Potential for Abuse* (Feb. 6, 2018), <https://www.fda.gov/news-events/press-announcements/statement-fda-commissioner-scott-gottlieb-md-agencys-scientific-evidence-presence-opioid-compounds>.

In accordance with the above stated reasons for disapproval, I am returning **Senate Substitute for House Bill No. 1667** without my approval.

Respectfully Submitted,

OF THE STATE OF MISSOURI
101st GENERAL ASSEMBLY
SECOND REGULAR SESSION

Herewith I return to you **Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1720**, entitled:

AN ACT

To repeal sections 60.301, 60.315, 60.345, 135.305, 135.686, 137.1018, 144.030, 266.355, 301.010, 301.062, 304.180, 304.240, 348.436, 348.500, 643.050, 643.079, and 643.245, RSMo, and to enact in lieu thereof twenty-seven new sections relating to agricultural economic opportunities, with a penalty provision and an emergency clause for certain sections.

I disapprove of Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill 1720. My reasons for disapproval are as follows:

Sections 260.221 and 644.060, involving recycled asphalt shingles, do not relate to the title of the bill of agricultural economic opportunities. These sections violate the single subject requirement in Article III, Section 23 of the Missouri Constitution because they are not “germane, connected and congruous” to agricultural economic opportunities. *See Hammerschmidt v. Boone Cty.*, 877 S.W.2d 98, 101–03 (Mo. banc 1994). A subject “includes all matters that fall within or reasonably relate to the general core purpose of the proposed legislation.” *Id.* at 102. Section 260.221 is for solid waste management and Section 644.060 is the Missouri Clean Water Law whereas agriculture is “the science, art, or practice of cultivating the soil, producing crops, and raising livestock and in varying degrees the preparation and marketing of the resulting products.” *Agriculture*, MERRIAM-WEBSTER’S COLLEGIATE DICTIONARY (11th ed. 2020); *see also Hammerschmidt*, 877 S.W.2d at 103. These sections violate the constitutional command for bills to have a single subject that fairly relates to the contents therein.

I strongly support agricultural security and opportunities for Missourians. As a farmer, I experience first-hand the challenges of the agriculture industry. I also understand that farmers need surety in times of uncertainty. As such, I am very concerned with several provisions of this bill that authorize extremely short program sunset dates for both new and existing state agricultural programs. Two of the state’s signature agricultural tax credit programs are housed within the Missouri Agricultural and Small Business Development Authority (MASBDA) within the Missouri Department of Agriculture (MDA). These two tax credit programs, the New Generation Cooperative Incentive Tax Credit Program and the Agricultural Product Utilization Contributor Tax Credit program, have helped provide over \$260 million in estimated direct and indirect benefits since Fiscal Year 2000. Specifically, the New Generation Cooperative Incentive Tax Credit Program helps induce private investment in new generation cooperatives to process Missouri agricultural commodities and products into value-added goods. This program provides substantial benefit to Missouri’s agricultural producers and creates jobs for Missourians. Over the lifetime of the program, 87 projects have been funded with direct costs to the State of \$53 million but with benefits estimated to be over \$183 million. This program has provided a return to taxpayers of \$3.46 for every \$1 invested.

The second program provided by MASBDA is the Agricultural Product Utilization Contributor Tax Credit Program. This program provides a tax credit to any person who contributes funding to MASBDA for the purpose of furthering financial or technical assistance for the development of rural agricultural business concepts. Over the lifetime of the program, this program has had a direct cost to the State of \$28 million but with benefits estimated to be over \$62 million. This program has provided a return to taxpayers of \$2.20 for every \$1 invested.

For both programs offered by MASBDA, the two-year sunset provided in this bill is extremely problematic. In order to complete a project under the New Generation Cooperative Incentive Tax Credit Program, the company has to complete an equity drive to help induce private investment in the project. This equity drive takes 24–36 months on average and over seventy-five percent of projects request an extension to complete their drive. The bill passed by the General Assembly only allows for a two-year extension of this program, making it difficult, if not impossible, for projects that are ready to complete the program to do so before it expires. Such a short-term program extension will further strain efforts to raise private equity. Additionally, the two-year sunset also would have the effect of prohibiting MASBDA from advertising these incentives to companies that may be looking to expand or create new investment in Missouri or other states. This will leave Missouri at a strategic disadvantage when competing with other states for future agricultural economic investment.

A two-year sunset for the MASBDA programs is also problematic to administer. These are programs administered by the MASBDA, which is funded from fees assessed from tax credit issuances. The fees fund staff to administer, manage, and oversee the programs. Without additional authorization beyond two years, it will be even harder to recruit and retain staff. According to the U.S. Bureau of Labor Statistics, there were 225,000 job openings in Missouri where the number of unemployed Missourians only totaled 109,993 for the month of March 2022, meaning that there are currently two jobs for every one Missourian to fill them. This is no different with MASBDA as the position is currently being filled by a person who is responsible for overseeing MASBDA in addition to being a full-time division director at the MDA. The limited two-year program extension jeopardizes the administration of these important agricultural investment tools.

This bill also authorized new programs that will greatly benefit agriculture in our state. These include the ethanol tax credit program, the biodiesel retailers tax credit program, the biodiesel producer tax credit program, an urban farm tax credit program, and a specialty crop loan program. It takes several months to hire new staff and establish rules for new programs, including garnering stakeholder feedback in the development of rules, as required by Chapter 536, RSMo. A two-year sunset undermines the taxpayer investment in a program given the time it takes to develop the program versus the time the program is operational before it expires. Typically, the purpose of accelerated sunset provisions is to provide an evaluation at the end of a program, and based on that evaluation, determine if the program should be continued. Two-year sunsets on new programs limits the data that will be available for such evaluation in order to make those determinations. This is unacceptable both for producers seeking to make investments and for policymakers that want to make educated policy decisions in the future.

In regard to the two-year sunset on agricultural programs, we have to do better. This is especially true when in this year alone the General Assembly authorized longer sunset terms for the Petroleum Storage Tank Insurance Fund, the Early Learning Quality Assurance Report Program, the Qualified Research Expenses Tax Credit, the Meet in Missouri Act, the New Business Facilities Tax Credit, the Self-Employed Tax Credit, the MO Rx program, the Fast Track Workforce Incentive Grant program, the Targeted Industrial Manufacturing Enhancement program, the Workforce Diploma Program, plant-in-service accounting and capital investment plan for investor-owned utilities, and dental board pilot projects. While these are important initiatives that will help our state, agriculture is still our top economic industry and the foundation of our state. We must do more to provide agricultural producers and investors with more certainty and to administer these programs in the most reliable and effective way possible.

In accordance with the above stated reasons for disapproval, I am returning **Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1720** without my approval.

TO THE SECRETARY OF STATE
OF THE STATE OF MISSOURI
101st GENERAL ASSEMBLY
SECOND REGULAR SESSION

Herewith I return to you **Senate Committee Substitute for House Bill No. 2090**, entitled:

AN ACT

To repeal sections 33.100, 36.020, 36.030, 36.050, 36.060, 36.070, 36.080, 36.090, 36.100, 36.120, 36.140, 36.250, 36.440, 36.510, 37.010, 105.950, 105.1114, 136.370, and 288.220, RSMo, and to enact in lieu thereof twenty new sections relating to the payment of funds from the state treasury.

I disapprove of Senate Committee Substitute for House Bill 2090. My reasons for disapproval are as follows:

While I recognize and applaud the General Assembly in its effort to improve the laws governing state personnel matters and to provide Missourians with tax relief, I cannot approve this bill as presented to me.

Section 136.370 was designed to help certain individuals and businesses who refuse state tax liability. This proposal may inadvertently incentivize the withholding of complete and accurate information from the Department of Revenue which is normally collected in the process of determining one's tax liability. As written, the language in House Bill 2090 allows individuals and businesses to claim negligence of, or incorrect information was provided by, the Department of Revenue as a cause for taxpayer failure to collect and remit sales and use tax assessments that they would otherwise be responsible for. Further, the language does not provide any standards for what those terms mean. Current Missouri case law holds that statements by Department of Revenue employees do not bind the Director, who would be required to refund the taxpayer. This proposal directly conflicts with that legal precedent. *See Lynn v. Dir. of Revenue*, 689 S.W.2d 45, 48–49 (Mo. banc 1985). Section 136.370 may also violate Article III, Section 38(a) of the Missouri Constitution by “grant[ing] public money . . . to any private person, association or corporation[.]” While this section could be constitutional if it had a public purpose, *Fust v. Attorney General for the State of Mo.*, 947 S.W.2d 424, 429 (Mo. banc 1997), it only provides a direct payment to a limited number of liable taxpayers. *Cf. id.* at 429–30; *State ex rel. Wagner v. St. Louis Port Auth.*, 604 S.W.2d 592, 597 (Mo. banc 1980); *Swallow Tail, LLC v. Mo. Dep’t of Conservation*, 522 S.W.3d 309, 315 (Mo. App. W.D. 2017) (summarizing cases). I cannot support a law that incentivizes dishonesty on the backs of taxpayers acting in good faith.

Section 1 presents numerous issues, both legally and practically. Legally, it likely violates both the United States and Missouri Constitutions. By discriminating against nonresident taxpayers, this provision casts aside the Privileges and Immunities (U.S. CONST. art. IV, § 2, cl. 1; U.S. CONST. amend. XIV, § 1), Equal Protection (U.S. CONST. amend. XIV, § 1; MO. CONST. art. 1, § 2), and Dormant Commerce Clauses (U.S. CONST. art. I, § 8, cl. 3) prohibiting such conduct. *See, e.g., Lunding v. N.Y. Tax Appeals Tribunal*, 522 U.S. 287, 314 (1998); *Comptroller of Treasury of Md. v. Wynne*, 575 U.S. 542, 548–51 (2015). Section 1 could also violate Article III, Section 38(a) of the Missouri Constitution as it specifically targets select individuals rather than promoting a broader public impact. On a practical note, this proposal was touted in both the House Budget Committee and on the House floor as assuring Missourians they would receive a \$500 or \$1,000 one-time tax credit depending on one's tax filing status; however, that reality would not have been ascertained with the amount of funding allocated to this credit by the General Assembly. Based upon projections from the Missouri Department of Revenue and the Office of Administration that were provided to members of the General Assembly and publicly discussed, in order to fund the credit as proposed, the General Assembly would have needed to allocate \$1.3 billion in funding. However, the General Assembly only allocated \$500 million, which would have resulted in a maximum credit of approximately \$205 or \$410 for either filing status, drastically lower than what taxpayers were told they would receive. This point was also made on the House floor by members of both political parties, as they realized that this proposal would not result in the outcome that was being publicized.

As a further practical concern, as written in this section and provided for in the budget, this provision cannot be administered under Article IV, Section 28 of the Missouri Constitution. *See State ex rel. S.S. Kresge Co. v. Howard*, 208 S.W.2d 247, 251 (Mo banc. 1947). While \$500 million in funding was allocated for the tax credit in House Bill 3020 (2022) by providing a transfer appropriation from General Revenue to the Tax Credit Offset Fund, a corresponding refund appropriation was not created in any of the appropriation bills for Fiscal Year 2023. Therefore, neither the Missouri Department of Revenue nor the Office of Administration have the appropriation authority needed to issue refunds related to this tax credit. In sum, while the appropriation was included in legislation and this section authorizes the credit, my administration would be prohibited from providing the refund as the General Assembly did not provide the necessary corresponding spending authority.

As a policy matter, this proposal also provides no benefit to low-income nor high-income earning Missouri citizens. That is, those who pay the most in state income taxes would have been excluded from receiving the benefit of the credit. Additionally, this proposal does little to assist the State's lowest income individuals and families, including those on fixed incomes such as disabled individuals, retirees, and social security recipients. I am committed to substantial tax relief for all Missourians. Unfortunately, House Bill 2090 does not achieve those goals and cannot be administered as currently provided for in this legislation and in the budget.

Also of concern, Section 2 puts vulnerable Missourians at risk. This section risks critical federal funding for Medicare and Medicaid services in Missouri by potentially violating Centers for Medicare & Medicaid Services' federal regulations. I have consistently opposed COVID-19 vaccination mandates, especially for State employees. Jeopardizing the State's Medicare and Medicaid services in this manner is unnecessary and could result in significant negative harm to Missourians.

Further, the subjects in this bill vary widely and cause concern relative to the constitutional requirement that legislation only consist of a single subject. As an example, there is no tenable connection between vaccine requirements and "payment of funds from the state treasury," violating Article III, Section 23 of the Missouri Constitution. *See Hammerschmidt v. Boone Cty.*, 877 S.W.2d 98, 101-03 (Mo. banc 1994).

Regrettably, changes to pay periods for state employees and to the Personnel Advisory Board were included in this bill. These are useful provisions that create both meaningful change for our valuable state team members and efficiencies in state government overall that could result in cost savings to taxpayers. I hope to see these provisions in future legislation.

In accordance with the above stated reasons for disapproval, I am returning **Senate Committee Substitute for House Bill No. 2090** without my approval.

TO THE SECRETARY OF STATE
OF THE STATE OF MISSOURI
101st GENERAL ASSEMBLY
SECOND REGULAR SESSION

Herewith I return to you **Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 3002** entitled:

AN ACT

To appropriate money for the expenses, grants, refunds, and distributions of the State Board of Education and the Department of Elementary and Secondary Education, and the several divisions and programs thereof, to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the period beginning July 1, 2022 and ending June 30, 2023.

Section 2.025

I hereby veto \$4,875,000 Department of Elementary and Secondary Education Federal Emergency Relief 2021 Fund for the School Turnaround Program. This increase utilizes one-time federal funding to add additional schools to a program that requires a multi-year commitment. Further, the program started one year ago and no performance measures reflecting program success have been demonstrated yet to date. Demonstrated effectiveness should be a prerequisite before the program is expanded to additional schools. This maintains core funding of \$975,000 general revenue.

For the purpose of funding the School Turnaround Program.
From \$4,875,000 to \$0 from Department of Elementary and Secondary Education Federal Emergency Relief 2021 Fund.

I hereby veto \$2,000,000 Department of Elementary and Secondary Education Federal Emergency Relief 2021 Fund for a chemistry and physical science 3D game-based learning platform for middle and high school students. Although it does not identify a specific vendor, this appropriation appears to describe a specific vendor's learning platform as identified on the vendor's website. The Department of Elementary and Secondary Education is subject to state purchasing laws set forth in Chapter 34, RSMo, and must follow those laws when selecting a vendor rather than contracting with a particular vendor. Additionally, this program provides one-time state funding to support ongoing program costs, which could possibly jeopardize the program's future sustainability.

For the purpose of funding a chemistry and physical science 3D game-based learning platform.
From \$2,000,000 to \$0 from Department of Elementary and Secondary Education Federal Emergency Relief 2021 Fund.
By \$6,875,000 from \$2,442,048,430 to \$2,435,173,430 in total for the section.

On June 30, 2022, I approved said **Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 3002**, except for those items specifically vetoed and not approved.

OF THE STATE OF MISSOURI
101st GENERAL ASSEMBLY
SECOND REGULAR SESSION

Herewith I return to you **Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 3003** entitled:

AN ACT

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Higher Education and Workforce Development, the several divisions and programs thereof, and institutions of higher education, to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the period beginning July 1, 2022 and ending June 30, 2023.

Section 3.155

I hereby veto \$4,000,000 general revenue to Missouri State University (MSU) for a statewide math supplement program for secondary education. This appropriation provides funding for math programming for students Grade 6 through Algebra II, but is appropriated to the Missouri Department of Higher Education and Workforce Development (DHEWD) through Missouri State University (MSU). DHEWD is responsible for oversight of post-secondary education and does not have the same role and responsibility as the Department of Elementary and Secondary Education (DESE) with regard to curriculum adhering to the Missouri Learning Standards. Such programs should be administered through DESE rather than DHEWD. Both DESE and DHEWD are subject to state contracting laws in Chapter 34, RSMo, while MSU is exempt from such laws under Section 34.010, RSMo. If approved, this appropriation would have granted funds to an entity subject to Chapter 34 with directions to transfer the funds to an entity not subject to Chapter 34, thereby intentionally avoiding and circumventing state purchasing laws. An expenditure of this magnitude for a contract related to students in grades 6-12 should follow the state procurement laws and should be appropriated to the state department that has responsibility regarding secondary education, especially for a program that would be expected to receive ongoing state financial support. Additionally, the General Assembly did approve funding for DESE to provide additional math programming through their allocation of ESSER III funds received from the federal government. This line item would have been duplicative of that program.

To Missouri State University for the purpose of partnering with a comprehensive math supplement.
From \$4,000,000 to \$0 from General Revenue Fund.

I hereby veto \$112,500 Job Development and Training Fund for an education and job skills development program. This earmark was not included in my budget recommendations and would leave the state unable to fully fund existing workforce programs that are currently creating jobs, helping individuals with job placement, and supporting measurable skills gains across the state. Further, the federal Workforce Innovation and Opportunity Act has strict reporting requirements, and the costs of such reporting would likely exceed the value of this earmark.

For a 501(c)(3) located in a city not within a county that provides education and job skills development for strengthening students' economic understanding of capitalism and ability to participate and succeed in a capitalist economy.

From \$112,500 to \$0 from Job Development and Training Fund.
From \$92,574,500 to \$88,462,000 in total for the section.

Section 3.240

I hereby veto \$2,300,000 general revenue to Missouri Southern State University (MSSU) for a statewide precision health and agricultural sciences program. This appropriation provides funding for collaboration opportunities with an industry partnership in biological sciences in order to provide services to K-12 students, but it is appropriated to the Missouri Department of Higher Education and Workforce Development (DHEWD) through Missouri Southern State University (MSSU) for purposes of contracting with a vendor to provide services related to K-12 students. DHEWD is responsible for oversight of post-secondary education and does not have the same role and responsibility as the Department of Elementary and Secondary Education (DESE) with regard to programming for K-12 students. Such programs should be administered through DESE. Both DESE and DHEWD are subject to state purchasing laws under Chapter 34, RSMo, while MSSU is exempt from such laws under Section 34.010, RSMo. If approved, this appropriation would have granted funds to an entity subject to Chapter 34 with directions to transfer the funds to an entity not subject to Chapter 34, thereby intentionally avoiding and circumventing state purchasing laws. An expenditure of this magnitude for services related to K-12 students should follow the state contracting laws and should be appropriated to a state entity that has responsibilities regarding education of K-12 students.

For a statewide program designed to increase collaboration and workforce opportunities via industry partnership in precision health and agricultural sciences.

From \$2,300,000 to \$0 from General Revenue Fund.

From \$30,874,099 to \$28,574,099 in total for the section.

Section 3.255

I hereby veto \$400,000 general revenue for the University of Missouri School of Law Family Violence and Criminal Prosecution Clinic. This funding provides for additional faculty at the University of Missouri School of Law, which is the responsibility of the University of Missouri's core budget. The budget approved by the General Assembly for the University of Missouri included a 5.4 percent increase this fiscal year, totaling over \$23.3 million. This appropriation further provided funding for the faculty as a one-time state expense, whereas staffing is an ongoing cost and could jeopardize the program's future sustainability leading to job losses if the funding were not to be provided in the future.

For the University of Missouri School of Law Family Violence and Criminal Prosecution Clinic.

From \$400,000 to \$0 from General Revenue Fund.

From \$463,876,797 to \$463,476,797 in total for the section.

On June 30, 2022, I approved said **Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 3003**, except for those items specifically vetoed and not approved.

Herewith I return to you **Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 3007** entitled:

AN ACT

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Economic Development, Department of Commerce and Insurance, Department of Labor and Industrial Relations and the several divisions and programs thereof, to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the period beginning July 1, 2022 and ending June 30, 2023.

Section 7.046

I hereby veto \$300,000 Economic Development Advancement Fund for a program to provide grants to businesses in low-income communities for building facade repairs. This is not an eligible use of the Economic Development Advancement Fund (EDAF) under Section 620.1900, RSMo. By statute, EDAF shall be used as follows: 37.5% shall be appropriated for business recruitment and marketing (Section 620.1900.2(2), RSMo); at least 50% shall be appropriated for marketing, technical assistance, and training, contracts for specialized economic development

services, and new initiatives and pilot programming to address economic trends (Section 620.1900.5, RSMo); and the remainder may be appropriated toward the cost of staffing and operating expenses for DED program activities and for accountability functions (Section 620.1900.5, RSMo).

Said section is vetoed in its entirety from \$300,000 to \$0 from Economic Development Advancement Fund.
From \$300,000 to \$0 in total for the section.

AN ACT

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Public Safety and the several divisions and programs thereof, to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the period beginning July 1, 2022 and ending June 30, 2023.

Section 8.005

I hereby veto \$500,000 general revenue for a communication platform for active duty National Guardsmen, first responders and veterans to receive direct access to chaplains and provide suicide prevention information and resources. The Fiscal Year 2023 budget invests nearly \$30 million in 988 mental health hotline infrastructure to assist citizens statewide experiencing a mental health emergency. The General Assembly also included \$1 million to market the 988 program of which my administration will use to target national guardsmen, veterans, first responders, and members of our armed forces. Further, the National Guard also has an existing phone application which includes a suicide hotline component. This program would be duplicative of those investments.

For a communication platform for National Guardsmen, first responders and veterans.
From \$500,000 to \$0 from General Revenue Fund.
From \$62,907,748 to \$57,907,748 in total for the section.

Section 8.216

I hereby veto \$500,000 Compulsive Gamblers Fund for the coordination of a statewide plan to address problem gambling. This program was established to help provide funding for gaming addiction resulting from the passage of sports betting, proposed in both House Bill 2502 & House Bill 2556 (2022). The General Assembly failed to pass House Bill 2502 & House Bill 2556 (2022) where the parameters for this program were established, including providing additional recovery services from additional state revenues that would have been generated. As a result of the legislation not passing the General Assembly, no additional funds would be available for this service expansion.

Said section is vetoed in its entirety.

Personal Service from \$80,000 to \$0 from Compulsive Gamblers Fund.

Expense and Equipment from \$420,000 to \$0 from Compulsive Gamblers Fund.

From \$500,000 to \$0 in total for the section.

Section 8.260

I hereby veto \$500,000 Gaming Commission Fund for transfer to the Compulsive Gamblers Fund. This program was established to help provide funding for gaming addiction resulting from the passage of sports betting, proposed in both House Bill 2502 & House Bill 2556 (2022). The General Assembly failed to pass House Bill 2502 & House Bill 2556 (2022) where the parameters for this program were established, including providing additional recovery services from additional state revenues that would have been generated. As a result of the legislation not passing the General Assembly, no additional funds would be available for this service expansion.

For funds to be transferred out of the State Treasury to the Compulsive Gamblers Fund.

By \$500,000 from \$694,181 to \$194,181 Gaming Commission Fund.

From \$694,181 to \$194,181 for the section.

Section 9.200

I hereby veto \$1,000,000 general revenue for a pilot program to ensure the availability and use of all medication assisted treatment products approved by the U.S. Food and Drug Administration to treat opioid use disorder. Funding for the program should be limited to the Opioid Addiction Treatment and Recovery Fund. Determinations regarding additional state general revenue funding should be made once the program has been established, the effectiveness of the investments have been demonstrated, and the total cost of the program can be fully determined with offender utilization taken into account.

By \$1,000,000 from \$1,000,000 to \$0 from General Revenue Fund.

AN ACT

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Mental Health, the Department of Health and Senior Services, and the several divisions and programs thereof, and the Missouri Health Facilities Review Committee to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the period beginning July 1, 2022 and ending June 30, 2023.

Section 10.810

I hereby veto \$1,000,000, including \$500,000 general revenue, for an in-home pharmaceutical pilot project. This item was not in my budget recommendations; however, my recommended budget did include transformational investment that began a multi-year framework for value-based payments to improve long-term outcomes for participants of the MO HealthNet program. Any future modification of an in-home pharmaceutical program should be considered as part of this incentive methodology for MO HealthNet providers to help provide the taxpayer a return when making this investment, and ensure that this item is not specifically provided toward a single vendor.

For a pilot project for the use of in-home pharmaceutical dispensing devices and systems.
By \$500,000 from \$500,000 to \$0 from General Revenue Fund.
By \$500,000 from \$500,000 to \$0 from Department of Health and Senior Services Federal Fund.
From \$701,203,513 to \$700,203,513 in total for the section.

Section 10.831

I hereby veto \$430,000 Senior Services Growth and Development Program Fund, for projects and upgrades for senior centers. This is not an eligible distribution of the Senior Services Growth and Development Program Fund. Under Subsection 4 of Section 192.385, RSMo, funds are required to be disbursed to all Area Agencies on Aging in accordance with the intrastate funding formula. This item earmarks funds for three specific projects, which currently receive funding through the intrastate funding distribution totaling \$337,022 (\$47,720 for the Dixon Senior Center, \$205,792 for Phelps Connections for Seniors, and \$83,510 for the Waynesville/St. Robert Senior Center).

AN ACT

To appropriate money for expenses, grants, refunds, and distributions of the Chief Executive's Office and Mansion, Lieutenant Governor, Secretary of State, State Auditor, State Treasurer, Attorney General, Missouri Prosecuting Attorneys and Circuit Attorneys Retirement Systems, and the Judiciary and the Office of the State Public Defender, and the several divisions and programs thereof, and for the payment of salaries and mileage of members of the State Senate and the House of Representatives and contingent expenses of the General Assembly, including salaries and expenses of elective and appointive officers and necessary capital improvements expenditures; for salaries and expenses of members and employees and other necessary operating expenses of the Committee on Legislative Research, various joint committees, for the expenses of the interim committees established by the General Assembly, and to transfer money among certain funds, to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, for the period beginning July 1, 2022 and ending June 30, 2023.

Section 12.345

I hereby veto \$2,446 general revenue to support an additional associate circuit judge for the 11th judicial circuit. This funding was not part of my budget recommendations and was not included in the judiciary's budget request.

Expense and Equipment by \$2,446 from \$4,935,522 to \$4,933,076 from General Revenue Fund.
From \$108,696,214 to \$108,693,768 in total from General Revenue Fund.
From \$140,004,917 to \$140,002,471 in total for the section.

Section 12.350

I hereby veto \$150,035 general revenue to support an additional associate circuit judge for the 11th circuit. This funding was not part of my budget recommendations and was not included in the judiciary's budget request.

Personal Service by \$150,035 from \$55,746,468 to \$55,596,433 from General Revenue Fund.
From \$57,029,473 to \$56,879,438 in total from General Revenue Fund.
From \$57,029,473 to \$56,879,438 in total for the section.

Section 12.500

I hereby veto \$225,000 general revenue and three security staff for the Senate. This item was not part of my recommendations and unnecessarily duplicates services already provided by the Capitol Police at the Capitol Building as directed by Section 8.177, RSMo. This law requires Missouri Capitol Police Officers to maintain order and preserve the peace in all state-owned and leased buildings, including the Capitol Complex. The final budget adopted by the General Assembly includes six additional Capitol Police positions which include four officers and two dispatchers. Duplication of security staff within the Capitol Building can have catastrophic outcomes if a critical incident were to occur in the Capitol Building, including not having a clear chain of command, lack of coordinated communication, and fragmented response. Through the Office of Administration, my administration has been working to improve safety and security at state-owned and leased facilities across the state to ensure the safety of all state team members, elected officials, contractors, visitors, and constituents. My administration will continue to work with House and Senate leadership to address the security needs of each chamber at the Capitol Complex.

Senate Contingent Expenses by \$225,000 from \$12,479,617 to \$12,254,617 from General Revenue Fund.
From \$14,406,261 to \$14,181,261 in total from General Revenue Fund.
From \$14,446,261 to \$14,221,261 in total for the section.

Section 12.505

I hereby veto \$225,000 general revenue and three security staff for the House of Representatives. This item was not part of my recommendations and unnecessarily duplicates services already provided by the Capitol Police at the Capitol Building as directed by Section 8.177, RSMo. This law requires Missouri Capitol Police Officers to maintain order and preserve the peace in all state-owned and leased buildings, including the Capitol Complex. The final budget adopted by the General Assembly includes six additional Capitol Police positions which include four officers and two dispatchers. Duplication of security staff within the Capitol Building can have catastrophic outcomes if a critical incident were to occur in the Capitol Building, including not having a clear chain of command, lack of coordinated communication, and fragmented response. My administration will continue to work with House and Senate leadership to address the security needs of each chamber at the Capitol Complex.

House Contingent Expenses by \$225,000 from \$15,790,417 to \$15,565,417 from General Revenue Fund.
From \$25,396,942 to \$25,171,942 in total from General Revenue Fund.
From \$25,528,298 to \$25,303,298 in total for the section.

Section 12.510

I hereby veto \$12,000 general revenue for the payment of organizational dues. This item was not part of my budget recommendations. Previous efforts to learn from other states regarding gaming policies have culminated in multiple legislative bills that have been proposed and debated by the General Assembly over the past few years. Resources for gaming policy are available to policymakers interested in the topic, and include membership to other organizations such as the National Conference of State Legislatures and the Council of State Governments. Accordingly, this organizational membership is duplicative of other memberships that Missouri taxpayers already pay for.

For payment of organization dues by \$12,000 from \$306,631 to \$294,631 from General Revenue Fund.
From \$306,631 to \$294,631 in total from General Revenue Fund.
From \$306,631 to \$294,631 in total for the section.

TO THE SECRETARY OF STATE
OF THE STATE OF MISSOURI
101st GENERAL ASSEMBLY
SECOND REGULAR SESSION

Herewith I return to you **Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 3020** entitled:

AN ACT

To appropriate money for the expenses, grants, refunds, distributions, purchase of equipment, planning expenses, capital improvement projects, including but not limited to major additions and renovation of facility components, and equipment or systems for the several departments and offices of state government and the several divisions and programs thereof, and to transfer money among certain funds, to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri for the fiscal period beginning July 1, 2022, and ending June 30, 2023.

Section 20.571

I hereby veto \$83,000,000 Coronavirus State Fiscal Recovery – Revenue Replacement Fund for a new Highway Patrol academy. While I am supportive of law enforcement officers and have made budget recommendations supporting law enforcement, first responders, and other emergency personnel in this budget and in previous budgets, this item cannot be approved as the cost of the project is significantly higher than the appropriated amount. Original project costs were anticipated to be \$149 million, not including \$20 million for site development. The property on which this was planned for construction also has legal encumbrances that would need to be negotiated and addressed. Further, any future construction of a Missouri State Highway Patrol Academy should be a part of a comprehensive state facility plan.

Said section is vetoed in its entirety from \$83,000,000 to \$0 from Coronavirus State Fiscal Recovery – Revenue Replacement Fund.

From \$83,000,000 to \$0 in total for the section.

Section 20.644

I hereby veto \$300,000 Coronavirus State Fiscal Recovery – Revenue Replacement for capital improvement projects to a bridge and access trail in Barry County. This funding was not part of my budget recommendations. This is a local responsibility with minimal regional or statewide impact. Other funding mechanisms should be pursued in lieu of state funding for this project. My administration has previously vetoed this project, and our position has not changed.

Said section is vetoed in its entirety from \$300,000 to \$0 from Coronavirus State Fiscal Recovery – Revenue Replacement Fund.

From \$300,000 to \$0 in total for the section.

Section 20.831

I hereby veto \$10,000,000 Lottery Proceeds Fund for deferred maintenance grants for charter school facilities. These funds were not included in my budget recommendations. This funding is limited to charter schools, unfairly limiting access to public K-12 schools. Deferred maintenance is the responsibility of the charter sponsor, not the State. My administration has previously vetoed this line for the same reasons specified in this message and our position has not changed, contrary to statements made in the House Budget Committee and on the House floor. Additionally, House Bill 1552 (2022) provides a mechanism for additional funding to charter schools that would be available for maintenance and repairs.

Said section is vetoed in its entirety from \$10,000,000 to \$0 from Lottery Proceeds Fund.
From \$10,000,000 to \$0 in total for the section.

Section 20.838

I hereby veto \$4,500,000 Coronavirus State Fiscal Recovery – Revenue Replacement Fund for sidewalks for Affton School District. This funding was not part of my budget recommendations. This is a local responsibility with minimal regional or statewide impact. Other funding mechanisms should be pursued in lieu of earmarked state funding for this project. My administration has vetoed similar line items in prior budget years.

Said section is vetoed in its entirety from \$4,500,000 to \$0 from Coronavirus State Fiscal Recovery – Revenue Replacement Fund.
From \$4,500,000 to \$0 in total for the section.

Section 20.839

I hereby veto \$3,000,000 Coronavirus State Fiscal Recovery – Revenue Replacement Fund for sidewalks for Hancock Place School District. This funding was not part of my budget recommendations. This is a local responsibility with minimal regional or statewide impact. Other funding mechanisms should be pursued in lieu of earmarked state funding for this project. My administration has vetoed similar line items in prior budget years.

Said section is vetoed in its entirety from \$3,000,000 to \$0 from Coronavirus State Fiscal Recovery – Revenue Replacement Fund.
From \$3,000,000 to \$0 in total for the section.

Section 20.842

I hereby veto \$3,000,000 Coronavirus State Fiscal Recovery – Revenue Replacement Fund for airport planning, design, maintenance, or construction in St. Charles County. Due to the proximity of this airport to a major international airport and four other local airports, this investment will have minimal regional or statewide impact. Additionally, this airport receives federal funding distributed on a formulaic basis through the Missouri Department of Transportation, and has received more federal funding over the last two years than previous allocations including through the CARES Act, CRRSAA, ARPA, and IIJA. This airport is also eligible for an estimated \$415,620 in Federal Aviation Administration Funds, plus \$150,000 per year over five years, totaling \$715,760 which may be used for capital improvements. This funding was not part of my budget recommendations, and other funding mechanisms should be pursued in lieu of earmarked state funding for this project.

Said section is vetoed in its entirety from \$3,000,000 to \$0 from Coronavirus State Fiscal Recovery – Revenue Replacement Fund.
From \$3,000,000 to \$0 in total for the section.

Section 20.850

I hereby veto \$2,000,000 Coronavirus State Fiscal Recovery – Revenue Replacement Fund for the planning, design, maintenance, or construction of economic development corporations in Johnson County. This funding was not part of my budget recommendations. From the information and budget language provided, it is unclear if this would provide funding to a new or existing industrial park, or where the park would be located. My administration has identified twenty-six industrial parks in Johnson County but have little information on which one would be allocated funding. Alternatively, this project could seek grant funding under the Industrial Site Development program appropriated through House Bill 3020.

Said section is vetoed in its entirety from \$2,000,000 to \$0 from Coronavirus State Fiscal Recovery – Revenue Replacement Fund.
From \$2,000,000 to \$0 in total for the section.

Section 20.854

I hereby veto \$5,000,000 Coronavirus State Fiscal Recovery – Revenue Replacement Fund for the maintenance and improvements of a footbridge in Springfield. This funding was not part of my budget recommendations. This project includes funding for a pedestrian footbridge over a rail line which the Missouri Department of Transportation is required to concur with the City on a bid award that has not yet occurred.

Said section is vetoed in its entirety from \$5,000,000 to \$0 from Coronavirus State Fiscal Recovery – Revenue Replacement Fund.
From \$5,000,000 to \$0 in total for the section.

Section 20.860

I hereby veto \$2,500,000 Coronavirus State Fiscal Recovery – Revenue Replacement Fund for the planning, design, maintenance, or construction of a hospital. These funds were not included in my budget recommendations and appear to direct public funds to a private developer for non-public purposes in violation of Article III, Section 38(a) of the Missouri Constitution. While the plain language of the appropriation states the funds are for the "planning, maintenance, or construction of a hospital" the information provided to my administration demonstrates that this language does not meet the actual needs of the project. The City of Hannibal desires the funds for "rehabilitating, reinvesting, and repurposing of a former hospital site" to develop housing for low to moderate income seniors and single families. However, the Department of Health and Senior Services has no statutory authority to provide funding for such developments. Because the appropriation bill attempts to grant this authority to Department of Health and Senior Services, this provision violates the single subject limitation in Article III, Section 23 of the Missouri Constitution. Alternatively, this project could seek funding through the Low-Income Housing Tax Credit Program within the Missouri Housing Development Commission.

Said section is vetoed in its entirety from \$2,500,000 to \$0 from Coronavirus State Fiscal Recovery – Revenue Replacement Fund.
From \$2,500,000 to \$0 in total for the section.

Section 20.875

I hereby veto \$800,000 Coronavirus State Fiscal Recovery – Revenue Replacement Fund for non-profit animal abuse investigators. These funds were not included in my budget recommendations and would likely not meet the criteria for use of funds under the American Rescue Plan Act. Funding this appropriation would likely cause confusion as to who has the authority to conduct animal abuse investigations, which should be the responsibility of local law enforcement and animal health specialists, not non-profit organizations aimed at attacking agricultural producers.

Said section is vetoed in its entirety from \$800,000 to \$0 from Coronavirus State Fiscal Recovery – Revenue Replacement Fund.
From \$800,000 to \$0 in total for the section.

Section 20.879

I hereby veto \$7,500,000 Coronavirus State Fiscal Recovery – Water Infrastructure Fund for a project that serves as an urban amenity in Springfield. This funding was not part of my budget recommendations; however, this project could seek funding through other state programs. This project includes funding for a trail-linked public park space along a local waterway. The General Assembly has demonstrated its resistance to funding public trail spaces along waterways that have a statewide or regional impact, demonstrated economic return to local communities and the State, and significant citizen interest and advocacy.

Said section is vetoed in its entirety from \$7,500,000 to \$0 from Coronavirus State Fiscal Recovery – Water Infrastructure Fund.
From \$7,500,000 to \$0 in total for the section.

Section 20.895

I hereby veto \$2,800,000 Coronavirus State Fiscal Recovery – Revenue Replacement Fund for the renovation and development of a vacant commercial property. In providing for development of commercial property, this appropriation appears to grant public money to a private person or entity for non-public purposes, in violation of Article III, Section 38(a) of the Missouri Constitution. Additionally, the appropriation bill directs Department of Social Services to provide the funding for specific purposes when the Department of Social Services does not have statutory authority for such developments. Because the appropriation bill attempts to grant this substantive authority to Department of Social Services, this provision violates the single subject limitation in Article III, Section 23 of the Missouri Constitution.

Said section is vetoed in its entirety from \$2,800,000 to \$0 from Coronavirus State Fiscal Recovery – Revenue Replacement Fund.
From \$2,800,000 to \$0 for the section.

Section 20.899

I hereby veto \$1,000,000 Coronavirus State Fiscal Recovery – Revenue Replacement Fund for a Film Camp USA designated state-wide youth program. These funds were not included in my budget recommendations. This is not a good use of taxpayer funds as the cost per camper is estimated to be over \$3,200.

Said section is vetoed in its entirety from \$1,000,000 to \$0 from Coronavirus State Fiscal Recovery – Revenue Replacement Fund.
From \$1,000,000 to \$0 in total for the section.

Section 20.905

I hereby veto \$500,000,000 general revenue for the transfer to the Tax Credit Offset Fund. The appropriation bill directs that funds be transferred from general revenue to the Tax Credit Offset Fund, but contains no language authorizing the expenditure of any funds out of the Tax Credit Offset Fund. Because the General Assembly did not authorize the expenditure of funds out of the Tax Credit Offset Fund, the withdrawal of these funds would likely violate Article IV, Section 28 of the Missouri Constitution. *See State ex rel. S.S. Kresge Co. v. Howard*, 208 S.W.2d 247, 251 (Mo banc. 1947).

Said section is vetoed in its entirety from \$500,000,000 to \$0 from general revenue.
From \$500,000,000 to \$0 in total for the section.

On June 30, 2022, I approved said **Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 3020**, except for those items specifically vetoed and not approved.

Respectfully submitted,

/s/ Michael L. Parson
Governor

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

SIXTY-SEVENTH DAY, MONDAY, MAY 9, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Brad Hudson.

We ask for Your help, God.

Titus 2:11-12 says, "For the grace of God that bringeth salvation hath appeared to all men, Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world."

These can be trying times. Please help us to face the trials, temptations, and difficult decisions while recognizing that the greatest of our enemies is not some political rival or some unseen force, but rather our own untempered flesh. In the few remaining days of this regular session, may the long hours and the flurry of activity not cause us to forget the importance of kindness, patience, and grace. Soon this session will be over. Help us to conduct ourselves in a way that, when the time comes that these days are but a memory, it may be said that we did well and were good and faithful servants. In the name of Christ Jesus, I pray, and the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-sixth day was approved as printed.

HOUSE RESOLUTIONS

Representative Plocher offered **HR 5637**, which was read.

HOUSE RESOLUTION NO. 5637

WHEREAS, under Article III, Section 45 of the Constitution of Missouri, when the number of representatives to which the state is entitled in the House of the Congress of the United States under the census is certified to the governor, the general assembly shall by law divide the state into districts corresponding with the number of representatives to which it is entitled, which districts shall be composed of contiguous territory as compact and as nearly equal in population as may be; and

WHEREAS, due to the unique nature of Congressional apportionment bills, which divide the state into Congressional districts, it is necessary to adopt temporary rules for the consideration of such bills:

NOW THEREFORE BE IT RESOLVED that the Missouri House of Representatives, One Hundred First General Assembly, Second Regular Session, adopt certain temporary rules for the purpose of considering Congressional apportionment bills; and

BE IT FURTHER RESOLVED that this resolution replace House Resolution No. 3286 as adopted on January 10, 2022; and

BE IT FURTHER RESOLVED that, notwithstanding House Rule 49 or any other rule to the contrary, neither substitute amendments nor amendments to amendments shall be in order for any Congressional apportionment bill other than for technical corrections; and

BE IT FURTHER RESOLVED that, notwithstanding House Rule 99, props or visual aids that depict Congressional apportionment maps shall be permitted on the floor of the House while the House is in session and considering any Congressional apportionment bill. All such props or visual aids and the location of their display shall require approval by the Speaker; and

BE IT FURTHER RESOLVED that, notwithstanding House Rule 49(2) or any other rule to the contrary, an amendment identical to one previously decided on a Congressional apportionment bill shall be in order; and

BE IT FURTHER RESOLVED that, notwithstanding House Rule 49(4) or any other rule to the contrary, an amendment that effectually replaces the underlying Congressional apportionment bill or committee substitute shall be in order; and

BE IT FURTHER RESOLVED that any amendments to a Congressional apportionment bill shall comply with all legal requirements for apportionment and a point of order may be raised that an amendment offered would result in an unlawful apportionment; and

BE IT FURTHER RESOLVED that all other Rules of the Missouri House of Representatives, One Hundred First General Assembly, shall apply to the consideration of Congressional apportionment bills as such rules are appropriate and not in conflict with the rules adopted herein.

Representative Windham offered **House Amendment No. 1.**

House Amendment No. 1

AMEND House Resolution No. 5637, Page 1, Line 17, by inserting after all of the said line the following:

"BE IT FURTHER RESOLVED that a four-hour time limitation be designated on the total time of floor debate allowed for the purpose of considering any Congressional apportionment bill for perfection. Such time shall be divided equally between, and controlled by, the chair of the special committee on redistricting and the ranking minority member of such committee, or their respective designees. The chair of the special committee on redistricting shall have the right to have the final one minute of designated time. If time has been allocated and unused by either side after any Congressional apportionment bill has been discussed and no member from that side is seeking recognition to further discuss such bill, the Speaker may declare additional time waived and recognize the members of the other side to complete the use of their time. Nothing in this rule shall entitle any member to speak longer than the House Rules otherwise allow; and"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Windham moved that **House Amendment No. 1** be adopted.

Which motion was defeated by the following vote, the ayes and noes having been demanded by Representative Windham:

- (4) Support spouses of relocating active duty military personnel;
- (5) Enhance the exchange of licensure, investigative and disciplinary information between member states;
- (6) Allow a remote state to hold a provider of services with a compact privilege in that state accountable to that state's practice standards; and
- (7) Allow for the use of telehealth technology to facilitate increased access to audiology and speech-language pathology services.

345.180. As used in this Compact, and except as otherwise provided, the following definitions shall apply:

- (1) "Active duty military" means full-time duty status in the active uniformed service of the United States, including members of the National Guard and Reserve on active duty orders pursuant to 10 U.S.C. Chapter 1209 and 1211.

The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.

2. Any state that joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. 4. Nothing contained in this Compact shall be construed to invalidate or prevent any audiology or speech-language pathology licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with the provisions of this Compact.

5. This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

345.235. This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any member state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any member state, the Compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

345.240. 1. Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with the Compact.

2. All laws in a member state in conflict with the Compact are superseded to the extent of the conflict.

3. All lawful actions of the Commission, including all rules and bylaws promulgated by the Commission, are binding upon the member states.

4. All agreements between the Commission and the member states are binding in accordance with their terms.

5. In the event any provision of the Compact exceeds the constitutional limits imposed on the legislature of any member state, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state."; and

to
House Amendment No. 1

AMEND House Amendment No. 1 to House Committee Substitute for Senate Substitute for Senate Bill No. 690, Page 1, Line 30, by inserting after all of said line the following:

"Further amend said bill, Page 80, Section 210.921, Line 41, by inserting after all of the said section and line the following:

"217.940. 1. This act establishes the "Correctional Center Nursery Program". The department of corrections shall, subject to appropriations, establish a correctional center nursery in one or more of the correctional centers for women operated by the department, no later than July 1, 2025. The purpose of the correctional center nursery program is for bonding and unification between the mother and child. The program shall allow eligible inmates and children born from them while in the custody of the department to reside together in the institution for up to eighteen months post-delivery. In establishing this program, neither the inmate's participation in the program nor any provision of sections 217.940 to 217.947 shall affect, modify, or interfere with the inmate's custodial rights to the child nor does it establish legal custody of the child with the department.

2. As used in sections 217.940 to 217.947, the following terms shall mean:

- (1) "Correctional center nursery program", the program authorized by sections 217.940 to 217.947;**
- (2) "Department", the department of corrections;**
- (3) "Public assistance", all forms of assistance, including monetary assistance from any public source paid either to the mother or child or any other person on behalf of the child;**
- (4) "Support", the payment of money, including interest:**
 - (a) For a child or spouse ordered by a court of competent jurisdiction, whether the payment is ordered in an emergency, temporary, permanent, or modified order, the amount of unpaid support shall bear simple interest from the date it accrued, at a rate of ten dollars upon one hundred dollars per annum, and proportionately for a greater or lesser sum, or for a longer or shorter time;**
 - (b) To third parties on behalf of a child or spouse, including, but not limited to, payments to medical, dental or educational providers, payments to insurers for health and hospitalization insurance, payments of residential rent or mortgage payments, payments on an automobile, or payments for day care; or**
 - (c) For a mother, ordered by a court of competent jurisdiction, for the necessary expenses incurred by or for the mother in connection with her confinement or of other expenses in connection with the pregnancy of the mother.**

217.941. 1. An inmate is eligible to participate in the correctional center nursery program if:

- (1) She delivers the child while in the custody of the department;**
- (2) She is expected to give birth or gives birth on or after the date the program is implemented;**
- (3) She has a presumptive release date established by the parole board of eighteen months or less from the date she applies to participate in the program;**
- (4) She has not pled guilty to or been convicted of a dangerous felony as defined in section 556.061;**
- (5) She has not pled guilty to or been convicted of any sexual offense contained in chapter 566 where the victim of the crime was a minor;**
- (6) She has not pled guilty to or been convicted of an offense against the family contained in chapter 568, excluding criminal nonsupport; and**
- (7) She and the child meet any other criteria established by the department.**

2. Placement into the program shall be by internal classification of the department. A sentencing court is without jurisdiction to order a placement of an inmate into the program.

3. Program capacity shall be determined by the department.

4. Upon first release of the mother and child, the child shall not be eligible to return to the program if the mother is revoked or receives a new assignment to the department of corrections.

217.942. 1. To participate in the correctional center nursery program, each eligible inmate selected by the department shall agree in writing to:

(1) Comply with all department policies, procedures and other requirements related to the corrections nursery program and rules that apply to all incarcerated offenders generally;

(2) If eligible, have the child participate in the state children's health insurance program under sections 208.631 to 208.658;

(3) Abide by any court decisions regarding the allocation of parental rights and responsibilities with respect to the child; and

(4) Specify with whom the child is to be placed in the event the inmate's participation in the program is terminated for a reason other than release from imprisonment.

2. The department shall be required to establish policy for the operation of the program.

217.943. An inmate's participation in the correctional center nursery program may be terminated by the department if one of the following occurs:

(1) The inmate fails to comply with the agreement entered into under section 217.942;

(2) The inmate violates an institutional rule that results in alternative housing placement outside of the area designated for the program;

(3) The inmate's child becomes seriously ill, cannot receive the necessary medical care, or otherwise cannot safely participate in the program;

(4) A court of competent jurisdiction grants custody of the child to a person other than the inmate;

(5) A court of competent jurisdiction issues an order granting joint custody of the child;

(6) A court of competent jurisdiction issues an order regarding the child granting temporary, permanent, or legal custody of the child to a person other than the inmate, or to a public children services agency or private child placing agency; or

(7) The inmate is released from imprisonment.

217.944. 1. The division of child support enforcement shall collect support payments made pursuant to the assignment and forward them to the department for deposit into the inmate's inmate banking account.

2. The department may accept monetary and property donations on behalf of the program.

3. All donations accepted by the department for the correctional center nursery program shall be used solely for any expenses relating to the operation and maintenance of the program.

4. No donations of property shall be made on behalf of one particular inmate or child to be used while incarcerated.

5. Financial donations, public assistance, or support for a specific inmate or child shall be made through the inmate banking system.

217.945. 1. There is hereby created in the state treasury the "Correctional Center Nursery Program Fund", which shall consist of money collected under this section and section 217.944 as well as any appropriations made by the general assembly. The department shall obtain sufficient resources to initiate and maintain the program and may accept gifts, grants, and donations of any kind. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and money in the fund shall be used solely by the department for the purposes of operating and maintaining sections 217.940 to 217.947.

2. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

3. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

217.946. Notwithstanding any other provision of law to contrary, neither the correctional center nursery program nor the department, with respect to the program, is subject to any regulation, licensing or oversight by the department of health and senior services, department of social services, children's division, juvenile officer of any jurisdiction or the office of childhood unless the department voluntarily agrees to services, regulation, licensing, or oversight from any of the aforementioned entities.

217.947. In addition to the general sovereign or governmental tort immunity bestowed upon public entities in section 537.600, the department and its employees shall be immune from any suit or liability brought by or on behalf of children who participated in the correctional center nursery program for any injuries or damages arising from correctional facility conditions. A motor vehicle operated by an employee of the Missouri department of corrections who unintentionally causes injury or death to a child resident of the correctional center nursery shall not be liable."; and"; and

4. The facility shall inform, in writing, residents and patients who have not been adjudged incapacitated under chapter 475, or guardians or legal representatives of residents or patients, of the "Essential Caregiver Program" and the process for designating an essential caregiver.

5. The department shall develop standards and guidelines concerning the essential caregiver program, including, but not limited to, the following:

(1) The facility shall allow at least two individuals per resident or patient to be designated as essential caregivers, although the facility may limit the in-person contact to one caregiver at a time. The caregiver shall not be required to have previously served in a caregiver capacity prior to the declared state of emergency;

(2) The facility shall establish a reasonable in-person contact schedule to allow the essential caregiver to provide care to the resident or patient for at least four hours each day, including evenings, weekends, and holidays, but shall allow for twenty-four-hour in-person care as necessary and appropriate for the well-being of the resident or patient. The essential caregiver shall be permitted to leave and return during the scheduled hours or be replaced by another essential caregiver;

The department may deny the facility's request to suspend in-person contact with essential caregivers if the department determines that such in-person contact does not pose a serious community health risk. A facility may request from the department an extension of a suspension for more than seven days; provided, that the department shall not approve an extension period for longer than seven days at a time. A facility shall not suspend in-person caregiver contact for more than fourteen consecutive days in a twelve-month period or for more than forty-five total days in a twelve-month period.

(2) The department shall suspend in-person contact by essential caregivers under this section if it determines that doing so is required under federal law, including a determination that federal law requires a suspension of in-person contact by members of the resident's or patient's care team.

(3) The attorney general shall institute all suits necessary on behalf of the state to defend the right of the state to implement the provisions of this section to ensure access by residents and patients to essential caregivers as part of their care team.

7. The provisions of this section shall not be construed to require an essential caregiver to provide necessary care to a resident or patient and a facility shall not require an essential caregiver to provide necessary care.

8. The provisions of this section shall not apply to those residents or patients whose particular plan of therapeutic care and treatment necessitates restricted or otherwise limited visitation for reasons unrelated to the stated reasons for the declared state emergency.

9. A facility, its employees, and its contractors shall be immune from civil liability for an injury or harm caused by or resulting from:

(1) Exposure to a contagious disease or other harmful agent that is specified during the state of emergency declared pursuant to chapter 44; or

(2) Acts or omissions by essential caregivers who are present in the facility;

3. The facility shall inform, in writing, residents and clients who have not been adjudged incapacitated under chapter 475, or guardians or legal representatives of residents or clients, of the "Essential Caregiver Program" and the process for designating an essential caregiver.

4. The department shall develop standards and guidelines concerning the essential caregiver program, including, but not limited to, the following:

- (1) The facility shall allow at least two individuals per resident or client to be designated as essential caregivers, although the facility may limit the in-person contact to one caregiver at a time. The caregiver shall not be required to have previously served in a caregiver capacity prior to the declared state of emergency;

- (2) The facility shall establish a reasonable in-person contact schedule to allow the essential caregiver to provide care to the resident or client for at least four hours each day, including evenings, weekends, and holidays, but shall allow for twenty-four-hour in-person care as necessary and appropriate for the well-being of the resident or client and consistent with the safety and security of the facility's staff and other residents or clients. A facility may request from the department an extension of a suspension for more than seven days; provided, that the department shall not approve an extension period for longer than seven days at a time. A facility shall not suspend in-person caregiver visitation for more than fourteen consecutive days in a twelve-month period or for more than forty-five total days in a twelve-month period.

(3) The attorney general shall institute all suits necessary on behalf of the state to defend the right of the state to implement the provisions of this section to ensure access by residents and clients to essential caregivers as part of their care team.

6. The provisions of this section shall not be construed to require an essential caregiver to provide necessary care to a resident or client and a facility shall not require an essential caregiver to provide necessary care.

7. The provisions of this section shall not apply to those residents or clients whose particular plan of therapeutic care and treatment necessitates restricted or otherwise limited visitation for reasons unrelated to the stated reason for the declared state of emergency.

"217.940. 1. This act establishes the "Correctional Center Nursery Program". The department of corrections shall, subject to appropriations, establish a correctional center nursery in one or more of the correctional centers for women operated by the department, no later than July 1, 2025. The purpose of the correctional center nursery program is for bonding and unification between the mother and child. The program shall allow eligible inmates and children born from them while in the custody of the department to reside together in the institution for up to eighteen months post-delivery. In establishing this program, neither the inmate's participation in the program nor any provision of sections 217.940 to 217.947 shall affect, modify, or interfere with the inmate's custodial rights to the child nor does it establish legal custody of the child with the department.

2. As used in sections 217.940 to 217.947, the following terms shall mean:

(1) "Correctional center nursery program", the program authorized by sections 217.940 to 217.947;

(2) "Department", the department of corrections;

(3) "Public assistance", all forms of assistance, including monetary assistance from any public source paid either to the mother or child or any other person on behalf of the child;

(4) "Support", the payment of money, including interest:

(a) For a child or spouse ordered by a court of competent jurisdiction, whether the payment is ordered in an emergency, temporary, permanent, or modified order, the amount of unpaid support shall bear simple interest from the date it accrued, at a rate of ten dollars upon one hundred dollars per annum, and proportionately for a greater or lesser sum, or for a longer or shorter time;

(b) To third parties on behalf of a child or spouse, including, but not limited to, payments to medical, dental or educational providers, payments to insurers for health and hospitalization insurance, payments of residential rent or mortgage payments, payments on an automobile, or payments for day care; or

(c) For a mother, ordered by a court of competent jurisdiction, for the necessary expenses incurred by or for the mother in connection with her confinement or of other expenses in connection with the pregnancy of the mother.

217.941. 1. An inmate is eligible to participate in the correctional center nursery program if:

(1) She delivers the child while in the custody of the department;

(2) She is expected to give birth or gives birth on or after the date the program is implemented;

(3) She has a presumptive release date established by the parole board of eighteen months or less from the date she applies to participate in the program;

(4) She has not pled guilty to or been convicted of a dangerous felony as defined in section 556.061;

(5) She has not pled guilty to or been convicted of any sexual offense contained in chapter 566 where the victim of the crime was a minor;

(6) She has not pled guilty to or been convicted of an offense against the family contained in chapter 568, excluding criminal nonsupport; and

(7) She and the child meet any other criteria established by the department.

2. Placement into the program shall be by internal classification of the department. A sentencing court is without jurisdiction to order a placement of an inmate into the program.

3. Program capacity shall be determined by the department.

4. Upon first release of the mother and child, the child shall not be eligible to return to the program if the mother is revoked or receives a new assignment to the department of corrections.

217.942. 1. To participate in the correctional center nursery program, each eligible inmate selected by the department shall agree in writing to:

(1) Comply with all department policies, procedures and other requirements related to the corrections nursery program and rules that apply to all incarcerated offenders generally;

(2) If eligible, have the child participate in the state children's health insurance program under sections 208.631 to 208.658;

(3) Abide by any court decisions regarding the allocation of parental rights and responsibilities with respect to the child; and

(4) Specify with whom the child is to be placed in the event the inmate's participation in the program is terminated for a reason other than release from imprisonment.

2. The department shall be required to establish policy for the operation of the program.

217.943. An inmate's participation in the correctional center nursery program may be terminated by the department if one of the following occurs:

(1) The inmate fails to comply with the agreement entered into under section 217.942;

(2) The inmate violates an institutional rule that results in alternative housing placement outside of the area designated for the program;

(3) The inmate's child becomes seriously ill, cannot receive the necessary medical care, or otherwise cannot safely participate in the program;

(4) A court of competent jurisdiction grants custody of the child to a person other than the inmate;

(5) A court of competent jurisdiction issues an order regarding the child granting temporary, permanent, or legal custody of the child to a person other than the inmate, or to a public children services agency or private child placing agency; or

(6) The inmate is released from imprisonment.

217.944. 1. The division of child support enforcement shall collect support payments made pursuant to the assignment and forward them to the department for deposit into the inmate's inmate banking account.

2. The department may accept monetary and property donations on behalf of the program.

3. All donations accepted by the department for the correctional center nursery program shall be used solely for any expenses relating to the operation and maintenance of the program.

4. No donations of property shall be made on behalf of one particular inmate or child to be used while incarcerated.

5. Financial donations, public assistance, or support for a specific inmate or child shall be made through the inmate banking system.

217.945. 1. There is hereby created in the state treasury the "Correctional Center Nursery Program Fund", which shall consist of money collected under this section and section 217.944 as well as any appropriations made by the general assembly. The department shall obtain sufficient resources to initiate and maintain the program and may accept gifts, grants, and donations of any kind. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and money in the fund shall be used solely by the department for the purposes of operating and maintaining sections 217.940 to 217.947.

2. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

3. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

217.946. Notwithstanding any other provision of law to contrary, neither the correctional center nursery program nor the department, with respect to the program, is subject to any regulation, licensing or oversight by the department of health and senior services, department of social services, children's division, juvenile officer of any jurisdiction or the office of childhood unless the department voluntarily agrees to services, regulation, licensing, or oversight from any of the aforementioned entities.

217.947. The operation of a correctional center nursery program established under sections 217.940 to 217.947 and the presence of children of inmates participating in the correctional center nursery program shall not be considered a dangerous condition that would result in a waiver of sovereign immunity under section 537.600. The sovereign immunity provisions under section 537.600 and any other statute regarding the sovereign immunity of the state or public entities in existence as of August 28, 2022, shall remain in effect and shall be applied in the same manner as such provisions were applied prior to the establishment of the correctional center nursery program under sections 217.940 to 217.947."; and"; and

8. A licensee providing audiology or speech-language pathology services in a remote state under the compact privilege shall function within the laws and regulations of the remote state.

9. A licensee providing audiology or speech-language pathology services in a remote state is subject to that state's regulatory authority. A remote state may, in accordance with due process and that state's laws, remove a licensee's compact privilege in the remote state for a specific period of time, impose fines, and/or take any other necessary actions to protect the health and safety of its citizens.

10. If a home state license is encumbered, the licensee shall lose the compact privilege in any remote state until the following occur:

- (1) The home state license is no longer encumbered; and
- (2) Two years have elapsed from the date of the adverse action.

11. Once an encumbered license in the home state is restored to good standing, the licensee must meet the requirements of subsection 1 of this section to obtain a compact privilege in any remote state.

12. Once the requirements of subsection 10 of this section have been met, the licensee must meet the requirements in subsection 1 of this section to obtain a compact privilege in a remote state.

345.195. Member states shall recognize the right of an audiologist or speech-language pathologist, licensed by a home state in accordance with section 345.185 and under rules promulgated by the Commission, to practice audiology or speech-language pathology in any member state via telehealth under a privilege to practice as provided in the Compact and rules promulgated by the Commission.

345.200. Active duty military personnel, or their spouse, shall designate a home state where the individual has a current license in good standing. The individual may retain the home state designation during the period the service member is on active duty. Subsequent to designating a home state, the individual shall only change their home state through application for licensure in the new state.

345.205. 1. In addition to the other powers conferred by state law, a remote state shall have the authority, in accordance with existing state due process law, to:

(1) Take adverse action against an audiologist's or speech-language pathologist's privilege to practice within that member state.

(2) Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing board in a member state for the attendance and testimony of witnesses or the production of evidence from another member state shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state in which the witnesses or evidence are located.

(3) Only the home state shall have the power to take adverse action against an audiologist's or speech-language pathologist's license issued by the home state.

2. For purposes of taking adverse action, the home state shall give the same priority and effect to reported conduct received from a member state as it would if the conduct had occurred within the home state. In so doing, the home state shall apply its own state laws to determine appropriate action.

3. The home state shall complete any pending investigations of an audiologist or speech-language pathologist who changes primary state of residence during the course of the investigations. The home state shall also have the authority to take appropriate action or actions and shall promptly report the conclusions of the investigations to the administrator of the data system. The administrator of the coordinated licensure information system shall promptly notify the new home state of any adverse actions.

4. If otherwise permitted by state law, the member state may recover from the affected audiologist or speech-language pathologist the costs of investigations and disposition of cases resulting from any adverse action taken against that audiologist or speech-language pathologist.

5. The member state may take adverse action based on the factual findings of the remote state, provided that the member state follows the member state's own procedures for taking the adverse action.

6. (1) In addition to the authority granted to a member state by its respective audiology or speech-language pathology practice act or other applicable state law, any member state may participate with other member states in joint investigations of licensees.

(2) Member states shall share any investigative, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under the Compact.

7. If adverse action is taken by the home state against an audiologist's or speech language pathologist's license, the audiologist's or speech-language pathologist's privilege to practice in all other member states shall be deactivated until all encumbrances have been removed from the state license. All home state disciplinary orders that impose adverse action against an audiologist's or speech language pathologist's license shall include a statement that the audiologist's or speech-language pathologist's privilege to practice is deactivated in all member states during the pendency of the order.

8. If a member state takes adverse action, it shall promptly notify the administrator of the data system. The administrator of the data system shall promptly notify the home state of any adverse actions by remote states.

9. Nothing in this Compact shall override a member state's decision that participation in an alternative program may be used in lieu of adverse action.

345.210. 1. The Compact member states hereby create and establish a joint public agency known as the Audiology and Speech-Language Pathology Compact Commission:

(1) The Commission is an instrumentality of the Compact states.

(2) Venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings.

(3) Nothing in this Compact shall be construed to be a waiver of sovereign immunity.

2. (1) Each member state shall have two (2) delegates selected by that member state's licensing board. The delegates shall be current members of the licensing board. One shall be an audiologist and one shall be a speech-language pathologist.

(2) An additional five (5) delegates, who are either a public member or board administrator from a state licensing board, shall be chosen by the Executive Committee from a pool of nominees provided by the Commission at Large.

(3) Any delegate may be removed or suspended from office as provided by the law of the state from which the delegate is appointed.

(4) The member state board shall fill any vacancy occurring on the Commission, within 90 days.

(5) Each delegate shall be entitled to one (1) vote with regard to the promulgation of rules and creation of bylaws and shall otherwise have an opportunity to participate in the business and affairs of the Commission.

(6) A delegate shall vote in person or by other means as provided in the bylaws. The bylaws may provide for delegates' participation in meetings by telephone or other means of communication.

(7) The Commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the bylaws.

3. The Commission shall have the following powers and duties:

(1) Establish the fiscal year of the Commission;

(2) Establish bylaws;

(3) Establish a Code of Ethics;

(4) Maintain its financial records in accordance with the bylaws;

(5) Meet and take actions as are consistent with the provisions of this Compact and the bylaws;

(6) Promulgate uniform rules to facilitate and coordinate implementation and administration of this Compact. The rules shall have the force and effect of law and shall be binding in all member states;

(7) Bring and prosecute legal proceedings or actions in the name of the Commission, provided that the standing of any state audiology or speech-language pathology licensing board to sue or be sued under applicable law shall not be affected;

(8) Purchase and maintain insurance and bonds;

(9) Borrow, accept, or contract for services of personnel, including, but not limited to, employees of a member state;

(10) Hire employees, elect or appoint officers, fix compensation, define duties, grant individuals appropriate authority to carry out the purposes of the Compact, and to establish the Commission's personnel policies and programs relating to conflicts of interest, qualifications of personnel, and other related personnel matters;

(11) Accept any and all appropriate donations and grants of money, equipment, supplies, materials and services, and to receive, utilize and dispose of the same; provided that at all times the Commission shall avoid any appearance of impropriety and/or conflict of interest;

(12) Lease, purchase, accept appropriate gifts or donations of, or otherwise to own, hold, improve or use, any property, real, personal or mixed; provided that at all times the Commission shall avoid any appearance of impropriety;

(13) Sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property real, personal, or mixed;

(14) Establish a budget and make expenditures;

(15) Borrow money;

(16) Appoint committees, including standing committees composed of members, and other interested persons as may be designated in this Compact and the bylaws;

(17) Provide and receive information from, and cooperate with, law enforcement agencies;

(19) Perform other functions as may be necessary or appropriate to achieve the purposes of this Compact consistent with the state regulation of audiology and speech-language pathology licensure and practice.

4. The Executive Committee shall have the power to act on behalf of the Commission according to the terms of this Compact:

(1) The Executive Committee shall be composed of ten (10) members:

(a) Seven (7) voting members who are elected by the Commission from the current membership of the Commission;

(b) Two (2) ex-officios, consisting of one nonvoting member from a recognized national audiology professional association and one nonvoting member from a recognized national speech-language pathology association; and

(c) One (1) ex-officio, nonvoting member from the recognized membership organization of the audiology and speech-language pathology licensing boards.

5. The ex-officio members shall be selected by their respective organizations.

(1) The Commission may remove any member of the Executive Committee as provided in bylaws.

(2) The Executive Committee shall meet at least annually.

(3) The Executive Committee shall have the following duties and responsibilities:

(a) Recommend to the entire Commission changes to the rules or bylaws, changes to this Compact legislation, fees paid by Compact member states such as annual dues, and any commission Compact fee charged to licensees for the compact privilege;

(g) Other duties as provided in rules or bylaws.

(4) All meetings shall be open to the public, and public notice of meetings shall be given in the same manner as required under the rulemaking provisions in section 345.220.

(5) The Commission or the Executive Committee or other committees of the Commission may convene in a closed, non-public meeting if the Commission or Executive Committee or other committees of the Commission must discuss:

- (c) Current, threatened, or reasonably anticipated litigation;

(6) If a meeting, or portion of a meeting, is closed pursuant to this provision, the Commission's legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exempting provision.

(7) The Commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefore, including a description of the views expressed. All documents considered in connection with an action shall be identified in minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the Commission or order of a court of competent jurisdiction.

(8) (a) The Commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization, and ongoing activities.

(b) The Commission may accept any and all appropriate revenue sources, donations, and grants of money, equipment, supplies, materials, and services.

(c) The Commission may levy on and collect an annual assessment from each member state or impose fees on other parties to cover the cost of the operations and activities of the Commission and its staff, which must be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Commission, which shall promulgate a rule binding upon all member states.

(9) The Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Commission pledge the credit of any of the member states, except by and with the authority of the member state.

(10) The Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the Commission.

6. (1) The members, officers, executive director, employees and representatives of the Commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities; provided that nothing in this subdivision shall be construed to protect any person from suit and/or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person.

(2) The Commission shall defend any member, officer, executive director, employee or representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities; provided that nothing

herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The Commission shall indemnify and hold harmless any member, officer, executive director, employee, or representative of the Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that person had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

345.215. 1. The Commission shall provide for the development, maintenance, and utilization of a coordinated database and reporting system containing licensure, adverse action, and investigative information on all licensed individuals in member states.

2. Notwithstanding any other provision of state law to the contrary, a member state shall submit a uniform data set to the data system on all individuals to whom this Compact is applicable as required by the rules of the Commission, including:

- (1) Identifying information;
- (2) Licensure data;
- (3) Adverse actions against a license or compact privilege;
- (4) Non-confidential information related to alternative program participation;
- (5) Any denial of application for licensure, and the reason or reasons for denial; and
- (6) Other information that may facilitate the administration of this Compact, as determined by the rules of the Commission.

3. Investigative information pertaining to a licensee in any member state shall only be available to other member states.

4. The Commission shall promptly notify all member states of any adverse action taken against a licensee or an individual applying for a license. Adverse action information pertaining to a licensee in any member state shall be available to any other member state.

5. Member states contributing information to the data system may designate information that may not be shared with the public without the express permission of the contributing state.

6. Any information submitted to the data system that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the data system.

345.220. 1. The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this Section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

2. If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within 4 years of the date of adoption of the rule, the rule shall have no further force and effect in any member state.

3. Rules or amendments to the rules shall be adopted at a regular or special meeting of the Commission.

4. Prior to promulgation and adoption of a final rule or rules by the Commission, and at least thirty (30) days in advance of the meeting at which the rule shall be considered and voted upon, the Commission shall file a Notice of Proposed Rulemaking:

- (1) On the website of the Commission or other publicly accessible platform; and
- (2) On the website of each member state audiology or speech-language pathology licensing board or other publicly accessible platform or the publication in which each state would otherwise publish proposed rules.

5. The Notice of Proposed Rulemaking shall include:

- (1) The proposed time, date, and location of the meeting in which the rule shall be considered and voted upon;
- (2) The text of the proposed rule or amendment and the reason for the proposed rule;
- (3) A request for comments on the proposed rule from any interested person; and
- (4) The manner in which interested persons may submit notice to the Commission of their intention to attend the public hearing and any written comments.

6. Prior to the adoption of a proposed rule, the Commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.

7. The Commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

- (1) At least twenty-five (25) persons;
- (2) A state or federal governmental subdivision or agency; or
- (3) An association having at least twenty-five (25) members.

8. If a hearing is held on the proposed rule or amendment, the Commission shall publish the place, time, and date of the scheduled public hearing. If the hearing is held via electronic means, the Commission shall publish the mechanism for access to the electronic hearing.

(1) All persons wishing to be heard at the hearing shall notify the executive director of the Commission or other designated member in writing of their desire to appear and testify at the hearing not less than five (5) business days before the scheduled date of the hearing.

(2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(3) All hearings shall be recorded. A copy of the recording shall be made available on request.

(4) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the Commission at hearings required by this section.

9. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the Commission shall consider all written and oral comments received.

10. If no written notice of intent to attend the public hearing by interested parties is received, the Commission may proceed with promulgation of the proposed rule without a public hearing.

11. The Commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

12. Upon determination that an emergency exists, the Commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rulemaking procedures provided in the Compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

- (1) Meet an imminent threat to public health, safety, or welfare;
- (2) Prevent a loss of Commission or member state funds; or
- (3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule.

13. The Commission or an authorized committee of the Commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the Commission prior to the end of the notice period. If no challenge is made, the revision shall take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

345.225. 1. (1) Upon request by a member state, the Commission shall attempt to resolve disputes related to the Compact that arise among member states and between member and non-member states.

(2) The Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

2. (1) The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this Compact.

(2) By majority vote, the Commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices against a member state in default to enforce compliance with the provisions of the Compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of litigation, including reasonable attorney's fees.

(3) The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or state law.

345.230. 1. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the 10th member state. The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of rules. Thereafter, the

Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.

2. Any state that joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.

3. Any member state may withdraw from this Compact by enacting a statute repealing the same.

(1) A member state's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.

(2) Withdrawal shall not affect the continuing requirement of the withdrawing state's audiology or speech-language pathology licensing board to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

4. Nothing contained in this Compact shall be construed to invalidate or prevent any audiology or speech-language pathology licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with the provisions of this Compact.

5. This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

345.235. This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any member state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any member state, the Compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

345.240. 1. Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with the Compact.

2. All laws in a member state in conflict with the Compact are superseded to the extent of the conflict.

3. All lawful actions of the Commission, including all rules and bylaws promulgated by the Commission, are binding upon the member states.

4. All agreements between the Commission and the member states are binding in accordance with their terms.

5. In the event any provision of the Compact exceeds the constitutional limits imposed on the legislature of any member state, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state."; and

3. After supplying all information necessary for the registration records, each applicant who appears in person before the election authority shall swear or affirm the statements on the registration application by signing his or her full name, witnessed by the signature of the election authority or such authority's deputy registration official. "115.163. 1. Each election authority shall use the Missouri voter registration system established by section 115.158 to prepare a list of legally registered voters for each precinct. The list shall be arranged alphabetically or by street address as the election authority determines and shall be known as the precinct register. The precinct registers shall be kept by the election authority in a secure place, except when given to election judges for use at an election. Except as provided in subsection 6 of section 115.157, all registration records shall be open to inspection by the public at all reasonable times.

2. A new precinct register shall be prepared by the election authority prior to each election.

3. **(1)** The election authority shall send to each voter, except those who registered by mail and have not voted, a voter identification card no later than ninety days prior to the date of a primary or general election for federal office, unless the voter has received such a card during the preceding six months. The election authority shall send to each voter who registered by mail and has not voted the verification notice required under section 115.155 no later than ninety days prior to the date of a primary or general election for federal office.

(2) The voter identification card shall contain the voter's name, address, **political party affiliation**, and precinct. The card also shall inform the voter of the personal identification requirement in section 115.427 and may also contain other voting information at the discretion of the election authority.

(3) The voter identification card shall be sent to a voter, except those who registered by mail and have not voted, after a new registration or a change of address. If any voter, except those who registered by mail and have not voted, shall lose his **or her** voter identification card **or change political party affiliation**, he **or she** may request a new ~~[one]~~ card from the election authority.

(4) The voter identification card authorized pursuant to this section may be used as a canvass of voters in lieu of the provisions set out in sections 115.179 to 115.193.

(5) Except as provided in subsection 2 of section 115.157, anyone, upon request and payment of a reasonable fee, may obtain a printout, list and/or computer tape of those newly registered voters or voters deleted from the voting rolls, since the last canvass or updating of the rolls.

The election authority shall not be required to mail a voter registration card to those voters whose addresses are incorrect. Confirmation notices to such voters required by section 115.193 shall be sent to the corrected address provided by the National Change of Address program."; and

Further amend said bill, Page 22, Section 115.165, Line 61, by inserting after all of said line the following:

"115.168. 1. If a registered voter chooses to change his or her political party affiliation, the voter may notify the election authority of such change. Any change of political party affiliation shall be made by signed, written notice in substantially the same manner as a change of address application is filed under section 115.165.

2. For purposes of this section, the phrase "change his or her political party affiliation" shall mean changing affiliation from one established political party to another established political party, changing from affiliation with an established political party to unaffiliated, or changing from unaffiliated to affiliation with an established political party."; and

Further amend said bill, Page 72, Section 115.447, Line 34, by inserting after all of said line the following:

2. Local election authorities shall notify registered voters of the political party affiliation opportunities of this section using all current election mailings that would otherwise be mailed to registered voters prior to January 1, 2025.

3. Beginning January 1, 2023, the voter registration application form shall be amended to include a choice of political party affiliation.

4. Notwithstanding any other provision of law to the contrary, beginning January 1, 2023, voters may declare political party affiliation during the voter check-in process at any election. Appropriate software shall be provided at voter check-in for political party affiliation so as to minimize later data entry for election authorities. If the election authority does not use electronic poll books, then a signed, written notice in substantially the same manner as a change of address application is filed under section 115.165 is adequate. The election authority shall process this initial political party registration through its normal means of administration.

5. Notwithstanding any other provision of law to the contrary, all current processes for registering voters in the various counties shall remain in place."; and

"Section 2. 1. As used in this section, the term "public official" means any elected or appointed officer, employee, or agent of the state or any political subdivision, board, commission, bureau, or other public body established by law.

2. In any civil action in a state or federal court, no public official, including any attorney representing or acting on behalf of a public official, has any authority to compromise or settle an action, consent to any condition, or agree to any order in connection therewith if the compromise, settlement, condition, or order nullifies, suspends, enjoins, alters, or conflicts with any provision of chapters 115 to 128.

3. Any compromise, settlement, condition, or order to which a public official agrees that conflicts with subsection 2 of this section is void and has no legal effect.

4. Nothing in this section shall be construed to limit or otherwise restrict any powers granted by articles III or VIII of the Constitution of Missouri.

5. When a party to an action in state or federal court challenges the constitutionality of a statute facially or as applied, challenges a statute as violating or preempted by federal law, or otherwise challenges the construction or validity of a statute, as part of a claim or affirmative defense, that party shall provide a copy of the pleading to the speaker of the house of representatives and the president pro tempore of the senate within fourteen days of filing the pleading with the court. The speaker of the house of representatives and the president pro tempore of the senate may intervene to defend against the action at any time in the action as a matter of right by serving motion upon the parties as provided by applicable rules of civil procedure.

6. The speaker of the house of representatives may intervene at any time in an action on behalf of the house of representatives. The speaker may obtain legal counsel other than from the attorney general, with the cost of representation paid from funds appropriated for that purpose, to represent the house of representatives in any action in which the speaker intervenes.

8. The president pro tempore of the senate and the speaker of the house of representatives, acting jointly, may intervene at any time in an action on behalf of the general assembly. The president pro tempore and the speaker, acting jointly, may obtain legal counsel other than from the attorney general, with the cost of representation paid from funds appropriated for that purpose, to represent the general assembly in any action in which the president pro tempore and speaker jointly intervene.

9. No individual member, or group of members, of the senate or of the house of representatives, except the president pro tempore and the speaker as provided under this section, shall intervene in an action described in this section or obtain legal counsel at public expense under this section in the member's or group's capacity as a member or members of the senate or the house of representatives.

10. Notwithstanding any contrary provision of law, the participation of the speaker of the house of representatives or the president pro tempore of the senate in any state or federal action, as a party or otherwise, does not constitute a waiver of the legislative immunity or legislative privilege of any member, officer, or staff of the general assembly."; and

Senate Amendment No. 10

AMEND Senate Substitute for Senate Committee Substitute for House Bill No. 1878, Pages 26-28, Section 115.237, Line, by striking all of said section and inserting in lieu thereof the following:

“115.237. 1. Each ballot printed or designed for use with an electronic voting system for any election pursuant to this chapter shall contain all questions and the names of all offices and candidates certified or filed pursuant to this chapter and no other. **Beginning January 1, 2023, the official ballot shall be a paper ballot that is hand-marked by the voter or by the voter's designee as permitted in section 115.445, unless such voter chooses to use a ballot marking device as provided in section 115.225.** As far as practicable, all questions and the names of all offices and candidates for which each voter is entitled to vote shall be printed on one page except for the ballot for political party committee persons in polling places not utilizing an electronic voting system which may be printed separately and in conformity with the requirements contained in this section. As far as practicable, ballots containing only questions and the names of nonpartisan offices and candidates shall be printed in accordance with the provisions of this section, except that the ballot information may be listed in vertical or horizontal rows. The names of candidates for each office shall be listed in the order in which they are filed.

2. In polling places using electronic voting systems, the ballot information may be arranged in vertical or horizontal rows or on a number of separate pages or screens. In any event, the name of each candidate, the candidate's party, the office for which he or she is a candidate, and each question shall be indicated clearly on the ballot.

3. Nothing in this subchapter shall be construed as prohibiting the use of a separate paper ballot for questions or for the presidential preference primary in any polling place using an electronic voting system.

4. Where electronic voting systems are used and when write-in votes are authorized by law, a write-in ballot, which may be in the form of a separate paper ballot, card, or envelope, may be provided by the election authority to permit each voter to write in the names of persons whose names do not appear on the ballot.

5. No ballot printed or designed for use with an electronic voting system for any partisan election held under this chapter shall allow a person to vote a straight political party ticket. For purposes of this subsection, a "straight political party ticket" means voting for all of the candidates for elective office who are on the ballot representing a single political party by a single selection on the ballot.

6. The secretary of state shall promulgate rules that specify uniform standards for ballot layout for each electronic or computerized ballot counting system approved under the provisions of section 115.225 so that the ballot used with any counting system is, where possible, consistent with the intent of this section. Nothing in this section shall be construed to require the format specified in this section if it does not meet the requirements of the ballot counting system used by the election authority.

7. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.”; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

SIXTY-EIGHTH DAY, TUESDAY, MAY 10, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

We know that in everything God works for good with those who love him. (Romans 8:28)

Eternal Spirit of God, the light of the minds that seek You, the life of the spirits that find You, and the love of the souls that serve You, grant us a renewal of heart as we wait upon You in this our morning prayer. By Your power make us ready for the responsibilities of this full day, equal to every experience and adequate to serve the present in this historic chamber.

The halls are full of the rumblings of discontent and disturbances which breed political mistrust. In these hours help us to keep our faith, that strong in You we may face these debates courageously and confidently, ever seeking liberty and justice and peace for all with every vote.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Elyse Luecke and Emmet Jamieson.

The Journal of the sixty-seventh day was approved as printed.

- (6) "Used exclusively", used to the exclusion of all other uses except for use not exceeding five percent of total use.

3. The application shall be filed with the authority at the end of each calendar year in which a meat processing

modernization or expansion project was completed and for which a tax credit is claimed under this section. The application shall include any certified documentation, proof of meat processing modernization or expansion, and any other information required by the authority. All required information obtained by the authority shall be confidential and not disclosed except by court order, subpoena, or as otherwise provided by law. If the taxpayer and the meat processing modernization or expansion meet all criteria required by this section and approval is granted by the authority, the authority shall issue a tax credit certificate in the appropriate amount. Tax credit certificates issued under this section may be assigned, transferred, sold, or otherwise conveyed, and the new owner of the tax credit certificate shall have the same rights in the tax credit as the original taxpayer. If a tax credit certificate is assigned, transferred, sold, or otherwise conveyed, a notarized endorsement shall be filed with the authority specifying the name and address of the new owner of the tax credit certificate and the value of the tax credit.

6. Any information provided under this section shall be confidential information, to be shared with no one except state and federal animal health officials, except as provided in subsection 5 of this section.

7. The authority shall promulgate rules establishing a process for verifying that a facility's modernization or expansion for which tax credits were allowed under this section has in fact expanded the facility's production within three years of the issuance of the tax credit and if not, the authority shall promulgate through rulemaking a process by which the taxpayer shall repay the authority an amount equal to that of the tax credit allowed.

8. The authority shall, at least annually, submit a report to the Missouri general assembly reviewing the costs and benefits of the program established under this section.

This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2016, shall be invalid and void.

2. For all tax years beginning on or after January 1, 2023, a retail dealer that sells higher ethanol blend at such retail dealer's retail service station or a distributor that sells higher ethanol blend directly to the final user located in this state shall be allowed a tax credit to be taken against the retail dealer's or distributor's state income tax liability. The amount of the credit shall equal five cents per gallon of higher ethanol blend sold by the retail dealer and dispensed through metered pumps at the retail dealer's retail service station or by a distributor directly to the final user located in this state during the tax year in which the tax credit is claimed. Tax credits authorized pursuant to this section shall not be transferred, sold, or assigned. If the amount of the tax credit exceeds the taxpayer's state tax liability, the difference shall not be refundable but may be carried forward to any of the five subsequent tax years. The total amount of tax credits authorized pursuant to this section for any given fiscal year shall not exceed five million dollars.

3. In the event the total amount of tax credits claimed under this section exceeds the amount of available tax credits, the tax credits shall be apportioned among all eligible retail dealers and distributors claiming a tax credit by April fifteenth, or as directed by section 143.851, of the fiscal year in which the tax credit is claimed.

4. The tax credit allowed by this section shall be claimed by such taxpayer at the time such taxpayer files a return and shall be applied against the income tax liability imposed by chapter 143, excluding the withholding tax imposed by sections 143.191 to 143.265, after reduction for all other credits allowed thereon. The department may require any documentation it deems necessary to implement the provisions of this section.

5. The department shall promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

6. Under section 23.253 of the Missouri sunset act:

(1) The provisions of this section shall automatically sunset on December 31, 2028, unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.

135.775. 1. As used in this section, the following terms mean:

(2) "Biodiesel fuel", a renewable, biodegradable, mono alkyl ester combustible liquid fuel that is derived from agricultural and other plant oils or animal fats and that meets the most recent version of the ASTM International D6751 Standard Specification for Biodiesel Fuel Blend Stock. A fuel shall be deemed to be biodiesel fuel if the fuel consists of a pure B100 or B99 ratio. Biodiesel produced from palm oil is not biodiesel fuel for the purposes of this section unless the palm oil is contained within waste oil and grease collected within the United States;

(3) "B99", a blend of ninety-nine percent biodiesel fuel that meets the most recent version of the ASTM International D6751 Standard Specification for Biodiesel Fuel Blend Stock with a minimum of one-tenth of one percent and maximum of one percent diesel fuel that meets the most recent version of the ASTM International D975 Standard Specification for Diesel Fuel;

(4) "Department", the Missouri department of revenue;

(5) "Distributor", a person, firm, or corporation doing business in this state that:

(a) Produces, refines, blends, compounds, or manufactures motor fuel;

(b) Imports motor fuel into the state; or

(c) Is engaged in distribution of motor fuel;

(6) "Retail dealer", a person, firm, or corporation doing business in this state that owns or operates a retail service station in this state;

(7) "Retail service station", a location in this state from which biodiesel blend is sold to the general public and is dispensed directly into motor vehicle fuel tanks for consumption at retail.

2. For all tax years beginning on or after January 1, 2023, a retail dealer that sells a biodiesel blend at a retail service station or a distributor that sells a biodiesel blend directly to the final user located in this state shall be allowed a tax credit to be taken against the retail dealer or distributor's state income tax liability. The amount of the credit shall be equal to:

(1) Two cents per gallon of biodiesel blend of at least five percent but not more than ten percent sold by the retail dealer at a retail service station or by a distributor directly to the final user located in this state during the tax year in which the tax credit is claimed; and

(2) Five cents per gallon of biodiesel blend in excess of ten percent but not more than twenty percent sold by the retail dealer at a retail service station or by a distributor directly to the final user located in this state during the tax year in which the tax credit is claimed.

3. Tax credits authorized under this section shall not be transferred, sold, or assigned. If the amount of the tax credit exceeds the taxpayer's state tax liability, the difference shall be refundable. The total amount of tax credits authorized under this section for any given fiscal year shall not exceed sixteen million dollars.

4. In the event the total amount of tax credits claimed under this section exceeds the amount of available tax credits, the tax credits shall be apportioned among all eligible retail dealers and distributors claiming a tax credit by April fifteenth, or as directed by section 143.851, of the fiscal year in which the tax credit is claimed.

5. The tax credit allowed by this section shall be claimed by such taxpayer at the time such taxpayer files a return and shall be applied against the income tax liability imposed by chapter 143, excluding the withholding tax imposed by sections 143.191 to 143.265, after reduction for all other credits allowed thereon. The department may require any documentation it deems necessary to administer the provisions of this section.

6. Notwithstanding any other provision of law to contrary, if the tax credit cap in this section is not met, the remaining amount of tax credits available to claim shall be applied to the tax credit in section 135.778 if the tax credit cap in section 135.778 has been met.

7. Notwithstanding the provisions of section 32.057 to the contrary, the department may work with the division of weights and measures within the department of agriculture to validate that the biodiesel blend a retail dealer or distributor claims for the tax credit authorized under this section contains a sufficient percentage of biodiesel fuel.

8. The department shall promulgate rules to implement and administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created pursuant to the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

9. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset on December 31, 2028, unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset. The termination of the program as described in this subsection shall not be construed to preclude any qualified taxpayer who claims any benefit under any program that is sunset under this subsection from claiming such benefit for all allowable activities related to such claim that were completed before the program was sunset or to eliminate any responsibility of the department to verify the continued eligibility of qualified individuals receiving tax credits and to enforce other requirements of law that applied before the program was sunset.

135.778. 1. For the purposes of this section, the following terms shall mean:

(1) "Biodiesel fuel", a renewable, biodegradable, mono alkyl ester combustible liquid fuel that is derived from agricultural and other plant oils or animal fats and that meets the most recent version of the ASTM International D6751 Standard Specification for Biodiesel Fuel Blend Stock. A fuel shall be deemed to be biodiesel fuel if the fuel consists of a pure B100 or B99 ratio. Biodiesel produced from palm oil is not biodiesel fuel for the purposes of this section unless the palm oil is contained within waste oil and grease collected within the United States;

(2) "B99", a blend of ninety-nine percent biodiesel fuel that meets the most recent version of the ASTM International D6751 Standard Specification for Biodiesel Fuel Blend Stock with a minimum of one-tenth of one percent and maximum of one percent diesel fuel that meets the most recent version of the ASTM International D975 Standard Specification for Diesel Fuel;

2. For all tax years beginning on or after January 1, 2023, a Missouri biodiesel producer shall be allowed a tax credit to be taken against the producer's state income tax liability. The amount of the tax credit shall be two cents per gallon of biodiesel fuel produced by the Missouri biodiesel producer.

3. Tax credits authorized under this section shall not be transferred, sold, or assigned. If the amount of the tax credit exceeds the taxpayer's state tax liability, the difference shall be refundable. The total amount of tax credits authorized under this section for any given fiscal year shall not exceed four million dollars.

4. In the event the total amount of tax credits claimed under this section exceeds the amount of available tax credits, the tax credits shall be apportioned among all eligible Missouri biodiesel producers claiming the credit by April fifteenth, or as directed by section 143.851, of the fiscal year in which the tax credit is claimed.

5. The tax credit authorized under this section shall be claimed by such taxpayer at the time such taxpayer files a return and shall be applied against the income tax liability imposed by chapter 143 after reduction for all other credits allowed thereon. The department may require any documentation it deems necessary to administer the provisions of this section.

6. Notwithstanding any other provision of law to contrary, if the tax credit cap in this section is not met, the remaining amount of tax credits available to claim shall be applied to the tax credit in section 135.775 if the tax credit cap in section 135.775 has been met.

7. The department shall promulgate rules to implement and administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created pursuant to the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

8. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset on December 31, 2028, unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset. The termination of the program as described in this subsection shall not be construed to preclude any qualified taxpayer who claims any benefit under any program that is sunset under this subsection from claiming such benefit for all allowable activities related to such claim that were completed before the program was sunset, or to eliminate any responsibility of the department to verify the continued eligibility of qualified individuals receiving tax credits and to enforce other requirements of law that applied before the program was sunset.

135.1610. 1. As used in this section, the following terms mean:

(1) "Eligible expenses", expenses incurred in the construction or development of establishing or improving an urban farm in an urban area. The term "eligible expenses" shall not include any expense for labor or any expense incurred to grow medical marijuana or industrial hemp;

(3) "Taxpayer", any individual, partnership, or corporation as described under section 143.441 or 143.471 that is subject to the tax imposed under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265, or any charitable organization that is exempt from federal income tax and whose Missouri unrelated business taxable income, if any, would be subject to the state income tax imposed under chapter 143;

2. For all tax years beginning on or after January 1, 2023, a taxpayer shall be allowed to claim a tax credit against the taxpayer's state tax liability in an amount equal to fifty percent of the taxpayer's eligible expenses for establishing or improving an urban farm that focuses on food production.

3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability in the tax year for which the credit is claimed, and the taxpayer shall not be allowed to claim a tax credit under this section in excess of five thousand dollars for each urban farm. The total amount of tax credits that may be authorized for all taxpayers for eligible expenses incurred on any given urban farm shall not exceed twenty-five thousand dollars. Any tax credit that cannot be claimed in the tax year the contribution was made may be carried over to the next three succeeding tax years until the full credit is claimed.

4. The total amount of tax credits that may be authorized under this section shall not exceed two hundred thousand dollars in any calendar year.

5. Tax credits issued under the provisions of this section shall not be transferred, sold, or assigned.

6. The Missouri agriculture and small business authority shall recapture the amount of tax credits issued to any taxpayer who, after receiving such tax credit, uses the urban farm for the personal benefit of the taxpayer instead of for producing agricultural food products used solely for distribution to the public by sale or donation.

7. The Missouri agriculture and small business development authority may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

8. Under section 23.253 of the Missouri sunset act:

(1) The program authorized under this section shall automatically sunset on December thirty-first, six years after the effective date of this section unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset on December thirty-first, twelve years after the effective date of the reauthorization of this section;

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset; and

(4) Nothing in this subsection shall prevent a taxpayer from claiming a tax credit properly issued before the program was sunset in a tax year after the program is sunset.

137.1018. 1. The commission shall ascertain the statewide average rate of property taxes levied the preceding year, based upon the total assessed valuation of the railroad and street railway companies and the total property taxes levied upon the railroad and street railway companies. It shall determine total property taxes levied from reports prescribed by the commission from the railroad and street railway companies. Total taxes levied shall not include revenues from the surtax on subclass three real property.

2. The commission shall report its determination of average property tax rate for the preceding year, together with the taxable distributable assessed valuation of each freight line company for the current year to the director no later than October first of each year.

3. Taxes on property of such freight line companies shall be collected at the state level by the director on behalf of the counties and other local public taxing entities and shall be distributed in accordance with sections 137.1021 and 137.1024. The director shall tax such property based upon the distributable assessed valuation attributable to Missouri of each freight line company, using the average tax rate for the preceding year of the railroad and street railway companies certified by the commission. Such tax shall be due and payable on or before December thirty-first of the year levied and, if it becomes delinquent, shall be subject to a penalty equal to that specified in section 140.100.

4. (1) As used in this subsection, the following terms mean:

(a) "Eligible expenses", expenses incurred in this state to manufacture, maintain, or improve a freight line company's qualified rolling stock;

(b) "Qualified rolling stock", any freight, stock, refrigerator, or other railcars subject to the tax levied under this section.

(2) For all taxable years beginning on or after January 1, 2009, a freight line company shall, subject to appropriation, be allowed a credit against the tax levied under this section for the applicable tax year. The tax credit amount shall be equal to the amount of eligible expenses incurred during the calendar year immediately preceding the tax year for which the credit under this section is claimed. The amount of the tax credit issued shall not exceed the freight line company's liability for the tax levied under this section for the tax year for which the credit is claimed.

(3) A freight line company may apply for the credit by submitting to the commission an application in the form prescribed by the state tax commission.

(4) Subject to appropriation, the state shall reimburse, on an annual basis, any political subdivision of this state for any decrease in revenue due to the provisions of this subsection.

5. Pursuant to section 23.253 of the Missouri sunset act:

(2) **Subsection 4 of** this section shall terminate on September 1, ~~[2021]~~ **2029**.

144.030. 1. There is hereby specifically exempted from the provisions of sections 144.010 to 144.525 and from the computation of the tax levied, assessed or payable pursuant to sections 144.010 to 144.525 such retail sales as may be made in commerce between this state and any other state of the United States, or between this state and

any foreign country, and any retail sale which the state of Missouri is prohibited from taxing pursuant to the Constitution or laws of the United States of America, and such retail sales of tangible personal property which the general assembly of the state of Missouri is prohibited from taxing or further taxing by the constitution of this state.

2. There are also specifically exempted from the provisions of the local sales tax law as defined in section 32.085, section 238.235, and sections 144.010 to 144.525 and 144.600 to 144.761 and from the computation of the tax levied, assessed or payable pursuant to the local sales tax law as defined in section 32.085, section 238.235, and sections 144.010 to 144.525 and 144.600 to 144.745:

(1) Motor fuel or special fuel subject to an excise tax of this state, unless all or part of such excise tax is refunded pursuant to section 142.824; or upon the sale at retail of fuel to be consumed in manufacturing or creating gas, power, steam, electrical current or in furnishing water to be sold ultimately at retail; or feed for livestock or poultry; or grain to be converted into foodstuffs which are to be sold ultimately in processed form at retail; or seed, limestone or fertilizer which is to be used for seeding, liming or fertilizing crops which when harvested will be sold at retail or will be fed to livestock or poultry to be sold ultimately in processed form at retail; economic poisons registered pursuant to the provisions of the Missouri pesticide registration law, sections 281.220 to 281.310, which are to be used in connection with the growth or production of crops, fruit trees or orchards applied before, during, or after planting, the crop of which when harvested will be sold at retail or will be converted into foodstuffs which are to be sold ultimately in processed form at retail;

(2) Materials, manufactured goods, machinery and parts which when used in manufacturing, processing, compounding, mining, producing or fabricating become a component part or ingredient of the new personal property resulting from such manufacturing, processing, compounding, mining, producing or fabricating and which new personal property is intended to be sold ultimately for final use or consumption; and materials, including without limitation, gases and manufactured goods, including without limitation slagging materials and firebrick, which are ultimately consumed in the manufacturing process by blending, reacting or interacting with or by becoming, in whole or in part, component parts or ingredients of steel products intended to be sold ultimately for final use or consumption;

(3) Materials, replacement parts and equipment purchased for use directly upon, and for the repair and maintenance or manufacture of, motor vehicles, watercraft, railroad rolling stock or aircraft engaged as common carriers of persons or property;

(4) Replacement machinery, equipment, and parts and the materials and supplies solely required for the installation or construction of such replacement machinery, equipment, and parts, used directly in manufacturing, mining, fabricating or producing a product which is intended to be sold ultimately for final use or consumption; and machinery and equipment, and the materials and supplies required solely for the operation, installation or construction of such machinery and equipment, purchased and used to establish new, or to replace or expand existing, material recovery processing plants in this state. For the purposes of this subdivision, a "material recovery processing plant" means a facility that has as its primary purpose the recovery of materials into a usable product or a different form which is used in producing a new product and shall include a facility or equipment which are used exclusively for the collection of recovered materials for delivery to a material recovery processing plant but shall not include motor vehicles used on highways. For purposes of this section, the terms motor vehicle and highway shall have the same meaning pursuant to section 301.010. For the purposes of this subdivision, subdivision (5) of this subsection, and section 144.054, as well as the definition in subdivision (9) of subsection 1 of section 144.010, the term "product" includes telecommunications services and the term "manufacturing" shall include the production, or production and transmission, of telecommunications services. The preceding sentence does not make a substantive change in the law and is intended to clarify that the term "manufacturing" has included and continues to include the production and transmission of "telecommunications services", as enacted in this subdivision and subdivision (5) of this subsection, as well as the definition in subdivision (9) of subsection 1 of section 144.010. The preceding two sentences reaffirm legislative intent consistent with the interpretation of this subdivision and subdivision (5) of this subsection in *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002) and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005), and accordingly abrogates the Missouri supreme court's interpretation of those exemptions in *IBM Corporation v. Director of Revenue*, 491 S.W.3d 535 (Mo. banc 2016) to the extent inconsistent with this section and *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002) and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005). The construction and application of this subdivision as expressed by the Missouri supreme court in *DST Systems, Inc. v. Director of Revenue*, 43 S.W.3d 799 (Mo. banc 2001); *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002); and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226

(Mo. banc 2005), is hereby affirmed. Material recovery is not the reuse of materials within a manufacturing process or the use of a product previously recovered. The material recovery processing plant shall qualify under the provisions of this section regardless of ownership of the material being recovered;

(5) Machinery and equipment, and parts and the materials and supplies solely required for the installation or construction of such machinery and equipment, purchased and used to establish new or to expand existing manufacturing, mining or fabricating plants in the state if such machinery and equipment is used directly in manufacturing, mining or fabricating a product which is intended to be sold ultimately for final use or consumption. The construction and application of this subdivision as expressed by the Missouri supreme court in *DST Systems, Inc. v. Director of Revenue*, 43 S.W.3d 799 (Mo. banc 2001); *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002); and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005), is hereby affirmed;

There shall be a rebuttable presumption that the raw materials used in the primary manufacture of automobiles contain at least twenty-five percent recovered materials. For purposes of this subdivision, "processing" means any mode of treatment, act or series of acts performed upon materials to transform and reduce them to a different state or thing, including treatment necessary to maintain or preserve such processing by the producer at the production facility;

There shall be no limit on the number of project periods a qualified company may participate in the program, and a qualified company may elect to file a notice of intent to begin a new project period concurrent with an existing project period if the applicable minimum job requirements are achieved, the qualified company provides the department with the required annual reporting, and the qualified company is in compliance with this program and any other state programs in which the qualified company is currently or has previously participated. However, the qualified company shall not receive any further program benefits under the original approval for any new jobs created after the date of the new notice of intent, and any jobs created before the new notice of intent shall not be included as new jobs for purposes of the benefit calculation for the new approval. When a qualified company has filed and received approval of a notice of intent and subsequently files another notice of intent, the department shall apply the definition of project facility under subdivision (24) of section 620.2005 to the new notice of intent as well as all previously approved notices of intent and shall determine the application of the definitions of new job, new payroll, project facility base employment, and project facility base payroll accordingly.

2. Notwithstanding any provision of law to the contrary, the benefits available to the qualified company under any other state programs for which the company is eligible and which utilize withholding tax from the new or retained jobs of the company shall first be credited to the other state program before the withholding retention level applicable under this program will begin to accrue. If any qualified company also participates in a job training program utilizing withholding tax, the company shall retain no withholding tax under this program, but the department shall issue a refundable tax credit for the full amount of benefit allowed under this program. The calendar year annual maximum amount of tax credits which may be issued to a qualifying company that also participates in a job training program shall be increased by an amount equivalent to the withholding tax retained by that company under a jobs training program.

3. A qualified company or qualified military project receiving benefits under this program shall provide an annual report of the number of jobs, along with minority jobs created or retained, and such other information as may be required by the department to document the basis for program benefits available no later than ninety days prior to the end of the qualified company's or industrial development authority's tax year immediately following the tax year for which the benefits provided under the program are attributed. In such annual report, if the average wage is below the applicable percentage of the county average wage, the qualified company or qualified military project has not maintained the employee insurance as required, if the department after a review determines the qualifying company fails to satisfy other aspects of their notice of intent, including failure to make good faith efforts to employ, at a minimum, commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census, the following: racial minorities, contractors who are racial minorities, and contractors that, in turn, employ at a minimum racial minorities commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census, or if the number of jobs is below the number required, the qualified company or qualified military project shall not receive tax credits or retain the withholding tax for the balance of the project period. **If a statewide state of emergency exists for more than sixteen months, a qualified company or industrial development authority shall be entitled to a one-time suspension of program deadlines equal to the number of months such statewide state of emergency existed with any partial month rounded to the next whole month. During such suspension, the qualified company or industrial development authority shall not be entitled to retain any withholding tax as calculated under subdivision (38) of section 620.2005 nor shall it earn any awarded tax credit or receive any tax credit under the program for the suspension period. The suspension period shall run consecutively and be available to a qualified company or industrial development authority that, during the statewide state of emergency, submitted a notice of**

intent that was approved or that was in year one or a subsequent year of benefits under a program agreement with the department. The suspension period that runs consecutively and may be available to a qualified company or industrial development authority as provided in this subsection may apply retroactively. Any qualified company or industrial development authority requesting a suspension pursuant to this subsection shall submit notice to the department on its provided form identifying the requested start and end dates of the suspension, not to exceed the maximum number of months available under this subsection. Such notice shall be submitted to the department not later than the end of the twelfth month following the termination of the statewide state of emergency. No suspension period shall start later than the date on which the statewide state of emergency was terminated. The department and the qualified company or the industrial development authority shall enter into a program agreement or shall amend an existing program agreement, as applicable, stating the deadlines following the suspension period and updating the applicable wage requirements. Failure to timely file the annual report required under this section ~~shall~~ may result in the forfeiture of tax credits attributable to the year for which the reporting was required and a recapture of withholding taxes retained by the qualified company or qualified military project during such year.

4. The department may withhold the approval of any benefits under this program until it is satisfied that proper documentation has been provided, and shall reduce the benefits to reflect any reduction in full-time employees or payroll. Upon approval by the department, the qualified company may begin the retention of the withholding taxes when it reaches the required number of jobs and the average wage meets or exceeds the applicable percentage of county average wage. Tax credits, if any, may be issued upon satisfaction by the department that the qualified company has exceeded the applicable percentage of county average wage and the required number of jobs; provided that, tax credits awarded under subsection 7 of section 620.2010 may be issued following the qualified company's acceptance of the department's proposal and pursuant to the requirements set forth in the written agreement between the department and the qualified company under subsection 4 of section 620.2010.

5. Any qualified company or qualified military project approved for benefits under this program shall provide to the department, upon request, any and all information and records reasonably required to monitor compliance with program requirements. This program shall be considered a business recruitment tax credit under subdivision (4) of subsection 2 of section 135.800, and any qualified company or qualified military project approved for benefits under this program shall be subject to the provisions of sections 135.800 to 135.830.

6. Any taxpayer who is awarded benefits under this program who knowingly hires individuals who are not allowed to work legally in the United States shall immediately forfeit such benefits and shall repay the state an amount equal to any state tax credits already redeemed and any withholding taxes already retained.

7. (1) The maximum amount of tax credits that may be authorized under this program for any fiscal year shall be limited as follows, less the amount of any tax credits previously obligated for that fiscal year under any of the tax credit programs referenced in subsection 14 of this section:

(a) For the fiscal year beginning on July 1, 2013, but ending on or before June 30, 2014, no more than one hundred six million dollars in tax credits may be authorized;

(b) For the fiscal year beginning on July 1, 2014, but ending on or before June 30, 2015, no more than one hundred eleven million dollars in tax credits may be authorized;

(c) For fiscal years beginning on or after July 1, 2015, but ending on or before June 30, 2020, no more than one hundred sixteen million dollars in tax credits may be authorized for each fiscal year; and

(d) For all fiscal years beginning on or after July 1, 2020, no more than one hundred six million dollars in tax credits may be authorized for each fiscal year. The provisions of this paragraph shall not apply to tax credits issued to qualified companies under a notice of intent filed prior to July 1, 2020.

(2) For all fiscal years beginning on or after July 1, 2020, in addition to the amount of tax credits that may be authorized under paragraph (d) of subdivision (1) of this subsection, an additional ten million dollars in tax credits may be authorized for each fiscal year for the purpose of the completion of infrastructure projects directly connected with the creation or retention of jobs under the provisions of sections 620.2000 to 620.2020 and an additional ten million dollars in tax credits may be authorized for each fiscal year for a qualified manufacturing company based on a manufacturing capital investment as set forth in section 620.2010.

8. For all fiscal years beginning on or after July 1, 2020, the maximum total amount of withholding tax that may be authorized for retention for the creation of new jobs under the provisions of sections 620.2000 to 620.2020 by qualified companies with a project facility base employment of at least fifty shall not exceed seventy-five million dollars for each fiscal year. The provisions of this subsection shall not apply to withholding tax authorized for retention for the creation of new jobs by qualified companies with a project facility base employment of less than fifty.

9. For tax credits for the creation of new jobs under section 620.2010, the department shall allocate the annual tax credits based on the date of the approval, reserving such tax credits based on the department's best estimate of new jobs and new payroll of the project, and any other applicable factors in determining the amount of benefits available to the qualified company or qualified military project under this program; provided that, the department may reserve up to twenty-one and one-half percent of the maximum annual amount of tax credits that may be authorized under subsection 7 of this section for award under subsection 7 of section 620.2010. However, the annual issuance of tax credits shall be subject to annual verification of actual payroll by the department or, for qualified military projects, annual verification of average salary for the jobs directly created by the qualified military project. Any authorization of tax credits shall expire if, within two years from the date of commencement of operations, or approval if applicable, the qualified company has failed to meet the applicable minimum job requirements. The qualified company may retain authorized amounts from the withholding tax under the project once the applicable minimum job requirements have been met for the duration of the project period. No benefits shall be provided under this program until the qualified company or qualified military project meets the applicable minimum new job requirements or, for benefits awarded under subsection 7 of section 620.2010, until the qualified company has satisfied the requirements set forth in the written agreement between the department and the qualified company under subsection 4 of section 620.2010. In the event the qualified company or qualified military project does not meet the applicable minimum new job requirements, the qualified company or qualified military project may submit a new notice of intent or the department may provide a new approval for a new project of the qualified company or qualified military project at the project facility or other facilities.

10. Tax credits provided under this program may be claimed against taxes otherwise imposed by chapters 143 and 148, and may not be carried forward, but shall be claimed within one year of the close of the taxable year for which they were issued. Tax credits provided under this program may be transferred, sold, or assigned by filing a notarized endorsement thereof with the department that names the transferee, the amount of tax credit transferred, and the value received for the credit, as well as any other information reasonably requested by the department. For a qualified company with flow-through tax treatment to its members, partners, or shareholders, the tax credit shall be allowed to members, partners, or shareholders in proportion to their share of ownership on the last day of the qualified company's tax period.

11. Prior to the issuance of tax credits or the qualified company beginning to retain withholding taxes, the department shall verify through the department of revenue and any other applicable state department that the tax credit applicant does not owe any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent fees or assessments levied by any state department and through the department of commerce and insurance that the applicant does not owe any delinquent insurance taxes or other fees. Such delinquency shall not affect the approval, except that any tax credits issued shall be first applied to the delinquency and any amount issued shall be reduced by the applicant's tax delinquency. If the department of revenue, the department of commerce and insurance, or any other state department concludes that a taxpayer is delinquent after June fifteenth but before July first of any year and the application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then the taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all available credits toward a tax delinquency, the administering agency shall notify the appropriate department and that department shall update the amount of outstanding delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions of other provisions of law.

12. The director of revenue shall issue a refund to the qualified company to the extent that the amount of tax credits allowed under this program exceeds the amount of the qualified company's tax liability under chapter 143 or 148.

13. An employee of a qualified company shall receive full credit for the amount of tax withheld as provided in section 143.211.

14. Notwithstanding any provision of law to the contrary, beginning August 28, 2013, no new benefits shall be authorized for any project that had not received from the department a proposal or approval for such benefits prior to August 28, 2013, under the development tax credit program created under sections 32.100 to 32.125, the rebuilding communities tax credit program created under section 135.535, the enhanced enterprise zone tax credit program created under sections 135.950 to 135.973, and the Missouri quality jobs program created under sections 620.1875 to 620.1890. The provisions of this subsection shall not be construed to limit or impair the ability of any administering agency to authorize or issue benefits for any project that had received an approval or a proposal from the department under any of the programs referenced in this subsection prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax credits or to retain any withholding tax under an approval issued prior to that

date. The provisions of this subsection shall not be construed to limit or in any way impair the ability of any governing authority to provide any local abatement or designate a new zone under the enhanced enterprise zone program created by sections 135.950 to 135.963. Notwithstanding any provision of law to the contrary, no qualified company that is awarded benefits under this program shall:

(1) Simultaneously receive benefits under the programs referenced in this subsection at the same capital investment; or

(2) Receive benefits under the provisions of section 620.1910 for the same jobs.

15. If any provision of sections 620.2000 to 620.2020 or application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of these sections which can be given effect without the invalid provisions or application, and to this end, the provisions of sections 620.2000 to 620.2020 are hereby declared severable.

16. By no later than January 1, 2014, and the first day of each calendar quarter thereafter, the department shall present a quarterly report to the general assembly detailing the benefits authorized under this program during the immediately preceding calendar quarter to the extent such information may be disclosed under state and federal law. The report shall include, at a minimum:

(1) A list of all approved and disapproved applicants for each tax credit;

(2) A list of the aggregate amount of new or retained jobs that are directly attributable to the tax credits authorized;

(3) A statement of the aggregate amount of new capital investment directly attributable to the tax credits authorized;

(4) Documentation of the estimated net state fiscal benefit for each authorized project and, to the extent available, the actual benefit realized upon completion of such project or activity; and

(5) The department's response time for each request for a proposed benefit award under this program.

17. The department may adopt such rules, statements of policy, procedures, forms, and guidelines as may be necessary to carry out the provisions of sections 620.2000 to 620.2020. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

18. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the program authorized under sections 620.2000 to 620.2020 shall be reauthorized as of August 28, 2018, and shall expire on August 28, 2030; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of sections 620.2000 to 620.2020; and

(3) Sections 620.2000 to 620.2020 shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under sections 620.2000 to 620.2020 is sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

2. As used in this section, the following terms shall mean:
- (1) "Director", the director of the department of economic development;
 - (2) "Eligible commission", any regional convention and visitors commission created under section 67.601; any body designated by the division of tourism official destination marketing organization for a Missouri county which is designated as the single representative organization for the county to solicit and service tourism;
 - (3) "Eligible major convention event costs", all operational costs of the venue of a major convention event including, but not limited to, costs related to the following: security, venue utilities, cleaning, production of the event, installation and dismantling, facility rental charges, personnel, construction to prepare the venue, and other temporary facility construction;
 - (4) "Fund", the major economic convention event in Missouri fund established in this section;
 - (5) "Grant", an amount of money equal to the total amount of eligible major convention event costs listed in an approved major convention plan to be disbursed at the requested date from the fund to an eligible commission by the state treasurer at the direction of the director which shall not exceed the amount of estimated total sales taxes to be received by the state generated by sleeping rooms paid by guests of hotels and motels reasonably believed to be occupied due to the major convention event;
 - (6) "Major convention event", any convention if more than fifty percent of attendees travel to the convention from outside of Missouri and require overnight hotel accommodations;
 - (7) "Major convention plan", a written plan for the administration of a major convention event, containing such information as shall be requested by the director to establish that the event covered by the application is a major convention event including, but not limited to, the start and end dates of the major convention event, an identification of the organization planning the event, the location of the event, projected total and out-of-state attendance, projected contracted and actual hotel room nights, projected costs and revenues anticipated to be received by the eligible commission in connection with the event, the eligible major convention event costs, and evidence of satisfaction of the conditions of subsection 5 of this section.

3. (1) There is hereby created in the state treasury the "Major Economic Convention Event in Missouri Fund", which shall consist of moneys appropriated from the general revenue fund as prescribed in subsection 6 of this section and any gifts, contributions, grants, or bequests received from federal, private, or other sources. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be used solely for the administration of this section.

(2) Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

(3) The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. For major convention plans which have complied with subsection 5 of this section, in addition to funds otherwise made available under Missouri law, a grant shall be paid from the fund by the department of economic development to the eligible commission at the requested date. Any transfer of a grant from the fund to the treasurer or other designated financial officer of an eligible commission with an approved major convention plan shall be deposited in a separate, segregated account of such commission. The eligible commission shall agree to hold such funds until the major convention event has occurred and not disburse the funds until such time as the report in subsection 7 has been submitted.

5. The director shall not disburse a grant until the director or his or her designee has approved a written major convention plan submitted to the department of economic development by an eligible commission requesting a grant. The director or his or her designee shall not approve any submitted major convention plan unless he or she finds that the following conditions have been met:

 - (b) A request for proposal or similar documentation demonstrates the applicant eligible commission is competing for the event against non-Missouri cities;
 - (c) Without the grant, the major convention event would not be reasonably anticipated to occur in Missouri; and
 - (d) The positive net fiscal impact to general revenue of the state through any and all taxes attributable to the major convention event exceeds the amount of the major convention grant.

In reviewing such evidence, the director shall take into account any expenditures by an attendee for sleeping rooms paid by guests of the hotels and motels typically constitutes less than fifty percent of the expenditures by such attendees at a major convention event.

6. (1) Upon verification that the major convention plan complies with the terms of subsection 5 of this section, the director or his or her designee shall issue a certificate of approval to the eligible commission stating the date on which such grant shall be disbursed and the total amount of the grant, which shall be equal to the eligible major convention event costs listed in the approved major convention plan. If the final amount of total eligible major convention event costs

is less than the amount of the grant disbursed to the eligible commission under an approved major convention plan, such commission shall refund to the state treasurer the excess greater than fifty percent of the actual cost for deposit into the fund.

(2) An eligible commission shall refund the following amounts to the state treasurer based on the actual attendance figures in relation to the projected total attendance for the event as provided in the major convention plan:

(c) If the actual attendance figure is greater than eighty-five percent of the projected total attendance, the commission shall keep the entire grant amount received under this section unless otherwise provided by this section.

(3) The provisions of this subdivision shall not apply where attendance at the convention is adversely affected by a man-made disaster including, but not limited to, an uprising or other civil unrest or where attendance at the convention is adversely affected by a substantial inclement weather-related event.

8. Any amounts that are refunded from a grant under this section shall be returned to the major economic convention event in Missouri fund to be used for future grants.

The name of any parent or guardian who neglects or refuses to permit a nonexempted child to be immunized against diseases as required by the rules and regulations promulgated pursuant to the provisions of this section shall be reported by the school superintendent to the department of health and senior services.

5. The immunization required may be done by any duly licensed physician or by someone under his direction. If the parent or guardian is unable to pay, the child shall be immunized at public expense by a physician or nurse at or from the county, district, city public health center or a school nurse or by a nurse or physician in the private office or clinic of the child's personal physician with the costs of immunization paid through the state Medicaid program, private insurance or in a manner to be determined by the department of health and senior services subject to state and federal appropriations, and after consultation with the school superintendent and the advisory committee established in section 192.630. When a child receives his or her immunization, the treating physician may also administer the appropriate fluoride treatment to the child's teeth.

6. Funds for the administration of this section and for the purchase of vaccines for children of families unable to afford them shall be appropriated to the department of health and senior services from general revenue or from federal funds if available.

7. No student shall be required, as a condition of school attendance or participation in school-sponsored extracurricular activities, to be immunized against COVID 19. No school shall require students to wear face masks or other face coverings or respirators as an alternative to receiving a COVID-19 vaccination. No school shall require students to undergo COVID-19 diagnostic testing or otherwise implement a "test to stay" policy requiring testing as an alternative to receiving a COVID-19 vaccination; provided, that nothing in this subsection shall be interpreted to preclude a school from requiring a student to be tested as described in section 167.191 as a condition for school attendance or participation in school-sponsored extracurricular activities. For purposes of the section, "COVID 19" shall include any variant thereof.

8. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

167.191. 1. It is unlawful for any child to attend any of the public schools of this state while afflicted with any contagious or infectious disease, or while liable to transmit such disease after having been exposed to it. For the purpose of determining the diseased condition, or the liability of transmitting the disease, the teacher or board of directors may require any child to be examined by a physician, **physician assistant, or advanced practice registered nurse** and exclude the child from school so long as there is any liability of such disease being transmitted by the pupil. **For purposes of this section, the term "liability" shall mean that symptoms of such a contagious or infectious disease are present and that disease transmission is more likely than not to occur.** If the parent or guardian refuses to have an examination made by a physician, **physician assistant, or advanced practice registered nurse pursuant to [at] the written request of [the teacher] a school administration or school board of directors, the [teacher or board of directors] child may be [exclude the child] excluded** from school. Any parent or guardian who persists in sending a child to school, after having been examined as provided by this section, and found to be afflicted with any contagious or infectious disease, or liable to transmit the disease, or refuses to have the child examined as herein provided, is guilty of a misdemeanor, and, upon conviction, shall be punished by a fine of not less than five nor more than one hundred dollars.

2. If the parent or guardian of the child presents a written document, signed by a physician, physician assistant, or advanced practice registered nurse stating that the child is not afflicted with any contagious or infectious disease, or liable to transmit the disease, the child shall not be excluded from school under subsection 1.

171.011. 1. The school board of each school district in the state may make all needful rules and regulations for the organization, grading and government in the school district. The rules shall take effect when a copy of the rules, duly signed by order of the board, is deposited with the district clerk. The district clerk shall transmit forthwith a copy of the rules to the teachers employed in the schools. The rules may be amended or repealed in like manner.

2. No school administrator, teacher, staff, or other personnel of any public school or charter school, nor any school board, shall have authority to adopt rules, regulations, policies, directives, or any other order relating to quarantines, isolation, or other health-related requirements for students except as provided in section 167.191; except that, nothing in this section or section 167.191 shall be construed to authorize any such order relating to masking or vaccinations.

3. During a statewide pandemic as defined in section 67.265, all generally applicable orders relating to the spread of an infectious or contagious disease shall be made by a local elected governing body as provided in section 67.265.

192.290. All rules and regulations authorized and made by the department of health and senior services in accordance with this chapter shall supersede as to those matters to which this chapter relates, all local **orders**, ordinances, rules, and regulations and shall be observed throughout the state and enforced by all local and state health authorities. Nothing herein shall limit the right of local authorities **under section 192.300** to make such further **orders**, ordinances, rules, and regulations not inconsistent with **or more restrictive than** the rules and regulations prescribed by the department of health and senior services, which may be necessary for the particular locality under the jurisdiction of such local authorities; **except that, all such orders, ordinances, rules and regulations made by local authorities shall comply with the provisions of section 67.265."**; and

House Amendment No. 6

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 724, Page 33, Section 233.095, Line 9, by inserting after all of said section and line the following:

"321.228. 1. As used in this section, the following terms shall mean:

- (1) "Residential construction", new construction and erection of detached single-family or two-family dwellings or the development of land to be used for detached single-family or two-family dwellings;
- (2) "Residential construction regulatory system", any bylaw, ordinance, order, rule, or regulation adopted, implemented, or enforced by any city, town, village, or county that pertains to residential construction, to any permitting system, or program relating to residential construction, including but not limited to the use or occupancy by the initial occupant thereof, or to any system or program for the inspection of residential construction. Residential construction regulatory system also includes the whole or any part of a nationally recognized model code, with or without amendments specific to such city, town, village, or county.

2. Notwithstanding the provisions of any other law to the contrary, if a city, town, village, or county adopts or has adopted, implements, and enforces a residential construction regulatory system applicable to residential construction within its jurisdiction, any fire protection districts wholly or partly located within such city, town, village, or county shall be without power, authority, or privilege to enforce or implement a residential construction regulatory system purporting to be applicable to any residential construction within such city, town, village, or county. **Notwithstanding the provisions of any other law to the contrary**, any such residential construction regulatory system adopted by a fire protection district or its board shall be treated as advisory only and shall not be enforced by such fire protection district or its board.

3. Notwithstanding the provisions of any other law to the contrary, fire protection districts:

- (1) Shall have final regulatory authority regarding the location and specifications of fire hydrants, fire hydrant flow rates, and fire lanes, all as it relates to residential construction. Nothing in this subdivision shall be construed to require the political subdivision supplying water to incur any costs to modify its water supply infrastructure; and

(2) May inspect the alteration, enlargement, replacement or repair of a detached single-family or two-family dwelling; and

(3) Shall not collect a fee for the services described in subdivisions (1) and (2) of this subsection.

4. In no event shall a fire protection district or its board enact, adopt, or implement any bylaws, ordinances, orders, rules, or regulations that pertain, in any manner, to either the subdivision of land for the purpose of residential construction or to the construction, installation, and erection of any improvements, infrastructure, and utility facilities related to or for the purpose of serving residential construction.

5. Notwithstanding any provision in this section to the contrary, a fire protection district may enter into a contract with a county, city, town, or village to assist in the implementation of the residential construction regulatory system of such county, city, town, or village as it relates to fire protection issues as long as the county, city, town, or village retains jurisdiction over the implementation and enforcement of such system.

6. (1) Any fire protection district funded in whole or in part through a designated voter-approved tax shall not charge any additional fees or permit charge for additional services without voter approval from the voters of the entire county in which the fire protection district is located.

(2) Any inspection fees charged by a fire protection district shall be billed at a flat rate of one hundred dollars per hour of actual time spent on site doing solely inspections. No charges shall be charged prior to the inspection based on estimated cost of the inspection."; and

House Amendment No. 7

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 724, Page 1, Section A, Line 9, by inserting after all of said section and line the following:

"44.251. 1. This section shall be known and may be cited as the "Protecting Missouri's Small Businesses Act".

2. As used in this section, the following terms mean:

(1) "Reason outside the business organization's control", any reason for which the governor proclaims a state of emergency as provided in chapter 44. Such reasons include, but are not limited to, communicable disease spread by direct human contact such as person-to-person contact or droplet spread. Such reasons shall not be construed to include violations of sanitation or food safety rules or structural safety rules;

(2) "Shutdown order", any order by the state or any agency or political subdivision thereof to close a business organization during a state of emergency declared by the governor that is caused by any reason outside the business organization's control.

3. The general assembly hereby finds and declares the following:

(1) It is an essential function of state government to protect the public health, welfare, peace, safety, and the economic viability and well-being of Missourians;

(2) One method of protecting Missourians is to preserve and promote the economic viability, well-being, and development of businesses in this state;

(3) States of emergency may require the state and its political subdivisions to take necessary emergency actions for the protection of Missourians that may adversely affect the economic viability and well-being of Missourians and businesses in the state;

(4) Such governmental actions should not be entered into without careful consideration of and appropriate concern for the lasting effects that may cause economic loss to Missourians and businesses in the state;

(5) It is the public policy of the state of Missouri that a political subdivision shall give appropriate consideration to the effects of its actions on the economic well-being of Missourians and businesses in the state; and

(6) To ensure that a political subdivision gives appropriate consideration to such actions, a political subdivision shall participate in economic losses caused by the political subdivision's actions affecting Missourians and businesses in the state as provided in this section.

4. (1) Notwithstanding any other provision of law to the contrary, beginning January 1, 2023, if any political subdivision with jurisdiction over a business implements any shutdown order or orders after the governor declares a state of emergency as provided in this chapter and the business closes solely due to such shutdown order or orders for at least twenty-one consecutive days or at least forty-five cumulative days, the following shall apply:

(a) Any fee for a business license imposed by the political subdivision with jurisdiction over the business shall be waived for the business during the period of the shutdown order or orders or six months, whichever is longer. Fees for a business license may be prorated; and

(b) The political subdivision with jurisdiction over the business shall reduce the real and personal property tax liability of such business based on the number of days the business was shut down in a given year as follows:

a. If the shutdown order or orders end before June first, the appropriate officials responsible for assessing and levying real and personal property taxes and providing statements of taxes due in the political subdivision with jurisdiction over the business shall calculate the tax liability of such business as required by law. After such tax liability is calculated, such officials shall reduce such tax liability as required in this section. Such reduction shall be reflected on the statement of taxes due provided to the taxpayer who is liable

for the property taxes of the business. Such appropriate officials shall follow all procedures for calculating such taxes and providing such statements provided by law as practicable. A taxpayer receiving a reduced statement of taxes due shall make full payment of such reduced taxes before the delinquency date as provided by law; and

b. If the shutdown order or orders remain in effect on or after June first, the taxpayer who is liable for the property taxes of the business shall make full payment of taxes due before the delinquency date as provided by law. The appropriate officials responsible for assessing and levying real and personal property taxes and providing statements of taxes due in the political subdivision with jurisdiction over the business shall:

(i) Notify such taxpayer, at the same time the taxpayer's statement of taxes due is provided to the taxpayer as required by law, that the taxpayer may apply for a refund of a portion of the property tax liability of such business as provided in this section;

(ii) Provide a method of applying for a refund of such portion of such tax liability, by which the taxpayer shall provide any information required by the appropriate officials to assist in the calculation of such portion. A refund application made as provided in this subparagraph shall be submitted to the appropriate official no later than the January fifteenth immediately following the refund notification;

(iii) Calculate the amount of such allowable portion to be refunded and notify the taxpayer of such amount. All such calculations for all refund applications shall be completed no later than the February fifteenth following the refund notification; and

(iv) Make payments of all refunds to all taxpayers eligible for the refund. All such payments of refunds shall be completed no later than the March fifteenth immediately following the refund notification.

(2) Notwithstanding any other provision of this section to the contrary, a taxpayer whose tax liability is reduced as provided in this subsection and who leases or rents all or a portion of the taxpayer's affected real property to one or more renters or lessors shall distribute such amount by which the tax liability is reduced on a pro rata basis to such renters or lessors who are current on all lease or rental payments owed to the taxpayer whose tax liability is reduced.

5. This section shall not be construed to apply to fees required for a license or certification of an individual to practice a profession.

6. This section shall not be construed as an exemption of property from taxation requiring the state to provide restitution or a replacement of revenues lost to a political subdivision. Any action taken by a political subdivision that results in a recalculation or refund of taxes or revenues lost by the political subdivision, or both, shall be construed as an exercise of the political subdivision's authority to levy and collect local tax revenues as provided by state law."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

"Page 7, Section 64.231, Line 25, by inserting after said section and line the following:

"67.653. 1. The authority shall have the following powers:

(1) To acquire by gift, bequest, purchase, lease or sublease from public or private sources and to plan, construct, operate and maintain, or to lease or sublease to or from others for construction, operation and maintenance, convention centers, sports stadiums, field houses, indoor and outdoor convention, recreational, and entertainment facilities and centers, playing fields, parking facilities and other suitable concessions, and all things incidental or necessary to a complex suitable for all types of convention, entertainment and meeting activities and for all types of sports and recreation, either professional or amateur, commercial or private, either upon, above or below the ground, except that no such stadium, complex or facility shall be used, in any fashion, for the purpose of horse racing or dog racing, and any stadium, complex or facility newly constructed by the authority shall be suitable for multiple purposes and designed and constructed to meet National Football League franchise standards and shall be located adjacent to an existing convention facility;

(4) To charge and collect fees and rents for use of the facilities owned or operated by it or leased or subleased from or to others and to deposit any funds received under the provisions of sections 67.650 to 67.658 in a savings or checking account in a bank, credit union, or savings and loan association in this state;

(5) To adopt a common seal;

(6) To contract and to be contracted with, including, but without limitation, the authority to enter into contracts with cities, counties and other political subdivisions and public agencies under sections 70.210 to 70.325, and otherwise, and to enter into contracts with other entities, in connection with the acquisition by gift, bequest, purchase, lease or sublease and in connection with the planning, construction, financing, leasing, subleasing, operation and maintenance of any convention or sports facility and for any other lawful purpose, and to sue and to be sued;

(7) To receive for its lawful activities any rentals, contributions or moneys appropriated or otherwise designated for payment to the authority by municipalities, counties, state or other political subdivisions or public agencies or by the federal government or any agency or officer thereof or from any other source;

(8) To disburse funds for its lawful activities and fix salaries and wages of its officers and employees;

(9) To invest any of the authority's funds in such types of investments as shall be determined by a resolution adopted by the commissioners of the authority;

(10) To borrow money for the acquisition, planning, construction, equipping, operation, maintenance, repair, extension and improvement of any facility, or any part or parts thereof, which it has the power to own, lease or operate, and for any other proper corporate purpose, and to issue negotiable notes, bonds, or other instruments in writing as evidence of sums borrowed, as hereinafter provided in this section:

(a) Bonds issued hereunder shall be issued pursuant to a resolution adopted by the commissioners of the authority which shall set out the estimated cost to the authority of the proposed facility or facilities, and shall further set out the amount of bonds to be issued, their purpose or purposes, their date or dates, denomination or denominations, rate or rates of interest, time or times of payment, both of principal and of interest, place or places of payment and all other details in connection therewith. Any such bonds may be subject to such provision for redemption prior to maturity, with or without premium, and at such times and upon such conditions as may be provided by the resolution;

(b) Notwithstanding the provisions of section 108.170, such bonds shall bear interest at such rate or rates determined by the authority and shall mature within a period not exceeding fifty years and may be sold at public or private sale for not less than ninety-five percent of the principal amount thereof. Bonds issued by the authority shall possess all of the qualities of negotiable instruments under the laws of this state;

(c) Such bonds may be payable to bearer, may be registered or coupon bonds and if payable to bearer, may contain such registration provisions as to either principal and interest, or principal only, as may be provided in the resolution authorizing the same, which resolution may also provide for the exchange of registered and coupon bonds. Such bonds and any coupons attached thereto shall be signed in such manner and by such officers of the authority as may be provided for by the resolution authorizing the same. The authority may provide for the replacement of any bond which shall become mutilated, destroyed or lost;

(d) Bonds issued by the authority shall be payable as to principal, interest and redemption premium, if any, out of all or any part of the general funds of the authority, including rents, revenues, receipts and income derived and to be derived for the use of any facility or combination of facilities, or any part or parts thereof, acquired, constructed, improved or extended in whole or in part from the proceeds of such bonds, including but not limited to convention center and stadium rentals, concessions, parking facilities and from funds derived from any other facilities or part or parts thereof, owned or operated by the authority, all or any part of which rents, revenues, receipts and income the authority is authorized to pledge for the payment of said principal, interest, and redemption premium, if any, except that direct appropriations of tax revenues received by the authority pursuant to sections 67.656 and 67.657 or otherwise, other than appropriations for the payment of rent, shall not be pledged for the payment of such bonds. Neither the commissioners of the authority nor any person executing its bonds shall be personally liable on such bonds by reason of the issuance thereof. Bonds issued under the provisions of sections 67.653 to 67.655 shall not constitute a debt, liability, or obligation of this state, or any political subdivision of this state, nor shall any such obligations be a pledge of the faith and credit of this state, but shall be payable solely from the revenues and assets held by the authority. The issuance of bonds under sections 67.653 to 67.655 shall not, directly, indirectly, or contingently, obligate the state of Missouri or any political subdivision thereof, or the authority, to levy any form of taxation therefor or to make any appropriation for their payment. Each obligation or bond issued under sections 67.653 to 67.655 shall contain on the face thereof a statement to the effect that the authority shall not be obligated to pay the same nor the interest on such bond, except from the revenues received by the authority or assets of the authority lawfully pledged therefor, and that neither the faith and credit nor the taxing power of this state or of any political subdivision of this state is pledged to the payment of the principal of or the interest on such obligation or bond. Bonds issued pursuant to this section may be further secured by a mortgage, deed of trust, trust agreement, pledge agreement, assignment or security agreement upon the rents, revenues, receipts and income herein referred to or any part thereof, or upon any leasehold interest or other property owned by the authority, or any part thereof, whether then owned or thereafter acquired, except that direct appropriations of tax revenues received by the authority pursuant to sections 67.656 and 67.657 or otherwise, other than appropriations for the payment of rent, shall not secure such bonds. The proceeds of such bonds shall be disbursed in such manner and under such restrictions as the authority may provide in the resolution authorizing the issuance of such bonds or in any such mortgage, deed of trust, trust agreement, pledge agreement or security agreement;

(e) The authority shall fix and maintain rates and rentals and make and collect charges for the use and services of its interest in the facility or facilities or any part thereof owned or operated by the authority which shall be sufficient to pay the cost of operation and maintenance thereof, to pay the principal of and interest on any such bonds payable from such rates, rentals and charges and to provide funds sufficient to meet all requirements of the resolution by which such bonds have been issued;

(f) The resolution authorizing the issuance of any such bonds may provide for the allocation of rents, revenues, receipts and income derived and to be derived by the authority from the use of any facility or part thereof, and of the proceeds received pursuant to sections 67.656 and 67.657, into such separate accounts as shall be deemed to be advisable to assure the proper operation and maintenance of any facility or part thereof and the prompt payment of any bonds issued to finance all or any part of the costs thereof. Such accounts may include reserve accounts necessary for the proper operation and maintenance of any such facility or any part thereof, and for the payment of any such bonds. Such resolution may include such other covenants and agreements by the authority as in its judgment are advisable or necessary properly to secure the payment of such bonds;

(g) The authority may issue negotiable refunding bonds for the purpose of refunding, extending or unifying the whole or any part of such bonds then outstanding, or any bonds, notes or other obligations issued by any other public agency, public body or political subdivision in connection with any facilities to be acquired, leased or subleased by the authority, which refunding bonds shall not exceed the amount necessary to refund the principal of the outstanding bonds to be refunded and the accrued interest thereon to the date of such refunding, together with any redemption premium, amounts necessary to establish reserve and escrow funds and all costs and expenses incurred in connection with the refunding. The authority may provide for the payment of interest on such refunding bonds at a rate in excess of the bonds to be refunded;

(h) In case any of the commissioners or officers of the authority whose signatures appear on any bonds or coupons shall cease to be such commissioners or officers before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such commissioners or officers had remained in office until such delivery;

(i) The authority is hereby declared to be performing a public function and bonds of the authority are declared to be issued for an essential public and governmental purpose and, accordingly, interest thereon and income therefrom shall be exempt from income taxation by the state of Missouri;

(11) To condemn any and all rights or property of any kind or character, necessary for the purposes of the authority, in the manner provided in chapter 523, except that no property now or hereafter vested in or held by the state, the county or the city shall be taken by the authority without the authorization or consent of such party; provided however, that the authority shall provide relocation benefits to all individuals and businesses, occupying said property, in the same manner as such relocation benefits are provided pursuant to the federal Relocation Assistance Act;

(12) To perform all other necessary and incidental functions, and to exercise such additional powers as shall be conferred by the general assembly or by act of Congress.

2. The authority shall proceed to carry out its duties, functions and powers in accordance with sections 67.650 to 67.658, and the authority is vested with all necessary and appropriate powers not inconsistent with the constitution or the laws of the United States to effectuate the same, except the power to levy taxes or assessments. In no event shall the state be liable for any deficiency or indebtedness incurred by the authority.

3. The authority shall grant or award at least fifteen percent of all contracts, employment opportunities, professional services and all other special contracts to persons who are members of a racial minority group, as defined in section 37.013.

4. The authority and any city, county, other political subdivision or public agency obtaining funds pursuant to the provisions of this chapter shall be subject to the provisions of sections 34.073 and 34.076.

5. Notwithstanding any provision of sections 67.650 to 67.658 to the contrary, all funds in the economic development trust fund established under section 67.656 shall be used solely for economic development purposes benefiting the people of St. Louis County and the City of St. Louis.

6. Notwithstanding any provision of sections 67.650 to 67.658 to the contrary, all votes of the commission to appropriate, disburse or invest moneys in the economic development trust fund established under section 67.656 shall require a two-thirds majority affirmative vote of all of the commissioners and shall be supported by at least one commissioner from the City of St. Louis and at least one commissioner from St. Louis County.

7. The authority shall have the duties, functions and powers under sections 67.650 to 67.658 with respect to the use of moneys in the economic development trust fund established under section 67.656, so long as such moneys are used for economic development purposes benefitting the people of St. Louis County and the City of St. Louis. The authority shall have the additional power to use moneys in the economic development trust fund established under section 67.656 to fulfill the responsibility of St. Louis County or the City of St. Louis to provide matching dollars for state, federal, or other grants that serve economic development purposes.

67.656. 1. A "Regional Convention and Sports Complex Fund", is hereby created. The regional convention and sports complex fund shall be administered by the authority and used to carry out the provisions of sections 67.650 to 67.658. The provisions of section 33.080 to the contrary notwithstanding, all moneys in the fund created by this section shall not be transferred and placed to the credit of the general revenue fund at the end of each biennium.

2. The regional convention and sports complex fund shall be funded with any rents, fees or charges received by the authority pursuant to any contract, agreement, lease or sublease provided for in subsection 3 of section 67.657. If the amounts received by the authority and deposited in the regional convention and sports complex fund are insufficient to discharge the obligations incurred in connection with the financing of any facility, the user, tenant or lessee that secured a letter of credit, policy of insurance or guaranty securing payment of any bonds or other indebtedness issued by the authority to fund the construction of such facility, shall deposit such shortfall in the regional convention and sports complex fund at such time or times as are necessary to discharge the authority's obligations.

3. An "Economic Development Trust Fund" is hereby created. The county commission shall cause an election to be held in the ambulance district within ninety days after the order establishing the ambulance district to elect ambulance district directors. Each voter shall vote for one director from the ambulance election district in which the voter resides. The directors elected from districts one and four shall serve for a term of one year, the directors elected from districts two and five shall serve for a term of two years, and the directors from districts three and six shall serve for a term of three years; thereafter, the terms of all directors shall be three years. All directors shall serve the term to which they were elected or appointed, and until their successors are elected and qualified, except in cases of resignation or disqualification. The county commission shall reapportion the ambulance districts within sixty days after the population of the county is reported to the governor for each decennial census of the United States. Notwithstanding any other provision of law, if the number of candidates for the office of director is no greater than the number of directors to be elected, no election shall be held, and the candidates shall assume the responsibilities of their offices at the same time and in the same manner as if they have been elected.

2. In all counties of the second class having more than one hundred five thousand inhabitants located adjacent to a county of the first class having a charter form of government which has a population of over nine hundred thousand inhabitants, the voters shall vote for six directors elected at large from within the district for a term of three years. Those directors holding office in any district in such a county on August 13, 1976, shall continue to hold office until the expiration of their terms, and their successors shall be elected from the district at large for a term of three years. In any district formed in such counties after August 13, 1976, the governing body of the county shall cause an election to be held in that district within ninety days after the order establishing the ambulance district to elect ambulance district directors. Each voter shall vote for six directors. The two candidates receiving the highest number of votes at such election shall be elected for a term of three years, the two candidates receiving the third and fourth highest number of votes shall be elected for a term of two years, the two candidates receiving the fifth and sixth highest number of votes shall be elected for a term of one year; thereafter, the term of all directors shall be three years.

3. A candidate for director of the ambulance district shall, at the time of filing, be a citizen of the United States, a qualified voter of the election district as provided in subsection 1 of this section, a resident of the district for two years next preceding the election, and shall be ~~[at least twenty-four years of age]~~ **twenty-one years of age or older**. In an established district which is located within the jurisdiction of more than one election authority, the candidate shall file his or her declaration of candidacy with the secretary of the board. In all other districts, a candidate shall file a declaration of candidacy with the county clerk of the county in which he or she resides. A candidate shall file a statement under oath that he or she possesses the required qualifications. No candidate's name shall be printed on any official ballot unless the candidate has filed a written declaration of candidacy pursuant to subsection 5 of section 115.127. If the time between the county commission's call for a special election and the date of the election is not sufficient to allow compliance with subsection 5 of section 115.127, the county commission shall, at the time it calls the special election, set the closing date for filing declarations of candidacy.

204.610. 1. There shall be five trustees, appointed or elected as provided for in the circuit court decree or amended decree of incorporation for a reorganized common sewer district, who shall reside within the boundaries of the district. Each trustee shall be a voter of the district and shall have resided in said district for twelve months immediately prior to the trustee's election or appointment. A trustee shall be ~~[at least twenty-five years of age]~~ **twenty-one years of age or older** and shall not be delinquent in the payment of taxes at the time of the trustee's election or appointment. Regardless of whether or not the trustees are elected or appointed, in the event the district extends into any county bordering the county in which the greater portion of the district lies, the presiding commissioner or other chief executive officer of the adjoining county shall be an additional member of the board of trustees, or the governing body of such bordering county may appoint a citizen from such county to serve as an additional member of the board of trustees. Said additional trustee shall meet the qualifications set forth in this section for a trustee.

2. The trustees shall receive no compensation for their services but may be compensated for reasonable expenses normally incurred in the performance of their duties. The board of trustees may employ and fix the compensation of such staff as may be necessary to discharge the business and purposes of the district, including clerks, attorneys, administrative assistants, and any other necessary personnel. The board of trustees may employ and fix the duties and compensation of an administrator for the district. The administrator shall be the chief executive officer of the district subject to the supervision and direction of the board of trustees. The administrator of the district may, with the approval of the board of trustees, retain consulting engineers for the district under such terms and conditions as may be necessary to discharge the business and purposes of the district.

3. Except as provided in subsection 1 of this section, the term of office of a trustee shall be five years. The remaining trustees shall appoint a person qualified under this section to fill any vacancy on the board. The initial trustees appointed by the circuit court shall serve until the first Tuesday after the first Monday in June or until the first Tuesday after the first Monday in April, depending upon the resolution of the trustees. In the event that the trustees are elected, said elections shall be conducted by the appropriate election authority under chapter 115. Otherwise, trustees shall be appointed by the county commission in accordance with the qualifications set forth in subsection 1 of this section.

4. Notwithstanding any other provision of law, if there is only one candidate for the post of trustee, then no election shall be held, and the candidate shall assume the responsibilities of office at the same time and in the same manner as if elected. If there is no candidate for the post of trustee, then no election shall be held for that post and it shall be considered vacant, to be filled under the provisions of subsection 3 of this section."; and

Further amend said bill, Page 33, Section 233.095, Line 9, by inserting after said section and line the following:

"247.060. 1. The management of the business and affairs of the district is hereby vested in a board of directors, who shall have all the powers conferred upon the district except as herein otherwise provided. It shall be composed of five members, each of whom shall be a voter of the district and shall have resided in said district one whole year immediately prior to his or her election. A member shall be ~~[at least twenty-five years of age]~~ **twenty-one years of age or older** and shall not be delinquent in the payment of taxes at the time of his ~~or her~~ election. Except as provided in subsection 2 of this section, the term of office of a member of the board shall be three years. The remaining members of the board shall appoint a qualified person to fill any vacancy on the board. If no qualified person who lives in the subdistrict for which there is a vacancy is willing to serve on the board, the board may appoint an otherwise qualified person who lives in the district but not in the subdistrict in which the vacancy exists to fill such vacancy.

2. After notification by certified mail that he or she has two consecutive unexcused absences, any member of the board failing to attend the meetings of the board for three consecutive regular meetings, unless excused by the board for reasons satisfactory to the board, shall be deemed to have vacated the seat, and the secretary of the board shall certify that fact to the board. The vacancy shall be filled as other vacancies occurring in the board.

3. The initial members of the board shall be appointed by the circuit court and one shall serve until the immediately following first Tuesday after the first Monday in April, two shall serve until the first Tuesday after the first Monday in April on the second year following their appointment and the remaining appointees shall serve until the first Tuesday after the first Monday in April on the third year following their appointment. On the expiration of such terms and on the expiration of any subsequent term, elections shall be held as otherwise provided by law, and such elections shall be held in April pursuant to section 247.180.

4. In 2008, 2009, and 2010, directors elected in such years shall serve from the first Tuesday after the first Monday in June until the first Tuesday in April of the third year following the year of their election. All directors elected thereafter shall serve from the first Tuesday in April until the first Tuesday in April of the third year following the year of their election.

5. Each member of the board may receive an attendance fee not to exceed one hundred dollars for attending each regularly called board meeting, or special meeting, but shall not be paid for attending more than two meetings in any calendar month, except that in a county of the first classification, a member shall not be paid for attending more than four meetings in any calendar month. However, no board member shall be paid more than one attendance fee if such member attends more than one board meeting in a calendar week. In addition, the president of the board of directors may receive fifty dollars for attending each regularly or specially called board meeting, but shall not be paid the additional fee for attending more than two meetings in any calendar month. Each member of the board shall be reimbursed for his or her actual expenditures in the performance of his or her duties on behalf of the district.

6. In no event, however, shall a board member receive any attendance fees or additional compensation authorized in subsection 5 of this section until after such board member has completed a minimum of six hours training regarding the responsibilities of the board and its members concerning the basics of water treatment and distribution, budgeting and rates, water utility planning, the funding of capital improvements, the understanding of water utility financial statements, the Missouri sunshine law, and this chapter.

7. The circuit court of the county having jurisdiction over the district shall have jurisdiction over the members of the board of directors to suspend any member from exercising his or her office, whensoever it appears that he or she has abused his or her trust or become disqualified; to remove any member upon proof or conviction of gross misconduct or disqualification for his or her office; or to restrain and prevent any alienation of property of the district by members, in cases where it is threatened, or there is good reason to apprehend that it is intended to be made in fraud of the rights and interests of the district.

8. The jurisdiction conferred by this section shall be exercised as in ordinary cases upon petition, filed by or at the instance of any member of the board, or at the instance of any ten voters residing in the district who join in the petition, verified by the affidavit of at least one of them. The petition shall be heard in a summary manner after ten days' notice in writing to the member or officer complained of. An appeal shall lie from the judgment of the circuit court as in other causes, and shall be speedily determined; but an appeal does not operate under any condition as a supersedeas of a judgment of suspension or removal from office.

249.140. 1. Any candidate for the office of trustee in the district shall be an American citizen ~~[over the age of twenty-five years]~~ **twenty-one years of age or older** and shall have been a resident within the county within which the district is situated for more than four whole years next before the date of the election at which he **or she** is a candidate and shall be a voter of the district. Any person desiring to become a candidate for the office of trustee at the election held on the original incorporation of the district, as provided in section 249.070, shall file with the county commission or with the election commissioners a statement, under oath, that he **or she** possesses the qualifications required by sections 249.010 to 249.420 for trustee and shall pay a filing fee of five dollars, whereupon his **or her** name shall be placed on the ballot as candidate for trustee. Any person desiring to become a candidate for the office of trustee in any subsequent election shall file such statement, under oath, with and pay such filing fee to the secretary of the board of trustees, whereupon his **or her** name shall be placed on the ballot as candidate for the office of trustee.

2. At such initial election the candidate who receives the highest number of votes shall be elected for a six-year term as trustee; the candidate who receives the second highest number of votes shall be elected for a four-year term as trustee; the candidate who receives the third highest number of votes shall be elected for a two-year term as trustee.

3. After his **or her** election each trustee shall take and subscribe ~~[his]~~ **an** oath or affirmation before the clerk of the circuit court to the effect that he **or she** is qualified to act as trustee under the provisions of sections 249.010 to 249.420 and that he **or she** will perform his **or her** duties as such trustee to the best of his **or her** ability and impartially in the interest of the whole district.

321.130. A person, to be qualified to serve as a director, shall be a resident and voter of the district for at least one year before the election or appointment and ~~[be over the age of twenty-four years]~~ **shall be twenty-one years of age or older**. In the event the person is no longer a resident of the district, the person's office shall be vacated, and the vacancy shall be filled as provided in section 321.200. Nominations and declarations of candidacy shall be filed at the headquarters of the fire protection district by paying a filing fee equal to the amount of a candidate for county office as set forth under section 115.357, and filing a statement under oath that such person possesses the required qualifications. Thereafter, such candidate shall have the candidate's name placed on the ballot as a candidate for director."; and

Further amend said bill, Page 35, Section 473.742, Line 84, by inserting after said section and line the following:

"483.010. No person shall be appointed or elected clerk of any court, unless he ~~[be]~~ **or she is** a citizen of the United States, ~~[above the age of twenty-one years]~~ **twenty-one years of age or older**, and shall have resided within the state one whole year, and within the geographical area over which the court has jurisdiction or, in the case of circuit clerks, within the county from which elected, three months before the appointment or election; and every clerk shall, after his **or her** appointment or election, reside in the geographical area over which the court he **or she** serves has jurisdiction or, in the case of circuit clerks, in the county for which he **or she** is clerk."; and"; and

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

SIXTY-NINTH DAY, WEDNESDAY, MAY 11, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

And thou shalt be called the prophet of the Most High... to give light to those who sit in darkness and guide our feet into the way of peace. (Luke 1:76-79)

Our God, at the gate of a new day we bow in deep silence before You, praying for a renewal of our energy as we face these busy final days which can try our souls, cause us to lose patience with each other, and make us impatient with ourselves.

That we may be at our best and do our very best for You and for our state, grant us the courage of a humble mind, the creative faith of a great hope, and the confident peace of a heart based on You.

By the power of Your grace, may we maintain our integrity, be motivated by justice, and move resolutely in the direction of justice and honesty. Bless the peacemakers and may the peace be righteous and enduring for the good of all Missourians.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-eighth day was approved as corrected by the following vote:

House Amendment No. 2

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 908, Pages 32-38, Section 137.115, Lines 1-210, by deleting all of said section and lines from the bill and inserting in lieu thereof the following:

"137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in all counties of this state including the City of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in subsection 3 of this section and section 137.078, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection 5 of this section. The true value in money of any possessory interest in real property in subclass (3), where such real property is on or lies within the ultimate airport boundary as shown by a federal airport layout plan, as defined by 14 CFR 151.5, of a commercial airport having a FAR Part 139 certification and owned by a political subdivision, shall be the otherwise applicable true value in money of any such possessory interest in real property, less the total dollar amount of costs paid by a party, other than the political subdivision, towards any new construction or improvements on such real property completed after January 1, 2008, and which are included in the above-mentioned possessory interest, regardless of the year in which such costs were incurred or whether such costs were considered in any prior year. The assessor shall annually assess all real property in the following manner: new assessed values shall be determined as of January first of each odd-numbered year and shall be entered in the assessor's books; those same assessed values shall apply in the following even-numbered year, except for new construction and property improvements which shall be valued as though they had been completed as of January first of the preceding odd-numbered year. The assessor may call at the office, place of doing business, or residence of each person required by this chapter to list property, and require the person to make a correct statement of all taxable tangible personal property owned by the person or under his or her care, charge or management, taxable in the county. On or before January first of each even-numbered year, the assessor shall prepare and submit a two-year assessment maintenance plan to the county governing body and the state tax commission for their respective approval or modification. The county governing body shall approve and forward such plan or its alternative to the plan to the state tax commission by February first. If the county governing body fails to forward the plan or its alternative to the plan to the state tax commission by February first, the assessor's plan shall be considered approved by the county governing body. If the state tax commission fails to approve a plan and if the state tax commission and the assessor and the governing body of the county involved are unable to resolve the differences, in order to receive state cost-share funds outlined in section 137.750, the county or the assessor shall petition the administrative hearing commission, by May first, to decide all matters in dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by the parties. The final decision of the administrative hearing commission shall be subject to judicial review in the circuit court of the county involved. In the event a valuation of subclass (1) real property within any

county with a charter form of government, or within a city not within a county, is made by a computer, computer-assisted method or a computer program, the burden of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing or appeal. In any such county, unless the assessor proves otherwise, there shall be a presumption that the assessment was made by a computer, computer-assisted method or a computer program. Such evidence shall include, but shall not be limited to, the following:

(1) The findings of the assessor based on an appraisal of the property by generally accepted appraisal techniques; and

(2) The purchase prices from sales of at least three comparable properties and the address or location thereof. As used in this subdivision, the word "comparable" means that:

(a) Such sale was closed at a date relevant to the property valuation; and

(b) Such properties are not more than one mile from the site of the disputed property, except where no similar properties exist within one mile of the disputed property, the nearest comparable property shall be used. Such property shall be within five hundred square feet in size of the disputed property, and resemble the disputed property in age, floor plan, number of rooms, and other relevant characteristics.

2. Assessors in each county of this state and the City of St. Louis may send personal property assessment forms through the mail.

3. The following items of personal property shall each constitute separate subclasses of tangible personal property and shall be assessed and valued for the purposes of taxation at the following percentages of their true value in money:

(1) Grain and other agricultural crops in an unmanufactured condition, one-half of one percent;

(2) Livestock, twelve percent;

(3) Farm machinery, twelve percent;

(4) Motor vehicles which are eligible for registration as and are registered as historic motor vehicles pursuant to section 301.131 and aircraft which are at least twenty-five years old and which are used solely for noncommercial purposes and are operated less than two hundred hours per year or aircraft that are home built from a kit, five percent;

(5) Poultry, twelve percent; and

(6) Tools and equipment used for pollution control and tools and equipment used in retooling for the purpose of introducing new product lines or used for making improvements to existing products by any company which is located in a state enterprise zone and which is identified by any standard industrial classification number cited in subdivision (7) of section 135.200, twenty-five percent.

4. The person listing the property shall enter a true and correct statement of the property, in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered to the assessor.

5. (1) All subclasses of real property, as such subclasses are established in Section 4(b) of Article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the following percentages of true value:

(a) For real property in subclass (1), nineteen percent;

(b) For real property in subclass (2), twelve percent; and

(c) For real property in subclass (3), thirty-two percent.

(2) A taxpayer may apply to the county assessor, or, if not located within a county, then the assessor of such city, for the reclassification of such taxpayer's real property if the use or purpose of such real property is changed after such property is assessed under the provisions of this chapter. If the assessor determines that such property shall be reclassified, he or she shall determine the assessment under this subsection based on the percentage of the tax year that such property was classified in each subclassification.

6. Manufactured homes, as defined in section 700.010, which are actually used as dwelling units shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request is made; however, the removal from the tax books does not remove the tax lien on the manufactured home if it is later identified or found. For purposes of this section, a manufactured home located in a manufactured home rental park, rental community or on real estate not owned by the manufactured home owner shall be considered personal property. For purposes of this section, a manufactured home located on real estate owned by the manufactured home owner may be considered real property.

7. Each manufactured home assessed shall be considered a parcel for the purpose of reimbursement pursuant to section 137.750, unless the manufactured home is deemed to be real estate as defined in subsection 7 of section 442.015 and assessed as a realty improvement to the existing real estate parcel.

8. Any amount of tax due and owing based on the assessment of a manufactured home shall be included on the personal property tax statement of the manufactured home owner unless the manufactured home is deemed to be real estate as defined in subsection 7 of section 442.015, in which case the amount of tax due and owing on the assessment of the manufactured home as a realty improvement to the existing real estate parcel shall be included on the real property tax statement of the real estate owner.

9. The assessor of each county and each city not within a county shall use the trade-in value published in the **current or two previous years** October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, as the recommended guide of information for determining the true value of motor vehicles described in such publication. **The assessor may assign any value that the assessor deems to be the true value, provided that such value is not greater than the current October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, and such value is not less than the lowest value in the current or two previous years of such publication.** The assessor shall not use a value that is greater than the average trade-in value in determining the true value of the motor vehicle without performing a physical inspection of the motor vehicle. For vehicles two years old or newer from a vehicle's model year, the assessor may use a value other than average without performing a physical inspection of the motor vehicle. **For the purposes of this section, in the absence of a listing for a particular motor vehicle, recreational vehicle, or agricultural equipment in such publication, excluding tangible personal property as described in section 137.122, section 137.123, chapter 151, chapter 153, and chapter 155, the assessor ~~shall~~ may use such information or publications which in the assessor's judgment will fairly estimate the true value in money of the motor vehicle, recreational vehicle, or agricultural equipment in the current year or two previous years. If an assessor used a publication other than the current October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, the assessor may assign any value that the assessor deems to be the true value, provided that such value is not greater than the current publication's value, and such value is not less than the lowest value in the current or two previous years of such publication.**

10. Before the assessor may increase the assessed valuation of any parcel of subclass (1) real property by more than fifteen percent since the last assessment, excluding increases due to new construction or improvements, the assessor shall conduct a physical inspection of such property.

11. If a physical inspection is required, pursuant to subsection 10 of this section, the assessor shall notify the property owner of that fact in writing and shall provide the owner clear written notice of the owner's rights relating to the physical inspection. If a physical inspection is required, the property owner may request that an interior inspection be performed during the physical inspection. The owner shall have no less than thirty days to notify the assessor of a request for an interior physical inspection.

12. A physical inspection, as required by subsection 10 of this section, shall include, but not be limited to, an on-site personal observation and review of all exterior portions of the land and any buildings and improvements to which the inspector has or may reasonably and lawfully gain external access, and shall include an observation and review of the interior of any buildings or improvements on the property upon the timely request of the owner pursuant to subsection 11 of this section. Mere observation of the property via a drive-by inspection or the like shall not be considered sufficient to constitute a physical inspection as required by this section.

13. A county or city collector may accept credit cards as proper form of payment of outstanding property tax or license due. No county or city collector may charge surcharge for payment by credit card which exceeds the fee or surcharge charged by the credit card bank, processor, or issuer for its service. A county or city collector may accept payment by electronic transfers of funds in payment of any tax or license and charge the person making such payment a fee equal to the fee charged the county by the bank, processor, or issuer of such electronic payment.

14. Any county or city not within a county in this state may, by an affirmative vote of the governing body of such county, opt out of the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of the general reassessment, prior to January first of any year. No county or city not within a county shall exercise this opt-out provision after implementing the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, in a year of general reassessment. For the purposes of applying the provisions of this subsection, a political subdivision

contained within two or more counties where at least one of such counties has opted out and at least one of such counties has not opted out shall calculate a single tax rate as in effect prior to the enactment of house bill no. 1150 of the ninety-first general assembly, second regular session. A governing body of a city not within a county or a county that has opted out under the provisions of this subsection may choose to implement the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session, and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of general reassessment, by an affirmative vote of the governing body prior to December thirty-first of any year.

15. The governing body of any city of the third classification with more than twenty-six thousand three hundred but fewer than twenty-six thousand seven hundred inhabitants located in any county that has exercised its authority to opt out under subsection 14 of this section may levy separate and differing tax rates for real and personal property only if such city bills and collects its own property taxes or satisfies the entire cost of the billing and collection of such separate and differing tax rates. Such separate and differing rates shall not exceed such city's tax rate ceiling.

16. Any portion of real property that is available as reserve for strip, surface, or coal mining for minerals for purposes of excavation for future use or sale to others that has not been bonded and permitted under chapter 444 shall be assessed based upon how the real property is currently being used. Any information provided to a county assessor, state tax commission, state agency, or political subdivision responsible for the administration of tax policies shall, in the performance of its duties, make available all books, records, and information requested, except such books, records, and information as are by law declared confidential in nature, including individually identifiable information regarding a specific taxpayer or taxpayer's mine property. For purposes of this subsection, "mine property" shall mean all real property that is in use or readily available as a reserve for strip, surface, or coal mining for minerals for purposes of excavation for current or future use or sale to others that has been bonded and permitted under chapter 444.

17. The true value of a taxpayer's personal property assessed under subsection 9 of this section shall not increase more than the consumer price index established in subsection 4 of section 137.073. The provisions of this subsection shall become effective January 1, 2023."; and

House Amendment No. 4

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 908, Page 38, Section 137.115, Line 210, by inserting after all of said section and line the following:

"143.121. 1. The Missouri adjusted gross income of a resident individual shall be the taxpayer's federal adjusted gross income subject to the modifications in this section.

2. There shall be added to the taxpayer's federal adjusted gross income:

(1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit. The amount added pursuant to this subdivision shall not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability pursuant to Public Law 116-136 or 116-260, enacted by the 116th United States Congress, for the tax year beginning on or after January 1, 2020, and ending on or before December 31, 2020, and deducted from Missouri adjusted gross income pursuant to section 143.171. The amount added under this subdivision shall also not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability under any other federal law that provides direct economic impact payments to taxpayers to mitigate financial challenges related to the COVID-19 pandemic, and deducted from Missouri adjusted gross income under section 143.171;

(2) Interest on certain governmental obligations excluded from federal gross income by 26 U.S.C. Section 103 of the Internal Revenue Code, as amended. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (1) of subsection 3 of this section. The amount added pursuant to this subdivision shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of 26 U.S.C. Section 265 of the Internal Revenue Code, as amended. The reduction shall only be made if it is at least five hundred dollars;

(3) The amount of any deduction that is included in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount deducted exceeds the amount that would have been deductible pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code of 1986 as in effect on January 1, 2002;

(4) The amount of any deduction that is included in the computation of federal taxable income for net operating loss allowed by 26 U.S.C. Section 172 of the Internal Revenue Code of 1986, as amended, other than the deduction allowed by 26 U.S.C. Section 172(b)(1)(G) and 26 U.S.C. Section 172(i) of the Internal Revenue Code of 1986, as amended, for a net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or carries forward for a period of more than twenty years and carries backward for more than two years. Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes pursuant to this subdivision after June 18, 2002, may be carried forward and taken against any income on the Missouri income tax return for a period of not more than twenty years from the year of the initial loss; and

(5) For nonresident individuals in all taxable years ending on or after December 31, 2006, the amount of any property taxes paid to another state or a political subdivision of another state for which a deduction was allowed on such nonresident's federal return in the taxable year unless such state, political subdivision of a state, or the District of Columbia allows a subtraction from income for property taxes paid to this state for purposes of calculating income for the income tax for such state, political subdivision of a state, or the District of Columbia;

(6) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in a previous taxable year, but allowed as a deduction under 26 U.S.C. Section 163, as amended, in the current taxable year by reason of the carryforward of disallowed business interest provisions of 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C. Section 163(j), as amended, did not exist.

3. There shall be subtracted from the taxpayer's federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

(1) Interest received on deposits held at a federal reserve bank or interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent exempt from Missouri income taxes pursuant to the laws of the United States. The amount subtracted pursuant to this subdivision shall be reduced by any interest on indebtedness incurred to carry the described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this subdivision. The reduction in the previous sentence shall only apply to the extent that such expenses including amortizable bond premiums are deducted in determining the taxpayer's federal adjusted gross income or included in the taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(5) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(6) The portion of capital gain specified in section 135.357 that would otherwise be included in federal adjusted gross income;

(7) The amount that would have been deducted in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;

(8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the

United States by Executive Order designates as an area in which Armed Forces of the United States are or have engaged in combat. Service is performed in a combat zone only if performed on or after the date designated by the President by Executive Order as the date of the commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone;

(9) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an additional modification was made under subdivision (3) of subsection 2 of this section, the amount by which additional modification made under subdivision (3) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in subdivision (7) of this subsection;

(10) For all tax years beginning on or after January 1, 2014, the amount of any income received as payment from any program which provides compensation to agricultural producers who have suffered a loss as the result of a disaster or emergency, including the:

- (a) Livestock Forage Disaster Program;
- (b) Livestock Indemnity Program;
- (c) Emergency Assistance for Livestock, Honeybees, and Farm-Raised Fish;
- (d) Emergency Conservation Program;
- (e) Noninsured Crop Disaster Assistance Program;
- (f) Pasture, Rangeland, Forage Pilot Insurance Program;
- (g) Annual Forage Pilot Program;
- (h) Livestock Risk Protection Insurance Plan;
- (i) Livestock Gross Margin Insurance Plan;

(11) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in the current taxable year, but not deducted as a result of the limitation imposed under 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C. Section 163(j), as amended, did not exist; ~~and~~

(12) One hundred percent of any retirement benefits received by any taxpayer as a result of the taxpayer's service in the Armed Forces of the United States, including reserve components and the National Guard of this state, as defined in 32 U.S.C. Sections 101(3) and 109, and any other military force organized under the laws of this state; **and**

(13) For taxpayers authorized to conduct business under Article XIV of the Constitution of Missouri, the amount that would have been deducted from the computation of the taxpayer's federal taxable income if such a deduction were not disallowed under 26 U.S.C. Section 280E, as in effect on January 1, 2022, because of the status of marijuana as a controlled substance under federal law.

4. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the taxpayer's share of the Missouri fiduciary adjustment provided in section 143.351.

5. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the modifications provided in section 143.411.

6. In addition to the modifications to a taxpayer's federal adjusted gross income in this section, to calculate Missouri adjusted gross income there shall be subtracted from the taxpayer's federal adjusted gross income any gain recognized pursuant to 26 U.S.C. Section 1033 of the Internal Revenue Code of 1986, as amended, arising from compulsory or involuntary conversion of property as a result of condemnation or the imminence thereof.

7. (1) As used in this subsection, "qualified health insurance premium" means the amount paid during the tax year by such taxpayer for any insurance policy primarily providing health care coverage for the taxpayer, the taxpayer's spouse, or the taxpayer's dependents.

(2) In addition to the subtractions in subsection 3 of this section, one hundred percent of the amount of qualified health insurance premiums shall be subtracted from the taxpayer's federal adjusted gross income to the extent the amount paid for such premiums is included in federal taxable income. The taxpayer shall provide the department of revenue with proof of the amount of qualified health insurance premiums paid.

8. (1) Beginning January 1, 2014, in addition to the subtractions provided in this section, one hundred percent of the cost incurred by a taxpayer for a home energy audit conducted by an entity certified by the department of natural resources under section 640.153 or the implementation of any energy efficiency recommendations made in such an audit shall be subtracted from the taxpayer's federal adjusted gross income to the extent the amount paid for any such activity is included in federal taxable income. The taxpayer shall provide the department of revenue

with a summary of any recommendations made in a qualified home energy audit, the name and certification number of the qualified home energy auditor who conducted the audit, and proof of the amount paid for any activities under this subsection for which a deduction is claimed. The taxpayer shall also provide a copy of the summary of any recommendations made in a qualified home energy audit to the department of natural resources.

(2) At no time shall a deduction claimed under this subsection by an individual taxpayer or taxpayers filing combined returns exceed one thousand dollars per year for individual taxpayers or cumulatively exceed two thousand dollars per year for taxpayers filing combined returns.

(3) Any deduction claimed under this subsection shall be claimed for the tax year in which the qualified home energy audit was conducted or in which the implementation of the energy efficiency recommendations occurred. If implementation of the energy efficiency recommendations occurred during more than one year, the deduction may be claimed in more than one year, subject to the limitations provided under subdivision (2) of this subsection.

(4) A deduction shall not be claimed for any otherwise eligible activity under this subsection if such activity qualified for and received any rebate or other incentive through a state-sponsored energy program or through an electric corporation, gas corporation, electric cooperative, or municipally owned utility.

2. An online marketplace shall require any high-volume third-party seller on the online marketplace to provide, no later than ten days after qualifying as a high-volume third-party seller, the following information:
- (1) Bank account information, including a bank account number or, if such seller does not have a bank account, the name of the payee for payments issued by the online marketplace to such seller. The bank account or payee information required under this subdivision may be provided by the seller in the following ways:

 - (c) Such seller has provided any changes to such information to the online marketplace.
4. In the event that a high-volume third-party seller does not provide the information or certification required under subsections 2 and 3 of this section, the online marketplace shall, after providing the seller with written or electronic notice and an opportunity to provide such information or certification no later than ten days after the issuance of such notice, suspend any future sales activity of such seller until such seller provides such information or certification.
5. (1) An online marketplace shall:

(a) Verify the information collected in subsection 2 of this section no later than ten days after such collection; and

(b) Verify any change to such information no later than ten days after being notified of such change by a high-volume third-party seller under subsection 3 of this section.

(2) In the case of a high-volume third-party seller who provides a copy of a valid government-issued tax document, any information contained in such tax document shall be presumed to be verified as of the date of issuance of such document.

(3) Data collected to comply solely with the requirements of this section shall not be used for any other purpose unless required by law.

(4) An online marketplace shall implement and maintain reasonable security procedures and practices, including administrative, physical, and technical safeguards, appropriate to the nature of the data and the purposes for which the data will be used, to protect the data collected to comply with the requirements of this section from unauthorized use, disclosure, access, destruction, or modification.

6. (1) An online marketplace shall:

(a) Require any high-volume third-party seller with an aggregate total of twenty thousand dollars or more in annual gross revenues on such online marketplace, and that uses such online marketplace's platform, to provide the information described in subdivision (2) of this subsection to the online marketplace; and

(b) Disclose the information described in subdivision (2) of this subsection to consumers in a clear and conspicuous manner in the order confirmation message or other document or communication made to a consumer after a purchase is finalized and in the consumer's account transaction history.

(2) The information required shall be the following:

(a) Subject to subdivision (3) of this subsection, the identity of the high-volume third-party seller, including:

a. The full name of the seller, which may include the seller's name or seller's company name, or the name by which the seller or company operates on the online marketplace;

(3) Subject to subdivision (2) of this subsection, upon the request of a high-volume third-party seller, an online marketplace may provide for partial disclosure of the identity information required under paragraph (a) of subdivision (2) of this subsection in the following situations:

(a) If such seller certifies to the online marketplace that the seller does not have a business address and only has a residential street address, or has a combined business and residential address, the online marketplace may:

a. Disclose only the country and, if applicable, the state in which such seller resides; and

b. Inform consumers that there is no business address available for the seller and that consumer inquiries should be submitted to the seller by phone, email, or other means of electronic messaging provided to such seller by the online marketplace;

(b) If such seller certifies to the online marketplace that the seller is a business that has a physical address for product returns, the online marketplace may disclose the seller's physical address for product returns; and

(c) If such seller certifies to the online marketplace that the seller does not have a phone number other than a personal phone number, the online marketplace shall inform consumers that there is no phone number available for the seller and that consumer inquiries should be submitted to the seller's email address or other means of electronic messaging provided to such seller by the online marketplace.

(4) If an online marketplace becomes aware that a high-volume third-party seller has made a false representation to the online marketplace in order to justify the provision of a partial disclosure under subdivision (1) of this subsection or that a high-volume third-party seller who has requested and received a provision for a partial disclosure under subdivision (1) of this subsection has not provided responsive answers within a reasonable time frame to consumer inquiries submitted to the seller by phone, email, or other means of electronic messaging provided to such seller by the online marketplace, the online marketplace shall, after providing the seller with written or electronic notice and an opportunity to respond no later than ten days after the issuance of such notice, suspend any future sales activity of such seller unless such seller consents to the disclosure of the identity information required under paragraph (a) of subdivision (2) of this subsection.

(5) An online marketplace shall disclose to consumers in a clear and conspicuous manner on the product listing of any high-volume third-party seller a reporting mechanism that allows for electronic and telephonic reporting of suspicious marketplace activity to the online marketplace.

(6) If a high-volume third-party seller does not comply with the requirements to provide and disclose information under this subsection, the online marketplace shall, after providing the seller with written or electronic notice and an opportunity to provide or disclose such information no later than ten days after the issuance of such notice, suspend any future sales activity of such seller until the seller complies with such requirements.

7. (1) A violation of the provisions of this section shall be treated as a violation of sections 407.010 to 407.130 and shall be enforced solely by the attorney general. Nothing in this section shall be construed as providing the basis for, or subjecting a party to, a private civil action.

(2) The attorney general may promulgate rules and regulations with respect to collecting, verifying, and disclosing information under this section, provided that such rules and regulations are limited to what is necessary to collect, verify, or disclose such information. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after the effective date of this section shall be invalid and void.

455.073. 1. By July 1, 1996, the supreme court of the state of Missouri shall:

- (1) Develop and adopt uniform forms for petitions and orders of protection; and
- (2) Provide the forms to each circuit clerk.

2. The following statements shall be printed in bold faced type or in capital letters on the order of protection:

- (1) "Violation of this order may be punished by confinement in jail for as long as five years and by a fine of as much as five thousand dollars"; and
- (2) "If so ordered by the court, the respondent is forbidden to enter or stay at the petitioner's residence".

3. The form prescribed by the supreme court for the notice of hearing required by subsection 2 of section 455.040 shall list all potential relief that can be granted by the court in any proceeding pursuant to sections 455.010 to 455.085 as described in section 455.050, and shall advise the respondent that such relief may be granted if the court finds for the petitioner, or if the respondent defaults to the petition.

4. If a full order of protection is granted, all temporary orders shall continue in the full order of protection and shall remain in full force and effect unless otherwise ordered by the court.

5. All orders of protection shall be issued on the form adopted pursuant to subsection 1 of this section.

455.075. The court may order a party to pay a reasonable amount to the other party for attorney's fees incurred prior to the commencement of the proceeding ~~or~~, **throughout the proceeding**, and after entry of judgment. The court shall consider all relevant factors, including the financial resources of both parties, and may order that the amount be paid directly to the attorney, who may enforce the order in his name.

455.085. 1. When a law enforcement officer has probable cause to believe a party has committed a violation of law amounting to domestic violence, as defined in section 455.010, against a family or household member, the officer may arrest the offending party whether or not the violation occurred in the presence of the arresting officer. When the officer declines to make arrest pursuant to this subsection, the officer shall make a written report of the incident completely describing the offending party, giving the victim's name, time, address, reason why no arrest was made and any other pertinent information. Any law enforcement officer subsequently called to the same address within a twelve-hour period, who shall find probable cause to believe the same offender has again committed a violation as stated in this subsection against the same or any other family or household member, shall arrest the offending party for this subsequent offense. The primary report of nonarrest in the

preceding twelve-hour period may be considered as evidence of the defendant's intent in the violation for which arrest occurred. The refusal of the victim to sign an official complaint against the violator shall not prevent an arrest under this subsection.

2. When a law enforcement officer has probable cause to believe that a party, against whom a protective order has been entered and who has notice of such order entered, has committed an act of abuse in violation of such order, the officer shall arrest the offending party-respondent whether or not the violation occurred in the presence of the arresting officer. Refusal of the victim to sign an official complaint against the violator shall not prevent an arrest under this subsection.

3. When an officer makes an arrest, the officer is not required to arrest two parties involved in an assault when both parties claim to have been assaulted. The arresting officer shall attempt to identify and shall arrest the party the officer believes is the primary physical aggressor. The term "primary physical aggressor" is defined as the most significant, rather than the first, aggressor. The law enforcement officer shall consider any or all of the following in determining the primary physical aggressor:

- (1) The intent of the law to protect victims from continuing domestic violence;
- (2) The comparative extent of injuries inflicted or serious threats creating fear of physical injury;
- (3) The history of domestic violence between the persons involved.

No law enforcement officer investigating an incident of domestic violence shall threaten the arrest of all parties for the purpose of discouraging requests or law enforcement intervention by any party. Where complaints are received from two or more opposing parties, the officer shall evaluate each complaint separately to determine whether the officer should seek a warrant for an arrest.

4. In an arrest in which a law enforcement officer acted in good faith reliance on this section, the arresting and assisting law enforcement officers and their employing entities and superiors shall be immune from liability in any civil action alleging false arrest, false imprisonment or malicious prosecution.

5. When a person against whom an order of protection has been entered fails to surrender custody of minor children to the person to whom custody was awarded in an order of protection, the law enforcement officer shall arrest the respondent, and shall turn the minor children over to the care and custody of the party to whom such care and custody was awarded.

6. The same procedures, including those designed to protect constitutional rights, shall be applied to the respondent as those applied to any individual detained in police custody.

7. A violation of the terms and conditions, with regard to domestic violence, stalking, sexual assault, child custody, communication initiated by the respondent or entrance upon the premises of the petitioner's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of an ex parte order of protection of which the respondent has notice, shall be a class A misdemeanor unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class E felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of such prior pleas of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict.

8. A violation of the terms and conditions, with regard to domestic violence, stalking, sexual assault, child custody, communication initiated by the respondent or entrance upon the premises of the petitioner's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of a full order of protection shall be a class A misdemeanor, unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class E felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of such prior plea of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of the sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict. For the purposes of this subsection, in addition to the notice provided by actual service of the order, a party is deemed to have notice of an order of protection if:

(1) The law enforcement officer responding to a call of a reported incident of domestic violence, stalking, sexual assault, or violation of an order of protection presented a copy of the order of protection to the respondent; **or**

(2) Notice is given by actual communication to the respondent in a manner reasonably likely to advise the respondent.

9. Good faith attempts to effect a reconciliation of a marriage shall not be deemed tampering with a witness or victim tampering under section 575.270.

10. Nothing in this section shall be interpreted as creating a private cause of action for damages to enforce the provisions set forth herein.

476.055. 1. There is hereby established in the state treasury the "Statewide Court Automation Fund". All moneys collected pursuant to section 488.027, as well as gifts, contributions, devises, bequests, and grants received relating to automation of judicial record keeping, and moneys received by the judicial system for the dissemination of information and sales of publications developed relating to automation of judicial record keeping, shall be credited to the fund. Moneys credited to this fund may only be used for the purposes set forth in this section and as appropriated by the general assembly. Any unexpended balance remaining in the statewide court automation fund at the end of each biennium shall not be subject to the provisions of section 33.080 requiring the transfer of such unexpended balance to general revenue; except that, any unexpended balance remaining in the fund on September 1, [2023] 2028, shall be transferred to general revenue.

2. The statewide court automation fund shall be administered by a court automation committee consisting of the following: the chief justice of the supreme court, a judge from the court of appeals, four circuit judges, four associate circuit judges, four employees of the circuit court, the commissioner of administration, two members of the house of representatives appointed by the speaker of the house, two members of the senate appointed by the president pro tem of the senate, the executive director of the Missouri office of prosecution services, the director of the state public defender system, and two members of the Missouri Bar. The judge members and employee members shall be appointed by the chief justice. The commissioner of administration shall serve ex officio. The members of the Missouri Bar shall be appointed by the board of governors of the Missouri Bar. Any member of the committee may designate another person to serve on the committee in place of the committee member.

3. The committee shall develop and implement a plan for a statewide court automation system. The committee shall have the authority to hire consultants, review systems in other jurisdictions and purchase goods and services to administer the provisions of this section. The committee may implement one or more pilot projects in the state for the purposes of determining the feasibility of developing and implementing such plan. The members of the committee shall be reimbursed from the court automation fund for their actual expenses in performing their official duties on the committee.

4. Any purchase of computer software or computer hardware that exceeds five thousand dollars shall be made pursuant to the requirements of the office of administration for lowest and best bid. Such bids shall be subject to acceptance by the office of administration. The court automation committee shall determine the specifications for such bids.

5. The court automation committee shall not require any circuit court to change any operating system in such court, unless the committee provides all necessary personnel, funds and equipment necessary to effectuate the required changes. No judicial circuit or county may be reimbursed for any costs incurred pursuant to this subsection unless such judicial circuit or county has the approval of the court automation committee prior to incurring the specific cost.

6. Any court automation system, including any pilot project, shall be implemented, operated and maintained in accordance with strict standards for the security and privacy of confidential judicial records. Any person who knowingly releases information from a confidential judicial record is guilty of a class B misdemeanor. Any person who, knowing that a judicial record is confidential, uses information from such confidential record for financial gain is guilty of a class E felony.

7. On the first day of February, May, August and November of each year, the court automation committee shall file a report on the progress of the statewide automation system with:

- (1) The chair of the house budget committee;
- (2) The chair of the senate appropriations committee;
- (3) The chair of the house judiciary committee; and
- (4) The chair of the senate judiciary committee.

8. Section 488.027 shall expire on September 1, [2023] 2028. The court automation committee established pursuant to this section may continue to function until completion of its duties prescribed by this section[, but shall complete its duties prior to September 1, 2025].

9. This section shall expire on September 1, 2025].

490.800. 1. Notwithstanding the sovereign immunity of the state, any individual who was found guilty of a felony in a Missouri court and was later determined to be actually innocent of such offense by admissible evidence may be paid restitution. Any individual who receives restitution under this section shall not also receive restitution under section 650.058 for the same offense for which the individual was determined to be actually innocent. The individual shall receive an amount of one hundred dollars per day for each day of postconviction incarceration for the offense for which the individual is determined to be actually innocent under this section. The petition for the payment of such restitution shall be filed with the sentencing court. For the purposes of this section, the term "actually innocent" shall mean:

(1) The individual was convicted of a felony for which a final order of release was entered based on an order setting aside the judgment of conviction by the sentencing court pursuant to section 547.031, based on a finding of actual innocence entered by the sentencing court pursuant to section 547.031, or by writ otherwise authorized by law;

(2) All appeals of the order of release have been exhausted; and

(3) The individual was not serving any term of a sentence for any other offense concurrently with the sentence for which he or she is determined to be actually innocent, unless such individual was serving another concurrent sentence because his or her parole was revoked by a court or the parole board in connection with the offense for which the person has been exonerated. Regardless of whether any other basis may exist for the revocation of the person's probation or parole at the time of conviction for the offense for which the person is later determined to be actually innocent, when the court's or the parole board's sole stated reason for the revocation in its order is the conviction for the offense for which the person is later determined to be actually innocent, such order shall, for purposes of this section only, be conclusive evidence that the person's probation or parole was revoked in connection with the offense for which the person has been exonerated.

Any individual who receives restitution under this section shall not also receive restitution under section 650.058 for the same offense the person was determined to be actually innocent and shall be prohibited from seeking any civil redress from the state, its departments and agencies, or any employee thereof, or any political subdivision or its employees. This section shall not be construed as a waiver of sovereign immunity for any purposes other than the restitution provided for herein. The department of corrections shall determine the aggregate amount of restitution owed during a fiscal year. If insufficient moneys are appropriated each fiscal year to pay restitution to such persons, the department shall pay each individual who has received an order awarding restitution a pro rata share of the amount appropriated. Provided sufficient moneys are appropriated to the department, the amounts owed to such individual shall be paid on June thirtieth of each subsequent fiscal year, until such time as the restitution to the individual has been paid in full. No individual awarded restitution under this subsection shall receive more than thirty-six thousand five hundred dollars during each fiscal year. No interest on unpaid restitution shall be awarded to the individual. No individual who has been determined by the court to be actually innocent shall be responsible for the costs of care under section 217.831.

2. A petition for payment of restitution under this section may be filed only by the individual determined to be actually innocent or the individual's legal guardian. No claim or petition for restitution under this section may be filed by the individual's heirs or assigns. An individual's right to receive restitution under this section is not assignable or otherwise transferrable. The state's obligation to pay restitution under this section shall cease upon the individual's death. Any beneficiary designation that purports to bequeath, assign, or otherwise convey the right to receive such restitution shall be void and unenforceable.

3. An individual who is determined to be actually innocent of an offense under this section shall automatically be granted an order of expungement from the court in which he or she pled guilty or was sentenced to expunge from all official records all recordings of his or her arrest, plea, trial, or conviction. Upon the court's granting the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the court shall be confidential and available only to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea, or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction, or expungement in response to any inquiry made of him or her for any purpose whatsoever, and no such inquiry shall be made for information relating to an expungement under this section.

491.015. 1. In prosecutions under chapter 566 or prosecutions related to sexual conduct under chapter 568, opinion and reputation evidence of ~~[the complaining]~~ **a victim's** or witness' prior sexual conduct, **acts, or practices** is inadmissible **at any trial, hearing, or court proceeding and not a subject for inquiry during a deposition or discovery**; evidence of specific instances of ~~[the complaining]~~ **a victim's** or witness' prior sexual conduct, **acts, or practices** or the absence of such instances or conduct is inadmissible **at any trial, hearing, or any other court proceeding, and not a subject for inquiry during a deposition or discovery**, except where such specific instances are:

- (1) Evidence of the sexual conduct of ~~[the complaining]~~ **a victim** or witness with the defendant to prove consent where consent is a defense to the alleged crime and the evidence is reasonably contemporaneous with the date of the alleged crime; or
- (2) Evidence of specific instances of sexual activity showing alternative source or origin of semen, pregnancy or disease;
- (3) Evidence of immediate surrounding circumstances of the alleged crime; or
- (4) Evidence relating to the previous chastity of ~~[the complaining]~~ **a victim** or witness in cases, where, by statute, previously chaste character is required to be proved by the prosecution.

2. Evidence of the sexual conduct, **acts, or practices** of ~~[the complaining]~~ **a victim** or witness offered under this section is admissible to the extent that the court finds the evidence relevant to a material fact or issue.

3. If the defendant proposes to offer evidence of the sexual conduct, **acts, or practices** of ~~[the complaining]~~ **a victim** or witness under this section, he **or she** shall file with the court a written motion accompanied by an offer of proof or make an offer of proof on the record outside the hearing of the jury. The court shall hold an in camera hearing to determine the sufficiency of the offer of proof and may at that hearing hear evidence if the court deems it necessary to determine the sufficiency of the offer of proof. If the court finds any of the evidence offered admissible under this section the court shall make an order stating the scope of the evidence which may be introduced. Objections to any decision of the court under this section may be made by either the prosecution or the defendant in the manner provided by law. The in camera hearing shall be recorded and the court shall set forth its reasons for its ruling. The record of the in camera hearing shall be sealed for delivery to the parties and to the appellate court in the event of an appeal or other post trial proceeding.

537.529. 1. This section shall be known and may be cited as the "Uniform Public Expression Protection Act".

- (3) "Person", an individual, estate, trust, partnership, business or nonprofit entity, governmental unit, or other legal entity.

- (2) Communication on an issue under consideration or review in a legislative, executive, judicial, administrative, or other governmental proceeding; or
- (3) Exercise of the right of freedom of speech or of the press, the right to assemble or petition, or the right of association, guaranteed by the Constitution of the United States or the Constitution of the state of Missouri, on a matter of public concern.

4. This section does not apply to a cause of action asserted:

- (1) Against a governmental unit or an employee or agent of a governmental unit acting or purporting to act in an official capacity;
- (2) By a governmental unit or an employee or agent of a governmental unit acting in an official capacity to enforce a law to protect against an imminent threat to public health or safety; or
- (3) Against a person primarily engaged in the business of selling or leasing goods or services if the cause of action arises out of a communication related to the person's sale or lease of the goods or services.

5. No later than sixty days after a party is served with a complaint, cross-claim, counterclaim, third-party claim, or other pleading that asserts a cause of action to which this section applies, or at a later time on a showing of good cause, a party may file a special motion to dismiss the cause of action or part of the cause of action.

6. (1) Except as otherwise provided in this subsection:

(a) All other proceedings between the moving party and responding party in an action, including discovery and a pending hearing or motion, are stayed on the filing of a motion under subsection 5 of this section; and

(b) On motion by the moving party, the court may stay:

a. A hearing or motion involving another party if the ruling on the hearing or motion would adjudicate a legal or factual issue that is material to the motion under subsection 5 of this section; or

b. Discovery by another party if the discovery relates to a legal or factual issue that is material to the motion under subsection 5 of this section.

(2) A stay under subdivision (1) of this subsection remains in effect until entry of an order ruling on the motion filed under subsection 5 of this section and the expiration of the time to appeal the order.

(3) If a party appeals from an order ruling on a motion under subsection 5 of this section, all proceedings between all parties in an action are stayed. The stay remains in effect until the conclusion of the appeal.

(4) During a stay under subdivision (1) of this subsection, the court may allow limited discovery if a party shows that specific information is necessary to establish whether a party has satisfied or failed to satisfy a burden imposed by subdivision (1) of subsection 9 of this section and is not reasonably available without discovery.

(5) A motion for costs and expenses under subsection 12 of this section shall not be subject to a stay under this section.

(6) A stay under this subsection does not affect a party's ability to voluntarily dismiss a cause of action or part of a cause of action or move to sever a cause of action.

(7) During a stay under this section, the court for good cause may hear and rule on:

(a) A motion unrelated to the motion under subsection 5 of this section; and

(b) A motion seeking a special or preliminary injunction to protect against an imminent threat to public health or safety.

7. (1) The court shall hear a motion under subsection 5 of this section no later than sixty days after filing of the motion, unless the court orders a later hearing:

(a) To allow discovery under subdivision (4) of subsection 6 of this section; or

(b) For other good cause.

(2) If the court orders a later hearing under paragraph (a) of subdivision (1) of this subsection, the court shall hear the motion under subsection 5 of this section no later than sixty days after the court order allowing the discovery, subject to paragraph (b) of subdivision (1) of this subsection.

8. In ruling on a motion under subsection 5 of this section, the court shall consider the parties' pleadings, the motion, any replies and responses to the motion, and any evidence that could be considered in ruling on a motion for summary judgment.

9. (1) In ruling on a motion under subsection 5 of this section, the court shall dismiss with prejudice a cause of action or part of a cause of action if:

(a) The moving party establishes under subsection 3 of this section that this section applies;

(b) The responding party fails to establish under subsection 4 of this section that this section does not apply; and

(c) Either:

a. The responding party fails to establish a prima facie case as to each essential element of the cause of action; or

b. The moving party establishes that:

(i) The responding party failed to state a cause of action upon which relief can be granted; or

(ii) There is no genuine issue as to any material fact and the party is entitled to judgment as a matter of law on the cause of action or part of the cause of action.

(2) A voluntary dismissal without prejudice of a responding party's cause of action, or part of a cause of action, that is the subject of a motion under subsection 5 of this section does not affect a moving party's right to obtain a ruling on the motion and seek costs, reasonable attorney's fees, and reasonable litigation expenses under subsection 12 of this section.

(3) A voluntary dismissal with prejudice of a responding party's cause of action, or part of a cause of action, that is the subject of a motion under subsection 5 of this section establishes for the purpose of subsection 12 of this section that the moving party prevailed on the motion.

10. The court shall rule on a motion under subsection 5 of this section no later than sixty days after the hearing under subsection 7 of this section.

11. A moving party may appeal within twenty-one days as a matter of right from an order denying, in whole or in part, a motion under subsection 5 of this section.

12. On a motion under subsection 5 of this section, the court shall award costs, reasonable attorney's fees, and reasonable litigation expenses related to the motion:

(1) To the moving party if the moving party prevails on the motion; or

(2) To the responding party if the responding party prevails on the motion and the court finds that the motion was frivolous or filed solely with intent to delay the proceeding.

13. This section shall be broadly construed and applied to protect the exercise of the right of freedom of speech and of the press, the right to assemble and petition, and the right of association, guaranteed by the Constitution of the United States or the Constitution of the state of Missouri.

14. In applying and construing this section, consideration shall be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

15. This section applies to a civil action filed or cause of action asserted in a civil action on or after August 28, 2022.

544.453. Notwithstanding any provision of the law or court rule to the contrary, a judge or judicial officer, when setting bail or conditions of release in all courts in Missouri for any offense charged, shall consider, in addition to any factor required by law, whether:

(1) A defendant poses a danger to a victim of crime, the community, any witness to the crime, or to any other person;

(2) A defendant is a flight risk;

(3) A defendant has committed a violent misdemeanor offense, sexual offense, or felony offense in this state or any other state in the last five years; and

(4) A defendant has failed to appear in court as a required condition of probation or parole for a violent misdemeanor or felony within the last three years.

2. Upon written application of the defendant, a change of venue may be ordered in any criminal proceeding for the following reasons:

(1) That the inhabitants of the county are prejudiced against the defendant; or

(2) That the state has an undue influence over the inhabitants of the county.

3. In felony **and misdemeanor** cases, the application must be filed not later than ~~[thirty]~~ **ten** days after ~~[arraignment. In misdemeanor cases, the application must be filed not later than ten days before the date set for trial]~~ **the initial plea is entered.**

4. A copy of the application and a notice of the time when it will be presented to the court shall be served on all parties.

5. The application shall set forth the reason or reasons for change of venue. It need not be verified and shall be signed by the defendant or his attorney.

6. The state may, within five days after the filing of the application for a change of venue, file a denial of the existence of the reason or reasons alleged in the application. Such denial need not be verified. If a denial is filed, the court shall hear evidence and determine the issues. If the issues are determined in favor of the defendant, or if the truth of the grounds alleged is within the knowledge of the court, or if no denial is filed, a change of venue shall be ordered to some other county convenient to the parties and where the reason or reasons do not exist.

546.262. A court shall not compel a victim or member of the victim's family testifying in a criminal proceeding for a violation of sections 565.072 to 565.076 to disclose a residential address or place of employment on the record in open court unless the court finds that disclosure of the address or place of employment is necessary.

546.263. 1. A person may testify by video conference at a civil trial involving an offense under sections 565.072 to 565.076 if the person testifying is the victim of the offense. The circuit and associate circuit court judges for each circuit shall develop local rules and instructions for appearances by video conference permitted under this subsection, which shall be posted on the circuit court's internet website.

2. The circuit and associate circuit court judges for each circuit shall provide, and post on the circuit court's internet website, a telephone number for the public to call for assistance regarding appearances by video conference."; and

(1) Any offense a material element of which is either fraud or a breach of fiduciary obligation within one year after discovery of the offense by an aggrieved party or by a person who has a legal duty to represent an aggrieved party and who is himself or herself not a party to the offense, but in no case shall this provision extend the period of limitation by more than three years. As used in this subdivision, the term "person who has a legal duty to represent an aggrieved party" shall mean the attorney general or the prosecuting or circuit attorney having jurisdiction pursuant to section 407.553, for purposes of offenses committed pursuant to sections 407.511 to 407.556; and

Time starts to run on the day after the offense is committed.

5. A prosecution is commenced for a misdemeanor or infraction when the information is filed and for a felony when the complaint or indictment is filed.

6. The period of limitation does not run:

(1) During any time when the accused is absent from the state, but in no case shall this provision extend the period of limitation otherwise applicable by more than three years;

(2) During any time when the accused is concealing himself or herself from justice either within or without this state;

For purposes of this section, the term "DNA profile" means the collective results of the DNA analysis of an evidence sample.

 (3) It consists of an attempt to commit the offense charged or to commit an offense otherwise included therein.

2. The court shall not be obligated to charge the jury with respect to an included offense unless there is a **rational** basis for a verdict acquitting the person of the offense charged and convicting him **or her** of the included offense. An offense is charged for purposes of this section if:

(1) It is in an indictment or information; or
 (2) It is an offense submitted to the jury because there is a **rational** basis for a verdict acquitting the person of the offense charged and convicting the person of the included offense.

3. The court shall be obligated to instruct the jury with respect to a particular included offense only if **the instruction is requested and** there is a **rational** basis in the evidence for acquitting the person of the immediately higher included offense and ~~[there is a basis in the evidence for]~~ convicting the person of that particular included offense.

558.011. 1. The authorized terms of imprisonment, including both prison and conditional release terms, are:

(6) For a class A misdemeanor, a term not to exceed one year;

(7) For a class B misdemeanor, a term not to exceed six months;

(8) For a class C misdemeanor, a term not to exceed fifteen days.

2. In cases of class D and E felonies, the court shall have discretion to imprison for a special term not to exceed one year in the county jail or other authorized penal institution, and the place of confinement shall be fixed by the court. If the court imposes a sentence of imprisonment for a term longer than one year upon a person convicted of a class D or E felony, it shall commit the person to the custody of the department of corrections.

3. (1) When a regular sentence of imprisonment for a felony is imposed, the court shall commit the person to the custody of the department of corrections for the term imposed under section 557.036, or until released under procedures established elsewhere by law.

(2) A sentence of imprisonment for a misdemeanor shall be for a definite term and the court shall commit the person to the county jail or other authorized penal institution for the term of his or her sentence or until released under procedure established elsewhere by law.

4. (1) Except as otherwise provided, a sentence of imprisonment for a term of years for felonies other than dangerous felonies as defined in section 556.061, and other than sentences of imprisonment which involve the individual's fourth or subsequent remand to the department of corrections shall consist of a prison term and a conditional release term **when the offense occurred before August 28, 2022**. The conditional release term of any term imposed under section 557.036 shall be:

(a) One-third for terms of nine years or less;

(b) Three years for terms between nine and fifteen years;

(c) Five years for terms more than fifteen years; and the prison term shall be the remainder of such term. The prison term may be extended by the parole board pursuant to subsection 5 of this section.

(2) "Conditional release" means the conditional discharge of an offender by the parole board, subject to conditions of release that the parole board deems reasonable to assist the offender to lead a law-abiding life, and subject to the supervision under the division of probation and parole. 5. The date of conditional release from the prison term may be extended up to a maximum of the entire sentence of imprisonment by the parole board. The director of any division of the department of corrections except the division of probation and parole may file with the parole board a petition to extend the conditional release date when an offender fails to follow the rules and regulations of the division or commits an act in violation of such rules. Within ten working days of receipt of the petition to extend the conditional release date, the parole board shall convene a hearing on the petition. The offender shall be present and may call witnesses in his or her behalf and cross-examine witnesses appearing against the offender. The hearing shall be conducted as provided in section 217.670. If the violation occurs in close proximity to the conditional release date, the conditional release may be

held for a maximum of fifteen working days to permit necessary time for the division director to file a petition for an extension with the parole board and for the parole board to conduct a hearing, provided some affirmative manifestation of an intent to extend the conditional release has occurred prior to the conditional release date. If at the end of a fifteen-working-day period a parole board decision has not been reached, the offender shall be released conditionally. The decision of the parole board shall be final.

6. For offenses occurring on or after August 28, 2022, a sentence of imprisonment shall consist only of a prison term without eligibility for conditional release.

558.016. 1. The court may sentence a person who has been found guilty of an offense to a term of imprisonment as authorized by section 558.011 or to a term of imprisonment authorized by a statute governing the offense if it finds the defendant is a prior offender or a persistent misdemeanor offender. The court may sentence a person to an extended term of imprisonment if:

(1) The defendant is a persistent offender or a dangerous offender, and the person is sentenced under subsection 7 of this section;

(2) The statute under which the person was found guilty contains a sentencing enhancement provision that is based on a prior finding of guilt or a finding of prior criminal conduct and the person is sentenced according to the statute; or

(3) A more specific sentencing enhancement provision applies that is based on a prior finding of guilt or a finding of prior criminal conduct.

2. A "prior offender" is one who has been found guilty of one felony.

3. A "persistent offender" is one who has been found guilty of two or more felonies committed at different times.

4. A "dangerous offender" is one who:

6. The findings of guilt shall be prior to the date of commission of the present offense.

7. The court shall sentence a person, who has been found to be a persistent offender or a dangerous offender, and is found guilty of a class B, C, D, or E felony to the authorized term of imprisonment for the offense that is one class higher than the offense for which the person is found guilty.

558.019. 1. This section shall not be construed to affect the powers of the governor under Article IV, Section 7, of the Missouri Constitution. This statute shall not affect those provisions of section 565.020~~[-]~~ or section 566.125, ~~or section 571.015,~~ which set minimum terms of sentences, or the provisions of section 559.115, relating to probation.

For the purposes of this section, "prison commitment" means and is the receipt by the department of corrections of an offender after sentencing. For purposes of this section, prior prison commitments to the department of corrections shall not include an offender's first incarceration prior to release on probation under section 217.362 or 559.115. Other provisions of the law to the contrary notwithstanding, any offender who has been found guilty of a felony other than a dangerous felony as defined in section 556.061 and is committed to the department of corrections shall be required to serve the following minimum prison terms:

(1) If the offender has one previous prison commitment to the department of corrections for a felony offense, the minimum prison term which the offender must serve shall be forty percent of his or her sentence or until the offender attains seventy years of age, and has served at least thirty percent of the sentence imposed, whichever occurs first;

4. For the purpose of determining the minimum prison term to be served, the following calculations shall apply:

(1) A sentence of life shall be calculated to be thirty years;

(2) Any sentence either alone or in the aggregate with other consecutive sentences for offenses committed at or near the same time which is over seventy-five years shall be calculated to be seventy-five years.

5. For purposes of this section, the term "minimum prison term" shall mean time required to be served by the offender before he or she is eligible for parole, conditional release or other early release by the department of corrections.

6. An offender who was convicted of, or pled guilty to, a felony offense other than those offenses listed in subsection 2 of this section prior to August 28, 2019, shall no longer be subject to the minimum prison term provisions under subsection 2 of this section, and shall be eligible for parole, conditional release, or other early release by the department of corrections according to the rules and regulations of the department.

Two members shall be appointed by the supreme court, one from a metropolitan area and one from a rural area. All members shall be appointed to a four-year term. All members of the sentencing commission appointed prior to August 28, 1994, shall continue to serve on the sentencing advisory commission at the pleasure of the governor.

(2) The commission shall study sentencing practices in the circuit courts throughout the state for the purpose of determining whether and to what extent disparities exist among the various circuit courts with respect to the length of sentences imposed and the use of probation for offenders convicted of the same or similar offenses and with similar criminal histories. The commission shall also study and examine whether and to what extent sentencing disparity among economic and social classes exists in relation to the sentence of death and if so, the reasons therefor, if sentences are comparable to other states, if the length of the sentence is appropriate, and the rate of rehabilitation based on sentence. It shall compile statistics, examine cases, draw conclusions, and perform other duties relevant to the research and investigation of disparities in death penalty sentencing among economic and social classes.

(3) The commission shall study alternative sentences, prison work programs, work release, home-based incarceration, probation and parole options, and any other programs and report the feasibility of these options in Missouri.

(4) The governor shall select a chairperson who shall call meetings of the commission as required or permitted pursuant to the purpose of the sentencing commission.

(5) The members of the commission shall not receive compensation for their duties on the commission, but shall be reimbursed for actual and necessary expenses incurred in the performance of these duties and for which they are not reimbursed by reason of their other paid positions.

(6) The circuit and associate circuit courts of this state, the office of the state courts administrator, the department of public safety, and the department of corrections shall cooperate with the commission by providing information or access to information needed by the commission. The office of the state courts administrator will provide needed staffing resources.

8. Courts shall retain discretion to lower or exceed the sentence recommended by the commission as otherwise allowable by law, and to order restorative justice methods, when applicable.

9. If the imposition or execution of a sentence is suspended, the court may order any or all of the following restorative justice methods, or any other method that the court finds just or appropriate:

- (1) Restitution to any victim or a statutorily created fund for costs incurred as a result of the offender's actions;
- (2) Offender treatment programs;
- (3) Mandatory community service;
- (4) Work release programs in local facilities; and

10. Pursuant to subdivision (1) of subsection 9 of this section, the court may order the assessment and payment of a designated amount of restitution to a county law enforcement restitution fund established by the county commission pursuant to section 50.565. Such contribution shall not exceed three hundred dollars for any charged offense. Any restitution moneys deposited into the county law enforcement restitution fund pursuant to this section shall only be expended pursuant to the provisions of section 50.565.

11. A judge may order payment to a restitution fund only if such fund had been created by ordinance or resolution of a county of the state of Missouri prior to sentencing. A judge shall not have any direct supervisory authority or administrative control over any fund to which the judge is ordering a person to make payment.

12. A person who fails to make a payment to a county law enforcement restitution fund may not have his or her probation revoked solely for failing to make such payment unless the judge, after evidentiary hearing, makes a finding supported by a preponderance of the evidence that the person either willfully refused to make the payment or that the person willfully, intentionally, and purposefully failed to make sufficient bona fide efforts to acquire the resources to pay.

13. Nothing in this section shall be construed to allow the sentencing advisory commission to issue recommended sentences in specific cases pending in the courts of this state.

558.026. 1. Multiple sentences of imprisonment shall run concurrently unless the court specifies that they shall run consecutively; except in the case of multiple sentences of imprisonment imposed for any offense committed during or at the same time as, or multiple offenses of, the following felonies:

- (4) Statutory sodomy in the first degree; or
- (5) An attempt to commit any of the felonies listed in this subsection. In such case, the sentence of imprisonment imposed for any felony listed in this subsection or an attempt to commit any of the aforesaid shall run consecutively to the other sentences. The sentences imposed for any other offense may run concurrently.

2. If a person who is on probation~~[-]~~ or parole ~~[or conditional release]~~ is sentenced to a term of imprisonment for an offense committed after the granting of probation or parole ~~[or after the start of his or her conditional release term]~~, the court shall direct the manner in which the sentence or sentences imposed by the court shall run with respect to any resulting probation~~[-]~~ or parole ~~[or conditional release]~~ revocation term or terms. If the subsequent sentence to imprisonment is in another jurisdiction, the court shall specify how any resulting probation~~[-]~~ or parole ~~[or conditional release]~~ revocation term or terms shall run with respect to the foreign sentence of imprisonment.

3. A court may cause any sentence it imposes to run concurrently with a sentence an individual is serving or is to serve in another state or in a federal correctional center. If the Missouri sentence is served in another state or in a federal correctional center, subsection 4 of section 558.011 and section 217.690 shall apply as if the individual were serving his or her sentence within the department of corrections of the state of Missouri, except that a personal hearing before the parole board shall not be required for parole consideration.

558.041. 1. "559.036. 1. A term of probation commences on the day it is imposed. Multiple terms of Missouri probation, whether imposed at the same time or at different times, shall run concurrently. Terms of probation shall also run concurrently with any federal or other state jail, prison, probation or parole term for another offense to which the defendant is or becomes subject during the period~~[-]~~ **unless otherwise specified by the Missouri court**].

2. The court may terminate a period of probation and discharge the defendant at any time before completion of the specific term fixed under section 559.016 if warranted by the conduct of the defendant and the ends of justice. The court may extend the term of the probation, but no more than one extension of any probation may be ordered except that the court may extend the term of probation by one additional year by order of the court if the defendant admits he or she has violated the conditions of probation or is found by the court to have violated the conditions of his or her probation. Total time on any probation term, including any extension shall not exceed the maximum term established in section 559.016. **Total time on any probation term shall not include time when the probation term is suspended under this section.** Procedures for termination, discharge and extension may be established by rule of court.

3. **This subsection shall be known and may be cited as the "Earning Safe Reentry Through Work Act".**

(1) The division of probation and parole shall file a notification of earned discharge from probation with the court for any defendant who has completed at least twenty-four months of the probation term and is compliant with the terms of supervision as ordered by the court and division. The division shall not file a notification of earned discharge for any defendant who has not paid ordered restitution in full, is on a term of probation for any class A or class B felony, or is subject to lifetime supervision under sections 217.735 and 559.106. The division shall notify the prosecuting or circuit attorney when a notification of earned discharge is filed.

(2) The prosecuting or circuit attorney may request a hearing within thirty days of the filing of the notification of earned discharge from probation. If the state opposes the discharge of the defendant, the prosecuting or circuit attorney shall argue the earned discharge is not appropriate and the defendant should continue to serve the probation term.

(3) If a hearing is requested, the court shall hold the hearing and issue its order no later than sixty days after the filing of the notification of earned discharge from probation. If, after a hearing, the court finds by a preponderance of the evidence that the earned discharge is not appropriate, the court shall order the probation term to continue, may modify the conditions of probation as appropriate, and may order the continued supervision of the defendant by either the division of probation and parole or the court. If, after a hearing, the court finds that the earned discharge is appropriate, the court shall order the defendant discharged from probation.

(4) If the prosecuting or circuit attorney does not request a hearing, the court shall order the defendant discharged from probation within sixty days of the filing of the notification of earned discharge from probation but no earlier than thirty days from the filing of notification of earned discharge from probation.

4. If the defendant violates a condition of probation at any time prior to the expiration or termination of the probation term, the court may continue him or her on the existing conditions, with or without modifying or enlarging the conditions or extending the term.

[4.] 5. (1) Unless the defendant consents to the revocation of probation, if a continuation, modification, enlargement or extension is not appropriate under this section, the court shall order placement of the offender in ~~one of the~~ a department of corrections' one hundred twenty-day ~~[programs]~~ **program** so long as:

(a) The underlying offense for the probation is a class D or E felony or an offense listed in chapter 579 or an offense previously listed in chapter 195; except that, the court may, upon its own motion or a motion of the prosecuting or circuit attorney, make a finding that an offender is not eligible if the underlying offense is involuntary manslaughter in the second degree, stalking in the first degree, assault in the second degree, sexual assault, rape in the second degree, domestic assault in the second degree, assault in the third degree when the victim is a special victim, statutory rape in the second degree, statutory sodomy in the second degree, deviate sexual assault, sodomy in the second degree, sexual misconduct involving a child, incest, endangering the welfare of a child in the first degree under subdivision (1) or (2) of subsection 1 of section 568.045, abuse of a child, invasion of privacy, any case in which the defendant is found guilty of a felony offense under chapter 571, or an offense of aggravated stalking or assault of a law enforcement officer in the second degree as such offenses existed prior to January 1, 2017;

(b) The probation violation is not the result of the defendant being an absconder or being found guilty of, pleading guilty to, or being arrested on suspicion of any felony, misdemeanor, or infraction. For purposes of this subsection, "absconder" shall mean an offender under supervision who has left such offender's place of residency without the permission of the offender's supervising officer for the purpose of avoiding supervision;

(c) The defendant has not violated any conditions of probation involving the possession or use of weapons, or a stay-away condition prohibiting the defendant from contacting a certain individual; and

(d) The defendant has not already been placed in one of the programs by the court for the same underlying offense or during the same probation term.

(2) Upon receiving the order, the department of corrections shall conduct an assessment of the offender and place such offender in ~~either the [appropriate] one hundred twenty-day~~ **structured cognitive behavioral intervention program [under subsection 3 of section 559.115] or the one hundred twenty-day institutional treatment program. The placement of the offender in the structured cognitive behavioral intervention program or institutional treatment program shall be at the sole discretion of the department based on the assessment of the offender. The program shall begin upon receipt of the offender by the department. The time between the court's order and receipt of the offender by the department shall not apply toward the program.**

(3) ~~[Notwithstanding any of the provisions of subsection 3 of section 559.115 to the contrary, once the defendant has successfully completed the program under this subsection, the court shall release the defendant to continue to serve the term of probation, which shall not be modified, enlarged, or extended based on the same incident of violation.] Upon successful completion of a program under this subsection, as determined by the department, the division of probation and parole shall advise the sentencing court of the defendant's probationary release date thirty days prior to release. Once the defendant has successfully completed a program under this subsection, the court shall release the defendant to continue to serve the term of probation, which shall not be modified, enlarged, or extended based on the same incident of violation.~~

(4) If the department determines the defendant has not successfully completed a one hundred twenty-day program under this section, the division of probation and parole shall advise the prosecuting attorney and the sentencing court of the defendant's unsuccessful program exit and the defendant shall be removed from the program. The defendant shall be released from the department within fifteen working days after the court is notified of the unsuccessful program exit, unless the court has issued a warrant in response to the unsuccessful program exit to facilitate the return of the defendant to the county of jurisdiction for further court proceedings. If a defendant is discharged as unsuccessful from a one hundred twenty-day program, the sentencing court may modify, enlarge, or revoke the defendant's probation based on the same incident of the violation.

(5) Time served in the program shall be credited as time served on any sentence imposed for the underlying offense.

~~[5-]~~ 6. If the defendant consents to the revocation of probation or if the defendant is not eligible under subsection ~~[4]~~ 5 of this section for placement in a program and a continuation, modification, enlargement, or extension of the term under this section is not appropriate, the court may revoke probation and order that any sentence previously imposed be executed. If imposition of sentence was suspended, the court may revoke probation and impose any sentence available under section 557.011. The court may mitigate any sentence of imprisonment by reducing the prison or jail term by all or part of the time the defendant was on probation. The court may, upon revocation of probation, place an offender on a second term of probation. Such probation shall be for a term of probation as provided by section 559.016, notwithstanding any amount of time served by the offender on the first term of probation.

~~[6-]~~ 7. Probation shall not be revoked without giving the probationer notice and an opportunity to be heard on the issues of whether such probationer violated a condition of probation and, if a condition was violated, whether revocation is warranted under all the circumstances. Not less than five business days prior to the date set for a hearing on the violation, except for a good cause shown, the judge shall inform the probationer that he or she may have the right to request the appointment of counsel if the probationer is unable to retain counsel. If the probationer requests counsel, the judge shall determine whether counsel is necessary to protect the probationer's due process rights. If the judge determines that counsel is not necessary, the judge shall state the grounds for the decision in the record.

~~[7-]~~ 8. The prosecuting or circuit attorney may file a motion to revoke probation or at any time during the term of probation, the court may issue a notice to the probationer to appear to answer a charge of a violation, and the court may issue a warrant of arrest for the violation. Such notice shall be personally served upon the probationer. The warrant shall authorize the return of the probationer to the custody of the court or to any suitable detention facility designated by the court. Upon the filing of the prosecutor's or circuit attorney's motion or on the court's own motion, the court may immediately enter an order suspending the period of probation and may order a warrant for the defendant's arrest. The probation shall remain suspended until the court rules on the prosecutor's or circuit attorney's motion, or until the court otherwise orders the probation reinstated. **Notwithstanding any other provision of the law to the contrary, the probation term shall be tolled during the time period when the probation is suspended under this section. The court may grant the probationer credit on the probation term for any of the tolled period when reinstating the probation term.**

~~[8-]~~ 9. The power of the court to revoke probation shall extend for the duration of the term of probation designated by the court and for any further period which is reasonably necessary for the adjudication of matters arising before its expiration, provided that some affirmative manifestation of an intent to conduct a revocation hearing occurs prior to the expiration of the period and that every reasonable effort is made to notify the probationer and to conduct the hearing prior to the expiration of the period. **If the delay of the hearing is attributable to the probationer's actions or the probationer otherwise consents or acquiesces to the delay, the court shall have been found to have made every reasonable effort to conduct the hearing within the probation term.**

~~[9-]~~ 10. A defendant who was sentenced prior to January 1, 2017 to an offense that was eligible at the time of sentencing under paragraph (a) of subdivision (1) of subsection ~~[4]~~ 5 of this section for the court ordered detention sanction shall continue to remain eligible for the sanction so long as the defendant meets all the other requirements provided under subsection ~~[4]~~ 5 of this section."; and

Upon receiving any additional documentation, the sheriff shall reconsider his or her decision and inform the applicant within thirty days of the result of the reconsideration. The applicant shall further be informed in writing of the right to appeal the denial pursuant to subsections 2, 3, 4, and 5 of section 571.114. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction or expungement in response to any inquiry made of him or her for any purpose whatsoever, and no such inquiry shall be made for information relating to an expungement under this section.

5. The training requirements as provided in subsection 2 of this section shall be waived for any person who furnishes proof to the committee that such person has completed training in another state which is at least as stringent as the training requirements of subsection 2 of this section.

6. The board shall determine by administrative rule the persons or organizations authorized to conduct the training as required by subsection 2 of this section.

7. ~~[This section shall not apply to an emergency medical dispatcher or agency as defined in section 190.100, or a person trained by an entity accredited or certified under section 190.131, or a person who provides prearrival medical instructions who works for an agency which meets the requirements set forth in section 190.134.]~~
The board shall be responsible for the approval of training courses for emergency medical dispatchers. ~~[217.703. 1. The division of probation and parole shall award earned compliance credits to any offender who is:~~

~~(1) Not subject to lifetime supervision under sections 217.735 and 559.106 or otherwise found to be ineligible to earn credits by a court pursuant to subsection 2 of this section;~~

~~(2) On probation, parole, or conditional release for an offense listed in chapter 579, or an offense previously listed in chapter 195, or for a class D or E felony, excluding sections 565.225, 565.252, 566.031, 566.061, 566.083, 566.093, 568.020, 568.060, offenses defined as sexual assault under section 589.015, deviate sexual assault, assault in the second degree under subdivision (2) of subsection 1 of section 565.052, endangering the welfare of a child in the first degree under subdivision (2) of subsection 1 of section 568.045, and any offense of aggravated stalking or assault in the second degree under subdivision (2) of subsection 1 of section 565.060 as such offenses existed prior to January 1, 2017;~~

~~(3) Supervised by the division of probation and parole; and~~

~~(4) In compliance with the conditions of supervision imposed by the sentencing court or board.~~

2. If an offender was placed on probation, parole, or conditional release for an offense of:

- (1) Involuntary manslaughter in the second degree;
- (2) Assault in the second degree except under subdivision (2) of subsection 1 of section 565.052 or section 565.060 as it existed prior to January 1, 2017;
- (3) Domestic assault in the second degree;
- (4) Assault in the third degree when the victim is a special victim or assault of a law-enforcement officer in the second degree as it existed prior to January 1, 2017;
- (5) Statutory rape in the second degree;
- (6) Statutory sodomy in the second degree;
- (7) Endangering the welfare of a child in the first degree under subdivision (1) of subsection 1 of section 568.045; or
- (8) Any case in which the defendant is found guilty of a felony offense under chapter 571;

the sentencing court may, upon its own motion or a motion of the prosecuting or circuit attorney, make a finding that the offender is ineligible to earn compliance credits because the nature and circumstances of the offense or the history and character of the offender indicate that a longer term of probation, parole, or conditional release is necessary for the protection of the public or the guidance of the offender. The motion may be made any time prior to the first month in which the person may earn compliance credits under this section or at a hearing under subsection 5 of this section. The offender's ability to earn credits shall be suspended until the court or board makes its finding. If the court or board finds that the offender is eligible for earned compliance credits, the credits shall begin to accrue on the first day of the next calendar month following the issuance of the decision.

3. Earned compliance credits shall reduce the term of probation, parole, or conditional release by thirty days for each full calendar month of compliance with the terms of supervision. Credits shall begin to accrue for eligible offenders after the first full calendar month of supervision or on October 1, 2012, if the offender began a term of probation, parole, or conditional release before September 1, 2012.

4. For the purposes of this section, the term "compliance" shall mean the absence of an initial violation report or notice of citation submitted by a probation or parole officer during a calendar month, or a motion to revoke or motion to suspend filed by a prosecuting or circuit attorney, against the offender.

5. Credits shall not accrue during any calendar month in which a violation report, which may include a report of absconder status, has been submitted, the offender is in custody, or a motion to revoke or motion to suspend has been filed, and shall be suspended pending the outcome of a hearing, if a hearing is held. If no hearing is held, or if a hearing is held and the offender is continued under supervision, or the court or board finds that the violation did not occur, then the offender shall be deemed to be in compliance and shall begin earning credits on the first day of the next calendar month following the month in which the report was submitted or the motion was filed. If a hearing is held, all earned credits shall be rescinded if:

- (1) The court or board revokes the probation or parole or the court places the offender in a department program under subsection 4 of section 559.036 or under section 217.785; or
- (2) The offender is found by the court or board to be ineligible to earn compliance credits because the nature and circumstances of the violation indicate that a longer term of probation, parole, or conditional release is necessary for the protection of the public or the guidance of the offender.

Earned credits, if not rescinded, shall continue to be suspended for a period of time during which the court or board has suspended the term of probation, parole, or release, and shall begin to accrue on the first day of the next calendar month following the lifting of the suspension.

6. Offenders who are deemed by the division to be absconders shall not earn credits. For purposes of this subsection, "absconder" shall mean an offender under supervision whose whereabouts are unknown and who has left such offender's place of residency without the permission of the offender's supervising officer and without notifying of their whereabouts for the purpose of avoiding supervision. An offender shall no longer be deemed an absconder when such offender is available for active supervision.

7. Notwithstanding subsection 2 of section 217.730 to the contrary, once the combination of time served in custody, if applicable, time served on probation, parole, or conditional release, and earned compliance credits satisfy the total term of probation, parole, or conditional release, the board or sentencing court shall order final discharge of the offender, so long as the offender has completed restitution and at least two years of his or her probation, parole, or conditional release, which shall include any time served in custody under section 217.718 and sections 559.036 and 559.115.

8. The award or rescission of any credits earned under this section shall not be subject to appeal or any motion for postconviction relief.

9. At least twice a year, the division shall calculate the number of months the offender has remaining on his or her term of probation, parole, or conditional release, taking into consideration any earned compliance credits, and notify the offender of the length of the remaining term.

10. No less than sixty days before the date of final discharge, the division shall notify the sentencing court, the board, and, for probation cases, the circuit or prosecuting attorney of the impending discharge. If the sentencing court, the board, or the circuit or prosecuting attorney upon receiving such notice does not take any action under subsection 5 of this section, the offender shall be discharged under subsection 7 of this section.

11. Any offender who was sentenced prior to January 1, 2017, to an offense that was eligible for earned compliance credits under subsection 1 or 2 of this section at the time of sentencing shall continue to remain eligible for earned compliance credits so long as the offender meets all the other requirements provided under this section.

12. The application of earned compliance credits shall be suspended upon entry into a treatment court, as described in sections 478.001 to 478.009, and shall remain suspended until the offender is discharged from such treatment court. Upon successful completion of treatment court, all earned compliance credits accumulated during the suspension period shall be retroactively applied, so long as the other terms and conditions of probation have been successfully completed.]; and

Further amend said bill, Page 21, Section 217.810, Line 89, by inserting after said section and line the following:

"[537.528. 1. Upon the filing of any special motion described in this subsection, all discovery shall be suspended pending a decision on the motion by the court and the exhaustion of all appeals regarding the special motion.

2. If the rights afforded by this section are raised as an affirmative defense and if a court grants a motion to dismiss, a motion for judgment on the pleadings or a motion for summary judgment filed within ninety days of the filing of the moving party's answer, the court shall award reasonable attorney fees and costs incurred by the moving party in defending the action. If the court finds that a special motion to dismiss or motion for summary judgment is frivolous or solely intended to cause unnecessary delay, the court shall award costs and reasonable attorney fees to the party prevailing on the motion.

3. Any party shall have the right to an expedited appeal from a trial court order on the special motions described in subsection 2 of this section or from a trial court's failure to rule on the motion on an expedited basis.

4. As used in this section, a "public meeting in a quasi-judicial proceeding" means and includes any meeting established and held by a state or local governmental entity, including without limitations meetings or presentations before state, county, city, town or village councils, planning commissions, review boards or commissions.

~~5. Nothing in this section limits or prohibits the exercise of a right or remedy of a party granted pursuant to another constitutional, statutory, common law or administrative provision, including civil actions for defamation.~~

~~6. If any provision of this section or the application of any provision of this section to a person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.~~

~~7. The provisions of this section shall apply to all causes of actions.]~~

Terms of probation shall also run concurrently with any federal or other state jail, prison, probation or parole term for another offense to which the defendant is or becomes subject during the period~~]; unless otherwise specified by the Missouri court].~~

2. The court may terminate a period of probation and discharge the defendant at any time before completion of the specific term fixed under section 559.016 if warranted by the conduct of the defendant and the ends of justice. The court may extend the term of the probation, but no more than one extension of any probation may be ordered except that the court may extend the term of probation by one additional year by order of the court if the defendant admits he or she has violated the conditions of probation or is found by the court to have violated the conditions of his or her probation. Total time on any probation term, including any extension shall not exceed the maximum term established in section 559.016. **Total time on any probation term shall not include time when the probation term is suspended under this section.** Procedures for termination, discharge and extension may be established by rule of court.

(1) The division of probation and parole shall file a notification of earned discharge from probation with the court for any defendant who has completed at least sixty percent of the probation term, rounded up to the nearest whole month, and is compliant with the terms of supervision as ordered by the court and division. If a defendant submits to the division of probation and parole verifiable documentation of employment of at least one hundred thirty wage-earning hours per month for a period of at least six consecutive months, then the division of probation and parole shall file a notification of earned discharge from probation with the court once the defendant has completed at least forty percent of the probation term, rounded up to the nearest whole month, and is compliant with the terms of supervision as ordered by the court and division. The division shall not file a notification of earned discharge for any defendant who has not paid ordered restitution in full, is on a term of probation for any class A or class B felony, or is subject to lifetime supervision under sections 217.735 and 559.106. The division shall notify the prosecuting or circuit attorney when a notification of earned discharge is filed.

(2) The prosecuting or circuit attorney may request a hearing within thirty days of the filing of the notification of earned discharge from probation. If the state opposes the discharge of the defendant, the prosecuting or circuit attorney shall argue the earned discharge is not appropriate and the defendant should continue to serve the probation term.

(3) If a hearing is requested, the court shall hold the hearing and issue its order no later than sixty days after the filing of the notification of earned discharge from probation. If, after a hearing, the court finds by a preponderance of the evidence that the earned discharge is not appropriate, the court shall order the probation term to continue, may modify the conditions of probation as appropriate, and may order the continued supervision of the defendant by either the division of probation and parole or the court. If, after a hearing, the court finds that the earned discharge is appropriate, the court shall order the defendant discharged from probation.

(4) If the prosecuting or circuit attorney does not request a hearing, the court shall order the defendant discharged from probation within sixty days of the filing of the notification of earned discharge from probation but no earlier than thirty days from the filing of notification of earned discharge from probation.

3. If the defendant violates a condition of probation at any time prior to the expiration or termination of the probation term, the court may continue him or her on the existing conditions, with or without modifying or enlarging the conditions or extending the term.

4. (1) Unless the defendant consents to the revocation of probation, if a continuation, modification, enlargement or extension is not appropriate under this section, the court shall order placement of the offender in one of the department of corrections' one hundred twenty-day programs so long as:

(a) The underlying offense for the probation is a class D or E felony or an offense listed in chapter 579 or an offense previously listed in chapter 195; except that, the court may, upon its own motion or a motion of the prosecuting or circuit attorney, make a finding that an offender is not eligible if the underlying offense is involuntary manslaughter in the second degree, stalking in the first degree, assault in the second degree, sexual assault, rape in

the second degree, domestic assault in the second degree, assault in the third degree when the victim is a special victim, statutory rape in the second degree, statutory sodomy in the second degree, deviate sexual assault, sodomy in the second degree, sexual misconduct involving a child, incest, endangering the welfare of a child in the first degree under subdivision (1) or (2) of subsection 1 of section 568.045, abuse of a child, invasion of privacy, any case in which the defendant is found guilty of a felony offense under chapter 571, or an offense of aggravated stalking or assault of a law enforcement officer in the second degree as such offenses existed prior to January 1, 2017;

(b) The probation violation is not the result of the defendant being an absconder or being found guilty of, pleading guilty to, or being arrested on suspicion of any felony, misdemeanor, or infraction. For purposes of this subsection, "absconder" shall mean an offender under supervision who has left such offender's place of residency without the permission of the offender's supervising officer for the purpose of avoiding supervision;

(c) The defendant has not violated any conditions of probation involving the possession or use of weapons, or a stay-away condition prohibiting the defendant from contacting a certain individual; and

(d) The defendant has not already been placed in one of the programs by the court for the same underlying offense or during the same probation term.

(2) Upon receiving the order, the department of corrections shall conduct an assessment of the offender and place such offender in the appropriate one hundred twenty-day program under subsection 3 of section 559.115.

(3) Notwithstanding any of the provisions of subsection 3 of section 559.115 to the contrary, once the defendant has successfully completed the program under this subsection, the court shall release the defendant to continue to serve the term of probation, which shall not be modified, enlarged, or extended based on the same incident of violation. Time served in the program shall be credited as time served on any sentence imposed for the underlying offense.

5. If the defendant consents to the revocation of probation or if the defendant is not eligible under subsection 4 of this section for placement in a program and a continuation, modification, enlargement, or extension of the term under this section is not appropriate, the court may revoke probation and order that any sentence previously imposed be executed. If imposition of sentence was suspended, the court may revoke probation and impose any sentence available under section 557.011. The court may mitigate any sentence of imprisonment by reducing the prison or jail term by all or part of the time the defendant was on probation. The court may, upon revocation of probation, place an offender on a second term of probation. Such probation shall be for a term of probation as provided by section 559.016, notwithstanding any amount of time served by the offender on the first term of probation.

6. Probation shall not be revoked without giving the probationer notice and an opportunity to be heard on the issues of whether such probationer violated a condition of probation and, if a condition was violated, whether revocation is warranted under all the circumstances. Not less than five business days prior to the date set for a hearing on the violation, except for a good cause shown, the judge shall inform the probationer that he or she may have the right to request the appointment of counsel if the probationer is unable to retain counsel. If the probationer requests counsel, the judge shall determine whether counsel is necessary to protect the probationer's due process rights. If the judge determines that counsel is not necessary, the judge shall state the grounds for the decision in the record.

7. The prosecuting or circuit attorney may file a motion to revoke probation or at any time during the term of probation, the court may issue a notice to the probationer to appear to answer a charge of a violation, and the court may issue a warrant of arrest for the violation. Such notice shall be personally served upon the probationer. The warrant shall authorize the return of the probationer to the custody of the court or to any suitable detention facility designated by the court. Upon the filing of the prosecutor's or circuit attorney's motion or on the court's own motion, the court may immediately enter an order suspending the period of probation and may order a warrant for the defendant's arrest. The probation shall remain suspended until the court rules on the prosecutor's or circuit attorney's motion, or until the court otherwise orders the probation reinstated.

8. The power of the court to revoke probation shall extend for the duration of the term of probation designated by the court and for any further period which is reasonably necessary for the adjudication of matters arising before its expiration, provided that some affirmative manifestation of an intent to conduct a revocation hearing occurs prior to the expiration of the period and that every reasonable effort is made to notify the probationer and to conduct the hearing prior to the expiration of the period.

9. A defendant who was sentenced prior to January 1, 2017 to an offense that was eligible at the time of sentencing under paragraph (a) of subdivision (1) of subsection 4 of this section for the court ordered detention sanction shall continue to remain eligible for the sanction so long as the defendant meets all the other requirements provided under subsection 4 of this section."; and"; and

Nonidentifying information, if known, concerning undisclosed biological parents or siblings shall be furnished by the child-placing agency or the juvenile court to the adoptive parents, legal guardians, adopted adult or the adopted adult's lineal descendants if the adopted adult is deceased, upon written request therefor.

4. An adopted adult, or the adopted adult's lineal descendants if the adopted adult is deceased, may make a written request to the circuit court having original jurisdiction of such adoption to secure and disclose information identifying the adopted adult's biological parents. If the biological parents have consented to the release of identifying information under subsection 8 of this section, the court shall disclose such identifying information to the adopted adult or the adopted adult's lineal descendants if the adopted adult is deceased. If the biological parents have not consented to the release of identifying information under subsection 8 of this section, the court shall, within ten days of receipt of the request, notify in writing the child-placing agency or juvenile court personnel having access to the information requested of the request by the adopted adult or the adopted adult's lineal descendants.

5. Within three months after receiving notice of the request of the adopted adult, or the adopted adult's lineal descendants, the child-placing agency or the juvenile court personnel shall make reasonable efforts to notify the biological parents of the request of the adopted adult or the adopted adult's lineal descendants. The child-placing agency or juvenile court personnel may charge actual costs to the adopted adult or the adopted adult's lineal descendants for the cost of making such search. All communications under this subsection are confidential. For purposes of this subsection, "notify" means a personal and confidential contact with the biological parent of the adopted adult, which initial contact shall be made by an employee of the child-placing agency which processed the adoption, juvenile court personnel or some other licensed child-placing agency designated by the child-placing agency or juvenile court. Nothing in this section shall be construed to permit the disclosure of communications privileged pursuant to section 491.060. At the end of three months, the child-placing agency or juvenile court personnel shall file a report with the court stating that each biological parent that was located was given the following information:

- (1) The nature of the identifying information to which the agency has access;
- (2) The nature of any nonidentifying information requested;
- (3) The date of the request of the adopted adult or the adopted adult's lineal descendants;
- (4) The right of the biological parent to file an affidavit with the court stating that the identifying information should be disclosed;
- (5) The effect of a failure of the biological parent to file an affidavit stating that the identifying information should be disclosed.

6. If the child-placing agency or juvenile court personnel reports to the court that it has been unable to notify the biological parent within three months, the identifying information shall not be disclosed to the adopted adult or the adopted adult's lineal descendants. Additional requests for the same or substantially the same information may not be made to the court within one year from the end of the three-month period during which the attempted notification was made, unless good cause is shown and leave of court is granted.

7. If, within three months, the child-placing agency or juvenile court personnel reports to the court that it has notified the biological parent pursuant to subsection 5 of this section, the court shall receive the identifying information from the child-placing agency. If an affidavit duly executed by a biological parent authorizing the release of information is filed with the court or if a biological parent is found to be deceased, the court shall disclose the identifying information as to that biological parent to the adopted adult or the adopted adult's lineal descendants if the adopted adult is deceased, provided that the other biological parent either:

- (1) Is unknown;
- (2) Is known but cannot be found and notified pursuant to subsection 5 of this section;
- (3) Is deceased; or
- (4) Has filed with the court an affidavit authorizing release of identifying information.

If the biological parent fails or refuses to file an affidavit with the court authorizing the release of identifying information **and the biological parent willingly gave up his or her child for adoption**, then the identifying information shall not be released to the adopted adult; **however, if the biological parent fails or refuses to file an affidavit with the court authorizing the release of identifying information and the state was involved in the removal of the child from the home of the biological parent, the identifying information shall be released to the adopted adult if the adopted adult petitions the court.** No additional request for the same or substantially the same information may be made within three years of the time the biological parent fails or refuses to file an affidavit authorizing the release of identifying information.

8. Notwithstanding any provision of law, all information, including identifying information, shall be released to an adopted adult if the adopted adult's biological parent lost his or her parental rights through a nonconsensual termination of parental rights proceeding.

9. Any adopted adult whose adoption was finalized in this state or whose biological parents had their parental rights terminated in this state may request the court to secure and disclose identifying information concerning an adult sibling. Identifying information pertaining exclusively to the adult sibling, whether part of the permanent record of a file in the court or in an agency, shall be released only upon consent of that adult sibling.

10. The central office of the children's division within the department of social services shall maintain a registry by which biological parents, adult siblings, and adoptive adults may indicate their desire to be contacted by each other. The division may request such identification for the registry as a party may possess to assure positive identifications. At the time of registry, a biological parent or adult sibling may consent in writing to the release of identifying information to an adopted adult. If such a consent has not been executed and the division believes that a match has occurred on the registry between biological parents or adult siblings and an adopted adult, an employee of the division shall make the confidential contact provided in subsection 5 of this section with the biological parents or adult siblings and with the adopted adult. If the division believes that a match has occurred on the registry between one biological parent or adult sibling and an adopted adult, an employee of the division shall make the confidential contact provided by subsection 5 of this section with the biological parent or adult sibling. The division shall then attempt to make such confidential contact with the other biological parent, and shall proceed thereafter to make such confidential contact with the adopted adult only if the division determines that the other biological parent meets one of the conditions specified in subsection 7 of this section. The biological parent, adult sibling, or adopted adult may refuse to go forward with any further contact between the parties when contacted by the division.

11. The provisions of this section, except as provided in subsection 5 of this section governing the release of identifying and nonidentifying adoptive information apply to adoptions completed before and after August 13, 1986.

12. All papers, records, and information known to or in the possession of an adoptive parent or adoptive child that pertain to an adoption, regardless of whether part of any permanent record or file, may be disclosed by the adoptive parent or adoptive child. The provisions of this subsection shall not be construed to create a right to have access to information not otherwise allowed under this section."; and

*House Amendment No. 15
to
House Amendment No. 2*

AMEND House Amendment No. 2 to House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 834, Page 89, Line 40, by inserting after said line the following:

"590.502. 1. For purposes of this section, the following shall mean:

(1) "Administering authority", any individual or body authorized by a law enforcement agency to hear and make final decisions regarding appeals of disciplinary actions issued by such agency;

(2) "Color of law", any act by a law enforcement officer, whether on duty or off duty, that is performed in furtherance of his or her sworn duty to enforce laws and to protect and serve the public;

(3) "Economic loss", any economic loss including, but not limited to, loss of overtime accrual, overtime income, sick time accrual, sick time, secondary employment income, holiday pay, and vacation pay;

(4) "Good cause", sufficient evidence or facts that would support a party's request for extensions of time or any other requests seeking accommodations outside the scope of the rules set out herein;

(5) "Law enforcement officer", any commissioned peace officer with the power to arrest for a violation of the criminal code who is employed by any unit of the state or any county, charter county, city, charter city, municipality, district, college, university, or any other political subdivision or is employed by the board of police commissioners as defined in chapter 84. Law enforcement officer shall not include any officer who is the highest ranking officer in the law enforcement agency.

2. Whenever a law enforcement officer is under administrative investigation or is subjected to administrative questioning that the officer reasonably believes could lead to disciplinary action, demotion, dismissal, transfer, or placement on a status that could lead to economic loss, the investigation or questioning shall be conducted under the following conditions:

(1) The law enforcement officer who is the subject of the investigation shall be informed, in writing, of the existence and nature of the alleged violation and the individuals who will be conducting the investigation. Notice shall be provided to the officer along with a copy of the complaint at least twenty-four hours prior to any interrogation or interview of the officer;

(2) Any person, including members of the same agency or department as the officer under investigation, filing a complaint against a law enforcement officer shall have the complaint supported by a written statement outlining the complaint that includes the personal identifying information of the person filing the complaint. All personal identifying information shall be held confidential by the investigating agency;

(3) When a law enforcement officer is questioned or interviewed regarding matters pertaining to his or her law enforcement duties or actions taken within the scope of his or her employment, such questioning shall be conducted for a reasonable length of time and only while the officer is on duty unless reasonable circumstances exist that necessitate questioning the officer while he or she is off duty;

(4) Any interviews or questioning shall be conducted at a secure location at the agency that is conducting the investigation or at the place where the officer reports to work, unless the officer consents to another location;

(5) Law enforcement officers shall be questioned by up to two investigators and shall be informed of the name, rank, and command of the investigator or investigators conducting the investigation; except that, separate investigators shall be assigned to investigate alleged department policy violations and alleged criminal violations;

(6) Interview sessions shall be for a reasonable period of time. There shall be times provided for the officer to allow for such personal necessities and rest periods as are reasonably necessary;

(7) Prior to an interview session, the investigator or investigators conducting the investigation shall advise the law enforcement officer of the rule set out in *Garrity v. New Jersey*, 385 U.S. 493 (1967), specifically that the law enforcement officer is being ordered to answer questions under threat of disciplinary action and that the officer's answers to the questions will not be used against the officer in criminal proceedings;

(8) Law enforcement officers shall not be threatened, harassed, or promised rewards to induce them into answering any question; except that, law enforcement officers may be compelled by their employer to give protected Garrity statements to an investigator under the direct control of the employer, but such compelled statements shall not be used or derivatively used against the officer in any aspect of a criminal case brought against the officer;

(9) Law enforcement officers under investigation are entitled to have an attorney or any duly authorized representative present during any questioning that the law enforcement officer reasonably believes may result in disciplinary action. The attorney or representative shall be permitted to confer with the officer but shall not unduly disrupt or interfere with the interview. The questioning shall be suspended for a period of up to twenty-four hours if the officer requests representation;

(10) Prior to the law enforcement officer being interviewed, the officer and his or her attorney or representative shall have the opportunity to review the complaint;

(11) The law enforcement agency conducting the investigation shall have ninety days from receipt of a citizen complaint to complete such investigation. The agency shall determine the disposition of the complaint and render a disciplinary decision, if any, within ninety days. The agency may, for good cause, petition the administering authority overseeing the administration of discipline for an extension of time to complete the investigation. If the administering authority finds the agency has shown good cause for the granting of an extension of time to complete the investigation, the administering authority shall grant an extension of up to sixty days. The agency is limited to two extensions per investigation; except that, if there is an ongoing criminal investigation there shall be no limitation on the amount of sixty-day extensions. For good cause shown, the internal investigation may be tolled until the conclusion of a concurrent criminal investigation arising out of the same alleged conduct. Absent consent from the officer being investigated, the administering authority overseeing the administration of discipline shall set the matter for hearing and shall provide notice of the hearing to the law enforcement officer under investigation. The officer shall have the right to attend the hearing and to present evidence and arguments against extension;

(12) Within five days of the conclusion of the administrative investigation, the investigator shall inform the officer, in writing, of the investigative findings and any recommendation for further action, including discipline;

(13) A complete record of the administrative investigation shall be kept by the law enforcement agency conducting such investigation. Upon completion of the investigation, a copy of the entire record, including, but not limited to, audio, video, and transcribed statements, shall be provided to the officer or the officer's representative within five business days of the officer's written request. The agency may request a protective order to redact all personal identifying witness information; and

(14) All records compiled as a result of any investigation subject to the provisions of this section shall be held confidential and shall not be subject to disclosure under chapter 610, except by lawful subpoena or court order, by release approved by the officer, or as provided in section 590.070.

3. Law enforcement officers who are suspended without pay, demoted, terminated, transferred, or placed on a status resulting in economic loss shall be entitled to a full due process hearing. However, nothing in this section shall prohibit a law enforcement agency and the authorized bargaining representative for a law enforcement

officer employed by that agency from reaching written agreements providing disciplinary procedures more favorable than those provided for this section. The components of the hearing shall include, at a minimum:

- (1) The right to be represented by an attorney or other individual of their choice during the hearing;
- (2) Seven days' notice of the hearing date and time;
- (3) An opportunity to access and review documents, at least seven days in advance of the hearing, that are in the employer's possession and that were used as a basis for the disciplinary action;
- (4) The right to refuse to testify at the hearing if the officer is concurrently facing criminal charges in connection with the same incident. A law enforcement officer's decision not to testify shall not result in additional internal charges or discipline;

(5) A complete record of the hearing shall be kept by the agency for purposes of appeal. The record shall be provided to the officer or his or her attorney upon written request;

(6) The entire record of the hearing shall remain confidential and shall not be subject to disclosure under chapter 610, except by lawful subpoena or court order.

4. Any decision, order, or action taken following the hearing shall be in writing and shall be accompanied by findings of fact. The findings shall consist of a concise statement upon each issue in the case. A copy of the decision or order accompanying findings and conclusions along with the written action and right of appeal, if any, shall be delivered or mailed promptly to the law enforcement officer or to the officer's attorney or representative of record.

5. Law enforcement officers shall have the opportunity to provide a written response to any adverse materials placed in their personnel file, and such written response shall be permanently attached to the adverse material.

6. Law enforcement officers shall have the right to compensation for any economic loss incurred during an investigation if the officer is found to have committed no misconduct.

7. Employers shall defend and indemnify law enforcement officers from and against civil claims made against them in their official and individual capacities if the alleged conduct arose in the course and scope of their obligations and duties as law enforcement officers. This includes any actions taken off duty if such actions were taken under color of law. In the event the law enforcement officer is convicted of, or pleads guilty to, criminal charges arising out of the same conduct, the employer shall no longer be obligated to defend and indemnify the officer in connection with related civil claims.

8. Law enforcement officers shall not be disciplined, demoted, dismissed, transferred, or placed on a status resulting in economic loss as a result of the assertion of their constitutional rights in any judicial proceeding, unless the officer admits to wrongdoing, in which case the provisions of this section shall not apply.

9. Any aggrieved law enforcement officer or authorized representative may seek judicial enforcement of the requirements of this section. Suits to enforce this section shall be brought in the circuit court for the county in which the law enforcement agency or governmental body has its principal place of business.

10. Upon a finding by a preponderance of the evidence that a law enforcement agency, governmental body, or member of same has violated any provision of this section, a court shall void any action taken in violation of this section. The court may also award the law enforcement officer the costs of bringing the suit including, but not limited to, attorneys' fees. A lawsuit for enforcement shall be brought within one year from which the violation is ascertainable.

11. Nothing in this section shall apply to any investigation or other action by the director regarding a license issued by the director under this chapter.

12. A law enforcement agency that has substantially similar or greater procedures shall be deemed in compliance with this section.

13. Nothing in this section shall apply to the work of any civilian review board organized under section 590.653 or organized by local ordinance."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

**STATE OF MISSOURI
HOUSE OF REPRESENTATIVES
101ST GENERAL ASSEMBLY**

REPORT OF THE COMMITTEE ON ETHICS

House Ethics Complaint No. 22-001

May 11, 2022

WHEREON, the Committee on Ethics, of the Missouri House of Representatives, 101st General Assembly, pursuant to Rule 5 of House Committee Substitute for House Resolution 70, reports as follows:

On May 10, 2022, the Chair of the Committee on Ethics received directly from Representative Wiley Price an ethics complaint alleging that a current member of the House of Representatives committed perjury associated with a 2016 filing to be a candidate for the office of representative. The complaint was made by letter, which was delivered, unopened, to the Chief Clerk. Upon examination, it was determined that the initial two-page letter provided by Representative Price was not made “under oath” as required by the rules governing the Committee on Ethics. The letter was returned to Representative Price.

Approximately one hour later, Representative Price provided to the Chief Clerk a second letter, with a notary seal, but missing any attestation language. This letter was returned to Representative Price along with sample language to meet the “under oath” requirement. Later that afternoon, Representative Price delivered his final letter containing the ethics complaint, with a properly notarized attestation. This letter was reviewed by the Chair and Vice-Chair of the committee, and immediately delivered by the Chief Clerk to the House General Counsel for secured storage. The complaint was designated House Ethics Complaint No. 22-001.

All ethics complaints and initial proceedings are confidential. However, at 9:37 p.m., May 10, 2022, a member of the local media posted to Twitter a photograph of the first page of Representative Price’s letter containing his ethics complaint. The committee has confirmed that the source of this media leak was Representative Price. The leak was made prior to the time the committee was able to first meet and discuss the matter.

Representative Price’s complaint alleges that a current member of the House of Representatives (the Respondent), at the time the Respondent filed for office in 2016, falsely stated in an affidavit that Respondent did not owe taxes to the State of Missouri. The complaint refers to a court case filed by Respondent’s general election opponent disputing Respondent’s ballot qualifications and seeking to have Respondent removed from the ballot.

Although stating that he was earlier this year “provided with clearly irrefutable information” of these allegations, Representative Price attached no supporting documentation to his complaint. Particularly missing is any sworn affidavit or other document by the Respondent that is alleged to be false. No documentation was provided by Representative Price pertaining to the 2016 lawsuit, or any evidence entered in that proceeding. Nor did Representative Price provide any evidence which was not in the record of that court proceeding, but which the representative believes should have been considered. He provided no source for his “clearly irrefutable information.” Rule 4(B) of the rules governing this committee states that “All records in the possession of the complainant that are relevant to and in support of the allegations shall be appended to the complaint.”

Although not provided by Representative Price, the court case referred to in his complaint was located and the committee reviewed the judgment issued by the circuit judge in that matter. After a full trial hearing testimony and receiving evidence, the judge found all issues in favor of Respondent. The judge specifically wrote that Respondent “is not delinquent in any taxes,” and that the other party failed to meet his burden of establishing Respondent was disqualified from the November 2016 ballot.

Given a judicial determination that Respondent was not delinquent in any taxes, it does not follow, as Representative Price suggests, that then candidate Respondent made any filing associated with the election in anything other than in good faith.

It is apparent that Representative Price wants this committee to review a six-year old final judgment of a circuit court judge, after an evidentiary trial on the merits, which was not appealed by the opposing party, without any further relevant evidence to consider. This committee declines to do so.

Finally, the committee notes that Complainant's letter to the committee contains this sentence:

I am certain that this committee acts in the best interests of the state treating every member whether they are republican or democrat, male or female, black or white, censured member of the minority party or Speaker of the House with the same fairness.

As Representative Price mentions in his letter, he has previously been the subject of an ethics investigation. In January 2021, the House of Representatives adopted this committee's recommendations, House Ethics Complaint No. 20-001, by a vote of 140-3, to censure the representative for committing perjury before the committee, obstructing the committee's investigation, and for threatening and intimidating his former legislator assistant.

This committee is made up of ten members, five of the majority party, and five of the minority party. This committee, which consisted of members who were "republican [and] democrat, male [and] female, black [and] white," recommended Representative Price's censure by a unanimous 10-0 vote. The membership of the House of Representatives, which included members who were "republican [and] democrat, male [and] female, black [and] white," overwhelmingly approved Representative Price's censure by a vote of 140-3. Representative Price was treated by this committee with all fairness he was due under the rules and law applicable to his ethical lapses in judgment.

It is with the same sense of fairness due the Respondent under the rules and law applicable to this matter that the committee finds that this complaint is unsubstantiated and should be dismissed. Given that the confidentiality of this proceeding has been breached by a leak of the complaint to the media, it is also appropriate that this report be made public and be published in the House journal.

NOW THEREFORE, the Committee on Ethics hereby dismisses House Ethics Complaint 22-001. This report shall be filed with the Chief Clerk of the House, with a copy delivered to the office of the Speaker, office of the Majority Floor Leader, and office of the Minority Floor Leader, and shall be printed in the House Journal.

This motion to dismiss the complaint was approved by a vote of 10 to 0:

Aye: Fitzwater, Brown (27), Andrews, Barnes, Brown (70), Eggleston, Francis, Kelly, McCreery, Sauls

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

SEVENTIETH DAY, THURSDAY, MAY 12, 2022

The House met pursuant to adjournment.

Representative Eggleston in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The God of peace be with you all. (Romans 15:33)

Eternal God, our Shepherd, before whom we bow in adoration and to whom we lift our spirits in prayer, come into our hearts that we be motivated by Your grace and moved by Your love. May we open our hearts, deepen our devotion and increase our faith in You and in our state. By working together with You, may we hasten the passage of solid and good legislation for our citizens and the promotion of political cooperation in this chamber and in our Senate.

Renew a proper, a good, and a wise attitude within us, O Creator, that we may go forward to greater achievements under Your leadership, supported by Your strength and sustained by Your power. May peace and joy come to reign in every heart here in the People's House.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Tamauree Moore.

“92.720. 1. If any of the lands or town lots contained in the back tax book or list of delinquent lands or lots remain unredeemed on the first day of January, the collector may file suit in the circuit court against such lands or lots to enforce the lien of the state and city as herein provided in sections 92.700 to 92.920.

2. The collector shall note opposite such tract in the back tax book the fact that suit has been commenced.

3. The collector shall compile lists of all state, city, school and other tax bills collectible by him which are delinquent according to his records and he shall assign a serial number to each parcel of real estate in each list and if suit has been filed in the circuit court of the city on any delinquent tax bill included in any list, the collector shall give the court docket number of each suit.

4. The sheriff may appoint the collector and the collector's deputies as deputy sheriffs, and when so appointed they may serve all process in matters pertaining to sections 92.700 to 92.920 with like effect as the sheriff himself might do.

5. No action for recovery of taxes against real estate shall be commenced, had or maintained, unless action therefor shall be commenced within five years after delinquency.

6. For any improved parcel identified by a city operating under sections 92.700 to 92.920 as being vacant, the collector shall, within no more than two years after delinquency, file suit in the circuit court against such lands or lots to enforce the lien of the state and the city as provided in sections 92.700 to 92.920. Failure of the collector to bring suit within the time frame prescribed herein shall not constitute a defense or bar an action for the collection of taxes as otherwise provided by this section.

92.740. 1. A suit for the foreclosure of the tax liens herein provided for shall be instituted by filing in the appropriate office of the circuit clerk and with the land reutilization authority a petition, which petition shall contain a caption, a copy of the list prepared by the collector, and a prayer. Such petition without further allegation shall be deemed to be sufficient.

2. The caption shall be in the following form:

In the Circuit Court of Missouri,

In the Matter of

Foreclosure of Liens for Delinquent Land Taxes

By Action in Rem.

Collector of Revenue of , Missouri, Plaintiff

-vs-

Parcels of Land Encumbered with Delinquent Tax Liens, Defendants

3. The petition shall conclude with a prayer that all tax liens upon such real estate be foreclosed; that the court determine the amounts and priorities of all tax bills, together with interest, penalties, costs, and attorney's fees; that the court order such real estate to be sold by the sheriff at public sale as provided by sections 92.700 to 92.920 and that thereafter a report of such sale be made by the sheriff to the court for further proceedings under the provisions of sections 92.700 to 92.920.

4. The petition when so filed shall have the same force and effect with respect to each parcel of real estate therein described as a separate suit instituted to foreclose the tax lien or liens against any one of said parcels of real estate.

5. For each petition filed, the collector shall make available to the public a list detailing each parcel included in the suit.

92.750. 1. **Except as otherwise provided in subsection 4 of this section,** any person having any right, title, or interest in, or lien upon, any parcel of real estate described in such petition may redeem such parcel of real estate by paying to the collector all of the sums mentioned therein, including principal, interest, penalties, attorney's fees and costs then due, at any time prior to the time of the foreclosure sale of such real estate by the sheriff.

2. In the event of failure to redeem prior to the time of the foreclosure sale by the sheriff, such person shall be barred and forever foreclosed of all his right, title and interest in and to the parcels of real estate described in such petition.

3. Upon redemption, as permitted by this section, the person redeeming shall be entitled to a certificate of redemption from the collector describing the property in the same manner as it is described in such petition, and the collector shall thereupon note on his records the word "redeemed" and the date of such payment opposite the description of such parcel of real estate.

4. For any improved nonhomestead parcel, any person having any right, title, or interest in, or lien upon, any parcel of real estate described in the petition may redeem such parcel of real estate at any time prior to the time of the foreclosure sale of such real estate by the sheriff by paying to the collector all of the sums due as of the date of redemption mentioned therein, including principal, interest, penalties, attorney's fees, and costs then due including, but not limited to, all debts owed to the city, exclusive of any debts owed to any statutorily created sewer district, that are known to the collector and that may be collected pursuant to section 67.451, such as amounts for water, forestry, nuisance abatement, special tax bills, and vacant building assessments.

92.760. 1. The collector shall also cause to be prepared and mailed in an envelope with postage prepaid, within thirty days after the filing of such petition, a brief notice of the filing of the suit, to the persons named in the petition as ~~[being the owners]~~ **having an interest in the parcel**, according to the records of the assessor for, **or otherwise known to the collector**, the respective parcels of real estate described in the petition. The notices shall be sent to the addresses ~~[of such persons upon the records of the assessor]~~ **most likely to apprise the parties of the proceedings as provided**, and in the event that any name or address does not appear on the records of the assessor, with respect to any parcel of real estate, the collector shall so state in an affidavit, giving the serial number of each parcel of real estate affected. Such affidavit shall be filed in the suit with the circuit clerk not later than sixty days after the date of the first publication of the notice of foreclosure. The failure of the collector to mail the notice as provided in this section shall invalidate any proceedings brought pursuant to the provisions of sections 92.700 to 92.920. The failure of the collector to file the affidavit as provided in this section shall not affect the validity of any proceedings brought pursuant to the provisions of sections 92.700 to 92.920.

2. Such notice shall be substantially as follows:

To the person to whom this notice is addressed:

Unless all delinquent taxes be paid upon the parcels of real estate described in such petition and such real estate redeemed prior to the time of the foreclosure sale of such real estate by the sheriff, the owner or any person claiming any right, title or interest in or to, or lien upon, any such parcels of real estate shall be forever barred and foreclosed of all right, title and interest and equity of redemption in and to such parcels of real estate; except that any such persons shall have the right to file an answer in said suit on or before the _____ day of _____, 20_____, in the office of the Circuit Clerk and a copy thereof to the Collector, setting forth in detail the nature and amount of the interest and any defense or objection to the foreclosure. 92.765. Affidavits of publication of notice of foreclosure, and of posting, mailing, or other acts required by the provisions of sections 92.700 to 92.920 shall be filed in the office of the circuit clerk prior to the trial, and when so filed shall constitute part of the evidentiary documents in the foreclosure suit. Such affidavits shall be prima facie evidence of the performance of acts therein described, and may be so used in the trial of the suit, unless challenged by verified answer duly filed in the suit. **The collector shall file with the court an affidavit of compliance with notice requirements of sections 92.700 to 92.920 prior to any sheriff's sale. The affidavit shall include the identities of all parties to whom notice was attempted and by what means. In the case of mailed notice returned undeliverable, the collector's affidavit shall certify that additional notice was attempted and by what means. The expense of complying with this section shall be taxed and collected as other costs in the suit.**

92.770. 1. The collector may employ such attorneys as he deems necessary to collect such taxes and to prosecute suits for taxes.

2. Such attorneys shall receive as total compensation a sum, not to exceed six percent of the amount of taxes actually collected and paid into the treasury, and an additional sum not to exceed two dollars for each suit filed when publication is not necessary and not to exceed five dollars where publication is necessary, as may be agreed upon in writing and approved by the collector, before such services are rendered.

3. The ~~attorney~~ **attorney's** fees shall be taxed as costs in the suit and collected as other costs.

92.775. 1. Upon the trial of the cause upon the question of foreclosure, the tax bill shall be prima facie proof that the tax described in the tax bill has been validly assessed at the time indicated by the tax bill and that the tax is unpaid. Any person alleging any jurisdictional defect or invalidity in the tax bill or in the sale thereof must particularly specify in his answer the defect or basis of invalidity, and must, upon trial, affirmatively establish such defense.

2. After the court has first determined the validity of the tax liens of all tax bills affecting parcels of real estate described in the petition, the priorities of the respective tax bills and the amounts due thereon, including principal, interest, penalties, attorney's fees, and costs, the court shall thereupon enter judgment of foreclosure of such liens and fix the time and place of the foreclosure sale. The petition shall be dismissed as to any parcel of real estate redeemed prior to the time fixed for the sheriff's foreclosure sale as provided in sections 92.700 to 92.920. If the parcel of real estate auctioned off at sheriff's foreclosure sale is sold for a sum sufficient to fully pay the principal amount of all tax bills included in the judgment, together with interest, penalties, attorney's fees and costs, and for no more, and such sale is confirmed by the court, then all other proceedings as to such parcels of real estate shall be finally dismissed as to all parties and interests other than tax bill owners or holders; provided, however, that any parties seeking relief other than an interest in or lien upon the real estate may continue with said suit to a final adjudication of such other issues; provided, further, an appeal may be had as to any claim attacking the validity of the tax bill or bills or the priorities as to payment of proceeds of foreclosure sale. If the parcel of real estate auctioned off at sheriff's foreclosure sale is sold for a sum greater than the total amount necessary to pay the principal amount of all tax bills included in the judgment, together with interest, penalties, attorney's fees and costs, and such sale is confirmed by the court, and no appeal is taken by any person claiming any right, title or interest in or to or lien upon said parcel of real estate or by any person or taxing authority owning or holding or claiming any right, title or interest in or to any tax bills within the time fixed by law for the filing of notice of appeal, the court shall thereupon order the sheriff to make distribution to the owners or holders of the respective tax bills included in the judgment of the amounts found to be due and in the order of priorities. Thereafter all proceedings in the suit shall be ordered by the court to be dismissed as to such persons or taxing authorities owning, holding or claiming any right, title or interest in any such tax bill or bills so paid, and the case shall proceed as to any parties claiming any right, title, or interest in or lien upon the parcel of real estate affected by such tax bill or bills as to their respective claims to such surplus funds then remaining in the hands of the sheriff. **The receipt of such surplus funds shall constitute a bar to any claim of right, title, or interest in, or lien upon, said parcel of real estate, by the fund recipient.**

3. Whenever an answer is filed to the petition, as herein provided, a severance of the action as to all parcels of real estate affected by such answer shall be granted, and the issues raised by the petition and such answer shall be tried separate and apart from the other issues in the suit, but the granting of such severance shall not delay the trial or other disposition of any other issue in the case. A separate appeal may be taken from any other issue in the case. A separate appeal may be taken from any action of the court affecting any right, title or interest in or to, or lien upon, such real estate, other than issues of law and fact affecting the amount or validity of the lien of tax bills, but the proceeding to foreclose the lien of any tax bills shall not be stayed by such appeal. The trial shall be conducted by the court without the aid of a jury and the suit shall be in equity. This action shall take precedence over and shall be triable before any other action in equity affecting the title to such real estate, upon motion of any interested party.

92.810. 1. After the judgment of foreclosure has been entered, or, after a motion for a new trial has been overruled, or, if an appeal be taken from such judgment and the judgment has been affirmed, after the sheriff shall have been notified by any party to the suit that such judgment has been affirmed on appeal and that the mandate of the appellate court is on file with the circuit clerk, there shall be a waiting period of six months before any advertisement of sheriff's sale shall be published.

2. If any such parcel of real estate be not redeemed, or if no written contract providing for redemption be made within six months after the date of the judgment of foreclosure, if no motion for rehearing be filed, and, if filed, within six months after such motion may have been overruled, or, if an appeal be taken from such judgment and the judgment be affirmed, within six months after the sheriff shall have been notified by any party to the suit that such judgment has been affirmed on appeal and that the mandate of the appellate court is on file with the circuit clerk, the sheriff shall, after giving the ~~[notice]~~ **notices** required by ~~[subsection 3]~~ **subsections 4 and 5** of this section, commence to advertise the real estate described in the judgment and shall fix the date of sale within thirty days after the date of the first publication of the notice of sheriff's sale as herein provided, and shall at such sale proceed to sell the real estate.

3. **No later than one hundred twenty days prior to the sheriff's sale, the collector shall obtain a title abstract or report on any unredeemed parcels. Such title abstract or report shall be obtained from a licensed title company or attorney and subject to a public and competitive bidding process administered by the collector and conducted triennially. The title report shall include all conveyances, liens, and charges against the real estate, and the names and mailing addresses of any interested parties and lienholders. The charges of said abstract or report shall be taxed as costs and shall be paid as other costs in the case.**

4. **No later than twenty days prior to the sheriff's sale, the collector shall send notice of the sale to the lienholders and interested parties, as disclosed upon the title abstract or report of the real estate for which tax bills thereon are delinquent. The notice shall provide the date, time, and place of the sale. The notice shall also state that the parcel may be redeemed prior to the sale as specified in section 92.750 or by entering into an agreement with the collector to pay the taxes included in the foreclosure suit under section 92.740. The notice required by this subsection shall be mailed in an envelope with postage prepaid. The cost of the mailing and notice as required by this subsection shall be included as costs in the case.**

5. No later than ~~[twenty]~~ **forty** days prior to the sheriff's sale, the ~~[sheriff]~~ **collector** shall send notice of the sale to the ~~[owner or owners,]~~ **parties having interest in the parcel** as disclosed upon the records of the assessor, **or otherwise known to the collector**, of the real estate for which tax bills thereon are delinquent. ~~[The search of the records of the assessor must be made not more than forty days prior to the sending of this notice]~~ **The notice shall be sent to the addresses most likely to apprise the parties of the proceedings as provided.** The notice shall provide the date, time and place of the sale. The notice shall also state that ~~[the property owner]~~ **an interested party** may avoid the sale by redeeming such parcel of real estate prior to the sale as specified in section 92.750 or, **if applicable**, by entering into an agreement with the collector to pay the taxes included in the foreclosure suit under section 92.740. The notice required by this subsection shall be mailed in an envelope with postage prepaid. The cost of ~~[the title search,]~~ mailing and notice as required by this subsection shall be included as costs ~~[at the sale of the real estate]~~ **in the case.**

6. **No later than twenty days prior to the sheriff's sale, the sheriff shall enter upon the parcel subject to foreclosure of these tax liens and post a written informational notice in a conspicuous location, attached to a structure, and intended to be visible by the nearest public right-of-way. This notice shall describe the property; shall advise that it is the subject of delinquent land tax collection proceedings brought pursuant to sections 92.700 to 92.920 and that it may be sold for the payment of delinquent taxes at a sale to be held at a certain time, date, and place; and shall contain the serial number and the phone number and address of the collector, as well as a statement of the prohibition against removal unless the parcel has been redeemed. The notice shall be not less than eight inches by ten inches and shall be laminated or otherwise sufficiently weatherproofed to withstand normal exposure to rain, snow, and other conditions. The sheriff shall document, by time-stamped photograph, compliance with this section, make said documentation generally available upon request, and provide verification by affidavit of compliance with this section. The cost of notice as required by this subsection shall be included as costs in the case.**

7. In addition to the other notice requirements of this section, no later than twenty days prior to the sheriff's sale, the sheriff shall attempt in-person notice that shall describe the property; that shall advise that it is the subject of delinquent land tax collection proceedings brought pursuant to sections 92.700 to 92.920 and that it may be sold for the payment of delinquent taxes at a sale to be held a certain time, date, and place; and that shall contain the serial number and phone number and address of the collector. In-person notice may be provided to any person found at the property. The sheriff shall note the date and time of attempted

notice and the name, description, or other identifying information regarding the person to whom notice was attempted. The sheriff shall document compliance with this section, make said documentation generally available upon request, and provide verification by affidavit of compliance with this section. The cost of notice as required by this subsection shall be included as costs in the case.

[4-] 8. Notwithstanding the provisions of this section to the contrary, any residential property which has not been redeemed by the end of the waiting period required by this section which has been determined to be of substandard quality or condition under the standards established by the residential renovation loan commission pursuant to sections 67.970 to 67.983 may, upon the request of the residential renovation loan commission, be transferred to the residential renovation loan commission for the purpose of renovation of the property. Any such property transferred pursuant to this subsection shall be renovated and sold by the residential renovation loan commission in the manner prescribed in sections 67.970 to 67.983. The residential renovation loan commission shall reimburse the land reutilization authority for all expenses directly incurred in relation to such property under sections 92.700 to 92.920 prior to the transfer.

92.815. 1. During such waiting period and at any time prior to the time of foreclosure sale by the sheriff, any interested party may redeem any parcel of real estate as provided by sections 92.700 to 92.920; except that during such time and at any time prior to the time of foreclosure sale by the sheriff, the collector shall enter into a written redemption contract with the owner of any real estate occupied as a homestead and who has not previously defaulted upon any such written redemption contract, provided that in no instance shall such installments exceed twelve in number or extend more than twenty-four months next after any agreement for such installment payments shall have been entered into; provided further, that upon good cause being shown by the owner of any parcel of real estate occupied as a homestead, or in the case of improved real estate with a total assessed valuation of not more than five thousand dollars, owned by an individual, the income from such property being a major factor in the total income of such individual, or by anyone on his behalf, the court may, in its discretion, fix the time and terms of payment in such contract to permit all of such installments to be paid within not longer than forty-eight months after any order or agreement as to installment payments shall have been made. **The collector shall not enter into a redemption contract with respect to any improved parcel not occupied as a homestead.**

2. So long as such installments be paid according to the terms of the contract, the six months' waiting period shall be extended, but if any installment be not paid when due, the extension of the waiting period shall be ended and the real estate shall immediately be advertised for sale or included in the next notice of sheriff's foreclosure sale. Notice shall also be sent to the redemption contract ~~[payer]~~ **payer** as specified in subsection [3] 4 of section 92.810.

3. On an annual basis, the collector shall make publicly available the number of parcels under redemption contract under this section.

92.817. 1. The court shall stay the sale of any parcel to be sold under execution of a tax foreclosure judgment obtained under this chapter, which is the subject of an action filed under sections 447.620 to 447.640, provided that the party that has brought such an action has, upon an order of the court, paid into the circuit court the principal amount of all land taxes then due and owing under the tax foreclosure judgment, exclusive of penalties and interest, prior to the date of any proposed sale under execution.

2. Upon the granting by the court of temporary possession of any property under section 447.632, upon order, the circuit court shall direct payment to the collector of all principal land taxes theretofore paid to the circuit court. In addition, in any order granting a final judgment or deed under section 447.625 or 447.640, the court shall also order the permanent extinguishment of penalties and interest arising from actions to collect delinquent land taxes due on the parcel against the grantee of said deed, and all successors in interest; excepting however, any defendant in such action.

3. If an owner of the parcel moves the court for restoration of possession under section 447.638, the owner shall pay into the circuit court all land tax amounts currently due and owing on the property, including all statutory penalties, interest, attorney's fees, and court costs retroactive to the date of accrual. Upon an order granting the restoration of possession to an owner under section 447.638, the court shall order that the funds paid to the court under subsection 2 of this section be returned to the payer, and that the funds paid to the court under this subsection be paid out to the collector.

4. If the party that brought the action under sections 447.620 to 447.640 dismisses its action prior to gaining temporary possession of the property, it shall recover any amounts paid into the circuit court prior to that date for principal land taxes.

92.825. 1. The sale shall be conducted, the sheriff's return thereof made, and the sheriff's deed pursuant to the sale executed, all as provided in the case of sales of real estate taken under execution except as otherwise provided in sections 92.700 to 92.920, and provided that such sale need not occur during the term of court or while the court is in session.

2. Such sale shall convey the whole interest of every person having or claiming any right, title or interest in or lien upon such real estate, whether such person has answered or not, subject to rights-of-way thereon of public utilities upon which tax has been otherwise paid, and subject only to the tax lien thereon, if any, of the United States of America.

3. The collector shall advance from current tax collections the sums necessary to pay for the publication of all advertisements required by the provisions of sections 92.700 to 92.920 and shall be allowed credit therefor in his accounts with the taxing authorities on a pro rata basis. He shall give credit in such accounts for all such advances recovered by him. Such expenses of publication shall be apportioned pro rata among and taxed as costs against the respective parcels of real estate described in the judgment; provided, however, that none of the costs herein enumerated, including the costs of publication, shall constitute any lien upon the real estate after such sale.

4. **No person shall be eligible to bid at the time of the sheriff's sale unless such person has, no later than ten days before the sale date, demonstrated to the satisfaction of the collector or sheriff that the person is not the owner of any parcel of real estate in the city that is subject to delinquent property taxes, unpaid special tax bills, or vacant building fees. A prospective bidder shall be prohibited from participating in the delinquent land tax sale if he or she has previously bid at a sheriff's sale and failed to pay bid amounts, confirm the sale, or sign a sheriff's deed. The collector or sheriff may require prospective bidders to submit an affidavit attesting to the requirements of this section and is expressly authorized to permanently preclude any prospective bidder from participating in the sale for failure to comply with this section. Notwithstanding the provisions of this section, any taxing authority or land reutilization authority shall be eligible to bid at any sale conducted under this section without making such a demonstration.** The purchaser at a sale conducted by the sheriff shall pay cash immediately at the end of bidding of each parcel on the day of the sale in an amount including all taxes then due and owing, **which may be in an amount in excess of or less than the judgment amount, and other costs, exclusive of any amounts for debts owed to any statutorily created sewer district [as otherwise provided by law].**

92.835. 1. The title to any real estate which shall vest in the land reutilization authority under the provisions of sections 92.700 to 92.920 shall be held by the land reutilization authority of the city in trust for the tax bill owners and taxing authorities having an interest in any tax liens which were foreclosed, as their interests may appear in the judgment of foreclosure.

2. The title to any real estate which shall vest in any purchaser, upon confirmation of such sale by the court, shall be an absolute estate in fee simple, subject to rights-of-way thereon of public utilities on which tax has been otherwise paid, and subject to any tax lien thereon of the United States of America, if any, and all persons, including the state of Missouri, **any taxing authority or tax district as defined herein, judgment creditors, lienholders,** minors, incapacitated and disabled persons, and nonresidents who may have had any right, title, interest, claim, or equity of redemption in or to, or lien upon, such lands shall be barred and forever foreclosed of all such right, title, interest, claim, lien or equity of redemption, and the court shall order immediate possession of such real estate be given to such purchaser~~]; provided, however, that such title shall also be subject to the liens of any tax bills which may have attached to such parcel of real estate prior to the time of the filing of the petition affecting such parcel of real estate not then delinquent, or which may have attached after the filing of the petition and prior to sheriff's sale and not included in any answer to such petition, but].~~ If such parcel of real estate is sold to the land reutilization authority the title thereto shall be free of any ~~[such]~~ liens to the extent of the interest of any taxing authority in such real estate; provided further, that such title shall not be subject to the lien of special tax bills ~~[which has attached to the parcel of real estate prior to January 1, 1972, but the lien of such special tax bills shall attach to the proceeds of the sheriff's sale or to the proceeds of the ultimate sale of such parcel by the land reutilization authority].~~

92.840. 1. **Within six months** after the sheriff sells any parcel of real estate, the court shall, upon its own motion or upon motion of any interested party, set the cause down for hearing to confirm **or set aside** the foreclosure sale of the real estate, even though such parcels are not all of the parcels of real estate described in the notice of sheriff's foreclosure sale. Notice of the hearing shall be sent by any interested party, or the court, moving to confirm the foreclosure sale, to each person who ~~[received]~~ **was sent** notice of sale as specified in ~~[subsection 3]~~ **subsections 4 and 5 of section 92.810 and to any other necessary parties as required by prevailing notions of due process.** At the time of such hearing, the sheriff shall make report of the sale, and the court shall hear evidence of the value of the property offered on behalf of any interested party to the suit, and shall immediately determine

whether an adequate consideration has been paid for each such parcel. **Any parcel deemed to have been purchased by the land reutilization authority pursuant to section 92.830 shall not require any inquiry as to value. The court's judgment shall include a specific finding that adequate notice was provided to all necessary parties pursuant to prevailing notions of due process and sections 92.700 to 92.920, reciting the notice efforts of the collector, sheriff, and tax sale purchaser. Nothing in this section shall be interpreted to preclude a successful tax sale purchaser from asserting a claim to quiet title to the bid upon parcel pursuant to section 527.150.**

2. For this purpose, the court shall have power to summon any city official or any private person to testify as to the reasonable value of the property, and if the court finds that adequate consideration has been paid, he shall confirm the sale and order the sheriff to issue a deed with restriction as provided herein to the purchaser subject to the application of an occupancy permit for all parcels as provided in subsection ~~[5]~~ 7 of this section. If the court finds that the consideration paid is inadequate, the purchaser may increase his bid to such amount as the court may deem to be adequate, whereupon the court may confirm the sale. If, however, the purchaser declines to increase his bid and make such additional payment, then the sale shall be disapproved, the lien of the judgment continued, and such parcel of real estate shall be again advertised and offered for sale by the sheriff to the highest bidder at public auction for cash at any subsequent sheriff's foreclosure sale.

3. If the sale is confirmed, the court shall order the proceeds of the sale applied in the following order:

(1) To the payment of the costs of the publication of the notice of foreclosure and of the sheriff's foreclosure sale;

(2) To the payment of all **of the collector and sheriff's** costs including appraiser's fee and attorney's fees;

(3) To the payment of all tax bills adjudged to be due in the order of their priority, including principal, interest and penalties thereon. If, after such payment, there is any sum remaining of the proceeds of the sheriff's foreclosure sale, the court shall thereupon try and determine the other issues in the suit in accordance with section 92.775. If any answering parties have specially appealed as provided in section 92.845, the court shall retain the custody of such funds pending disposition of such appeal, and upon disposition of such appeal shall make such distribution. If there are not sufficient proceeds of the sale to pay all claims in any class described, the court shall order the same to be paid pro rata in accordance with the priorities.

4. If there are any funds remaining of the proceeds after the sheriff's sale and after the distribution of such funds as set out in this section and no person entitled to any such funds, whether or not a party to the suit, shall, within two years after such sale, appear and claim the funds, ~~[they]~~ **ten percent shall be distributed to the St. Louis Affordable Housing Trust Fund or equivalent of such city operating under sections 92.700 to 92.920 for purposes that promote the reduction and prevention of vacant properties, blight remediation, and cleanup and maintenance of vacant property, with the remainder to be distributed** to the appropriate taxing authorities.

5. **Any city operating under the provisions of sections 92.700 to 92.920, by ordinance, may elect to allocate a portion of its share of the proceeds of the sheriff's sale towards a fund for the purpose of defending against claims challenging the sufficiency of notice provisions under this section.**

6. For the purpose of this section, the term "occupancy permit" shall mean the certificate of ~~[use and]~~ **inspection or occupancy permit for residential or commercial structures** as provided for in the revised municipal code of any city not within a county, which now has or may hereafter have a population in excess of three hundred thousand inhabitants.

~~[6-]~~ 7. If there is a building or structure on the parcel, the purchaser shall apply for an occupancy permit from the city or appropriate governmental agency within ten days after the confirmation hearing. Any purchaser who is a public corporation acting in a governmental capacity shall not be required to acquire the occupancy permit. When a parcel, acquired at a sheriff sale, containing a building is sold from a public corporation acting in a governmental capacity, the subsequent purchaser shall be required to apply for the occupancy permit. Failure to apply for such occupancy permit within ten days after confirmation shall result in the sale and confirmation being immediately set aside by the motion of any interested party and that parcel shall again be advertised and offered for sale by the sheriff to the highest bidder at public auction for cash at any subsequent sheriff foreclosure sale.

~~[7-]~~ 8. The sheriff shall include a deed restriction in the sheriff's deed, issued after confirmation and after the application of an occupancy permit for any parcel containing a building or structure. The deed restriction shall state that the purchasers at the sheriff's sale who had the property confirmed and who applied for an occupancy permit shall obtain an occupancy permit for the building or structure from the appropriate governmental agency prior to any subsequent transfer or sale of this property. This deed restriction shall **not** exist as a lien against such real estate ~~[while the purchasers hold same in the amount of five thousand dollars]~~. The purchasers of the property at the sheriff

sale who had the property confirmed and applied for the occupancy permit shall agree that in the event of their failure to obtain an occupancy permit prior to any subsequent transfer of the property, they shall pay to the sheriff the sum of five thousand dollars as fixed, liquidated and ascertained damages without proof of loss or damages. **These damages shall not constitute a lien on property, and** the sheriff shall have the discretionary power to file a lawsuit against such purchaser for collection of these liquidated damages. These liquidated damages shall be distributed on a prorated basis to the appropriate taxing authority after the sheriff deducts all costs, expenses and ~~attorney~~ attorney's fees for such lawsuits. The sheriff may employ attorneys as he deems necessary to collect liquidated damages.

9. If any sale is not confirmed within six months after the sale, any set-aside of the sale may, at the discretion of the court or collector, include a penalty of twenty-five percent of the bid amount over and above the opening bid amount, and such penalty shall be directed to the affordable housing trust fund or the equivalent, if any, of a city operating under sections 92.700 to 92.920.

10. Any interested party, other than the sheriff's sale purchaser, who moves the court to set aside a sheriff's sale after the issuance of a sheriff's deed made under the provisions of sections 92.700 to 92.920 shall be required to pay into the court the redemption amount otherwise necessary under section 92.750 prior to the court hearing any such motion to set aside. The court may hear any motion to confirm brought under the terms of this section if the redemption amount is not paid by the interested party moving the court to set aside the sale.

92.852. Any sheriff's deed given pursuant to the municipal land reutilization law shall be subject to a recording fee for the costs of recording the deed that shall be assessed and collected from the purchaser of the property at the same time the proceeds from the sale are collected. All such deeds shall be recorded at the office of the recorder of deeds within two months after the ~~sheriff's deed is given~~ **court confirms the sale, if no proceeding to set aside the confirmation judgment is before the court.**

92.855. Each sheriff's deed given pursuant to the provisions of the municipal land reutilization law shall be ~~presumptive~~ **prima facie** evidence that the suit and all proceedings therein and all proceedings prior thereto from and including assessment of the lands affected thereby and all notices required by law were regular and in accordance with all provisions of the law relating thereto. ~~[After two years from the date of the recording of such sheriff's deed, the presumption shall be conclusive, unless at the time that this section takes effect the two-year period since the recording of such sheriff's deed has expired, or less than six months of such period of two years remains unexpired, in which latter case the presumption shall become conclusive six months after September 28, 1971. No suit to set aside or to attack the validity of any such sheriff's deed shall be commenced or maintained unless the suit is filed prior to the time that the presumption becomes conclusive, as aforesaid.]~~”; and

“442.130. **1.** All deeds or other conveyances of lands, or of any estate or interest therein, shall be subscribed by the party granting the same, or by his lawful agent, and shall be acknowledged or proved and certified in the manner herein prescribed.

The advisory committee shall provide the public the ability to view any such remote meetings."; and

Further amend said bill, Pages 44-49, Section 620.3915, Lines 1-172, by deleting said lines and inserting in lieu thereof the following:

"620.3915. 1. An applicant for the sandbox program shall provide to the regulatory relief office an application in a form prescribed by the regulatory relief office that:

 - (g) A description of the proposed demonstration plan, including estimated time periods for beginning and ending the demonstration;
 - (h) Recognition that the applicant will be subject to all laws and regulations pertaining to the applicant's innovative offering after the conclusion of the demonstration;
 - (i) How the applicant will end the demonstration and protect consumers if the demonstration fails;
 - (j) A list of each applicable agency, if any, that the applicant knows regulates the applicant's business; and
 - (k) Any other required information as determined by the regulatory relief office.

2. An applicant shall remit to the regulatory relief office an application fee of three hundred dollars per application for each innovative offering. Such application fees shall be used by the regulatory relief office solely for the purpose of implementing the provisions of sections 620.3900 to 620.3930.

3. An applicant shall file a separate application for each innovative offering that the applicant wishes to demonstrate.

4. An applicant for the sandbox program may contact the regulatory relief office to request a consultation regarding the sandbox program before submitting an application. The regulatory relief office may provide assistance to an applicant in preparing an application for submission.

5. (1) After an application is filed, the regulatory relief office shall:
 - (a) Consult with each applicable agency that regulates the applicant's business regarding whether more information is needed from the applicant; and
 - (b) Seek additional information from the applicant that the regulatory relief office determines is necessary.

(2) No later than fifteen business days after the day on which a completed application is received by the regulatory relief office, the regulatory relief office shall:

(a) Review the application and refer the application to each applicable agency that regulates the applicant's business; and

(b) Provide to the applicant:

a. An acknowledgment of receipt of the application; and

b. The identity and contact information of each applicable agency to which the application has been referred for review.

(3) No later than forty-five days after the day on which an applicable agency receives a completed application for review, the applicable agency shall provide a written report to the sandbox program director with the applicable agency's findings. Such report shall:

(a) Describe any identifiable, likely, and significant harm to the health, safety, or financial well-being of consumers that the relevant law or regulation protects against; and

(b) Make a recommendation to the regulatory relief office that the applicant either be admitted or denied entrance into the sandbox program.

(4) An applicable agency may request an additional ten business days to deliver the written report required by subdivision (3) of this subsection by providing notice to the sandbox program director, which request shall automatically be granted. An applicable agency may request only one extension per application. The sandbox program director may also provide an additional extension to the applicable agency for cause.

(5) If an applicable agency recommends an applicant under this section be denied entrance into the sandbox program, the written report required by subdivision (3) of this subsection shall include a description of the reasons for such recommendation, including the reason a temporary waiver or suspension of the relevant laws or regulations would potentially significantly harm the health, safety, or financial well-being of consumers or the public and the assessed likelihood of such harm occurring.

(6) If an applicable agency determines that the consumer's or public's health, safety, or financial well-being can be protected through less restrictive means than the existing relevant laws or regulations, the applicable agency shall provide a recommendation of how that can be achieved.

(7) If an applicable agency fails to deliver the written report required by subdivision (3) of this subsection, the sandbox program director shall provide a final notice to the applicable agency for delivery of the written report. If the report is not delivered within five days of such final notice, the sandbox program director shall assume that the applicable agency does not object to the temporary waiver or suspension of the relevant laws or regulations for an applicant seeking to participate in the sandbox program.

6. (1) Notwithstanding any provision of this section to the contrary, an applicable agency may, by written notice to the regulatory relief office:

(a) Reject an application, provided such rejection occurs within forty-five days after the day on which the applicable agency receives a complete application for review, or within fifty days if an extension has been requested by the applicable agency, if the applicable agency determines, in the applicable agency's sole discretion, that the applicant's offering fails to comply with standards or specifications:

a. Required by federal rule or regulation; or

b. Previously approved for use by a federal agency; or

(b) Reject an application preliminarily approved by the regulatory relief office, if the applicable agency:

a. Recommends rejection of the application in the applicable agency's written report submitted pursuant to subdivision (3) of subsection 5 of this section; and

b. Provides in the written report submitted pursuant to subdivision (3) of subsection 5 of this section a description of the applicable agency's reasons approval of the application would create a substantial risk of harm to the health or safety of the public, or create unreasonable expenses for taxpayers in the state.

(2) If any applicable agency rejects an application on a nonpreliminary basis pursuant to subdivision (1) of this subsection, the regulatory relief office shall not approve the application.

7. (1) The sandbox program director shall provide all applications and associated written reports to the advisory committee upon receiving a written report from an applicable agency.

(2) The sandbox program director may call the advisory committee to meet as needed, but not less than once per quarter if applications are available for review.

(3) After receiving and reviewing the application and each associated written report, the advisory committee shall provide to the sandbox program director the advisory committee's recommendation as to whether the applicant should be admitted as a sandbox participant.

(4) As part of the advisory committee's review of each report, the advisory committee shall use criteria used by applicable agencies to evaluate applications.

8. The regulatory relief office shall consult with each applicable agency and the advisory committee before admitting an applicant into the sandbox program. Such consultation may include seeking information about whether:

(1) The applicable agency has previously issued a license or other authorization to the applicant; and

(2) The applicable agency has previously investigated, sanctioned, or pursued legal action against the applicant.

9. In reviewing an application under this section, the regulatory relief office and applicable agencies shall consider whether:

(1) A competitor to the applicant is or has been a sandbox participant and, if so, weigh that as a factor in favor of allowing the applicant to also become a sandbox participant;

(2) The applicant's plan will adequately protect consumers from potential harm identified by an applicable agency in the applicable agency's written report;

(3) The risk of harm to consumers is outweighed by the potential benefits to consumers from the applicant's participation in the sandbox program; and

(4) Certain state laws or regulations that regulate an innovative offering should not be waived or suspended even if the applicant is approved as a sandbox participant, including applicable anti-fraud or disclosure provisions.

10. An applicant shall become a sandbox participant if the regulatory relief office approves the application for the sandbox program and enters into a written agreement with the applicant describing the specific laws and regulations that are waived or suspended as part of participation in the sandbox program. Notwithstanding any other provision of this section to the contrary, the regulatory relief office shall not enter into a written agreement with an applicant that exempts the applicant from any income, property, or sales tax liability unless such applicant otherwise qualifies for an exemption from such tax.

11. (1) The sandbox program director may deny at his or her sole discretion any application submitted under this section for any reason, including if the sandbox program director determines that the preponderance of evidence demonstrates that suspending or waiving enforcement of a law or regulation would cause significant risk of harm to consumers or residents of the state.

(2) If the sandbox program director denies an application submitted under this section, the regulatory relief office shall provide to the applicant a written description of the reasons for not allowing the applicant to become a sandbox participant.

(3) The denial of an application submitted under this section shall not be subject to judicial or administrative review.
